Iskin, 2025-01-28 The first comprehensive study of Cassatt's life work and legacy through the prism of a transatlantic framework This book re-envisions Mary Cassatt in the context of her transatlantic network friendships exhibitions politics and legacy Rather than defining her as either an American artist or a French impressionist author Ruth E Iskin argues that we can best understand Cassatt through the complexity of her multiple identifications as an American patriot a committed French impressionist and a suffragist Contextualizing Cassatt's feminist outlook within the intense pro and anti suffrage debates in the United States Iskin shows how these impacted her artistic representations of motherhood fatherhood and older women *Mary Cassatt between Paris and New York* also argues for the historical importance of her work as an advisor to American collectors and demonstrates the role of museums in shaping her legacy highlighting the combined impact of gender national and transnational dynamics *Mary Cassatt, an American Observer* Mary Cassatt, 1984 American Paintings and Sculpture at the Sterling and Francine Clark Art Institute Margaret C. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir

Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes Mary Cassatt Coe Kerr Gallery (New York City),1984 **New York Magazine** ,1984-09-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Mary Cassatt** Mary Cassatt,Coe Kerr Gallery,1987 **The Phenomenology of Observation Drawing** Rose Montgomery-Whicher,2022-09-22 Based on research and grounded in experience this book offers a view into the minds and hearts of people who draw With technology at our fingertips that allows us to record and share what we see within moments drawing seems a remarkably slow and difficult way to make an image And yet drawing from observation continues to be practiced by professional and amateur artists a situation that invites the question What does observation drawing mean in the lives of those who practice it The central chapters of the book explicate the structures of the lived experience of drawing weaving phenomenological reflections into a narrative about the author drawing her sister on a train With lively accounts of drawing from hobbyists art students contemporary and historical artists Montgomery Whicher considers how the act of drawing shapes place time the body and relationships with the world and with others She addresses many facets of drawing including the connection between drawing and thinking the range of emotions felt when drawing a person and the experience of digital drawing Montgomery Whicher concludes that observation drawing warrants a place in general education as well as in the education of artists She argues that drawing will continue to thrive because it is a human practice that deepens and enriches our humanity by giving us access to keener perception greater understanding empathy and wonder This book will be of interest to anyone who has ever wondered about the appeal of drawing including professional and amateur artists philosophers and educators Ambition & Love in Modern American Art Jonathan Weinberg,2001-01-01 Focusing on extreme moments in the careers of Jean Michel Basquiat Walker Evans David Hockney Sally Mann Georgia O Keeffe Jackson Pollock Alfred Stieglitz Andy Warhol and others Weinberg explores how these individuals struggled to gain or maintain the attention of an increasingly jaded audience **BOOK JACKET** **Mary Cassatt, impressions** Mary Cassatt,Michel Melot,2005 Pr sente les gravures r alis es dans les ann es 1880 et

1890 par la peintre américaine Mary Cassatt 1844-1926 Elle fut ses débuts marquée par l'impressionnisme et les estampes japonaises et expérimenta ensuite dans des scènes intimistes l'association de la pointe sèche et de l'aquatinte en couleur
