Laura's Story Julie Larade,2014-11-12 **Parents' Education as Autism Therapists** Michael Keenan,Ken P.

Kerr,Karola Dillenburg,2000 Clear focused and practical this book is a useful introduction to ABA for parents and professionals working with children with autism Successful child rearing is an essential skill for any parent For most of us this skill is handed down from our own parents and society in general In real terms this means that rather than relying on any formal instruction to help us we bring up our children using skills based largely upon common sense and a willingness to do our best These methods are by and large successful in everyday situations However when it comes to more difficult aspects of developing skills in our children we need something more dependable than good will Applied Behaviour Analysis ABA the systematic implementation of scientifically proven behavioural principles offers just that Aimed at enhancing people's lives in ways that they or their carers feel are important it includes a variety of methods and techniques which can be used to promote decrease or maintain skills for daily living ABA has been used to help children with autism for many years in many countries In Northern Ireland the PEAT group offers parents the education necessary to become their own child's therapists using ABA In this book these parents and the professionals involved in their training share their knowledge experience and successes

It's a comedy of errors when Laura prepares a romantic dinner for Mila's birthday. Laura isn't the world's best cook to begin with, but everything goes wrong in the immaculate home Mila's house-sitting for her aunt. The cat escapes, the parmesan explodes, the fire alarm blares, and the trouble's only just begun. Laura and Mila wanted to share an evening of domestic bliss. Will their glimpse at adult life drive them into each other's arms or drive them apart completely?

Beneath the Light Alan Lane, 2010-02 After an unsettling discovery, Sesily Dearborn was forever changed. Her life embarking on a journey that would change the lives of everyone she knew. Isolated from her parents, she was left alone, only with a maid from the family estate as well as a soldier from her village. Now facing a world she never knew anything about, Sesily struggles to learn more about herself, her world, and the forbidden item she has discovered. As destiny has preordained, however, her fate is strung loosely on the thin strands of life and death. Finding unlikely allies such as an obnoxious and arrogant reporter, a world-famous sharpshooter, and a promiscuous priestess, Sesily overcomes the challenges of a country built on conflict and survival of the brave. With her friends, Sesily faces a multitude of enemies. Terrifying heathens known as Reapers serve as a constant pestilence. The dark Coven of Witches seeks to destroy the country and rule it as their own, and an evil greater than the two combined yearns for the very power Sesily possesses.
