with golden ringlets that was her film persona Marion Davies unfairly pilloried in *Citizen Kane* the original Phantom and Hunchback Lon Chaney the beautiful Talmadge sisters Norma and Constance Here are the great divas Pola Negri and Gloria Swanson the great flappers Colleen Moore and Clara Bow the great cowboys William S Hart and Tom Mix and the great lover John Gilbert Here too is the quintessential slapstick comedienne Mabel Normand with her Keystone Kops the quintessential all American hero Douglas Fairbanks and of course the quintessential all American dog Rin Tin Tin This is the first book to anatomize the major silent players reconstruct their careers and give us a sense of what those films those stars and that Hollywood were all about An absolutely essential text for anyone seriously interested in movies and with more than three hundred photographs as much a treat to look at as it is to read *Shakespeare Films* Peter E.S. Babiak,2016-05-23 This study reexamines the recognized canon of films based on Shakespeare s plays and argues that it should be broadened by breaking with two unnecessary standards the characterization of the director as auteur of a play s screen adaptation and the convention of excluding films with contemporary language or modern or alternative settings or which use the play as a subtext The emphasis is shifted from the director s contribution to the film s social cultural and historical contexts The work of the auteurs is reevaluated within present day contexts preserving the established canon while proposing new criteria for inclusion *The Divo and the Duce* Giorgio Bertellini,2019-01-15 At publication date a free ebook version of this title will be available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more In the post World War I American climate of isolationism nativism democratic expansion of civic rights and consumerism Italian born star Rodolfo Valentino and Italy s dictator Benito Mussolini became surprising paragons of authoritarian male power and mass appeal Drawing on extensive archival research in the United States and Italy Giorgio Bertellini s work shows how their popularity both political and erotic largely depended on the efforts of public opinion managers including publicists journalists and even ambassadors Beyond the democratic celebrations of the Jazz Age the promotion of their charismatic masculinity through spectacle and press coverage inaugurated the now familiar convergence of popular celebrity and political authority This is the first volume in the new Cinema Cultures in Contact series coedited by Giorgio Bertellini Richard Abel and Matthew Solomon **The Talkies** Donald Crafton,1999-11-22 This text offers readers a look at the time when sound was a vexing challenge for filmmakers and the source of contentious debate for audiences and critics The author presents a view of the talkies reception amongst other issues **The Vanishing Evangelist** Lately Thomas,2018-03-12 During the afternoon of May 18 1926 and auburn haired woman whose name was virtually an American household word went for a swim in the Pacific She was not seen to come out of the water Thousands of Californians who had thronged to hear the dynamic Aimee Semple McPherson preach at her floodlit Angelos Temple were stunned at the news of her disappearance Two people died in the attempt to find her body Services were held for her at the Temple and a memorial fund was collected Meanwhile however letters had begun to come in demanding 500 000 ransom for the return of Sister

Aimee And five weeks after the vanished Aimee turned up in a Mexican border town with a circumstantial story of having been kidnapped and then imprisoned in a desert shack and of having escaped on foot across miles of sandy wastes The missing shepherd was welcomed back to life with great rejoicing by the Temple flock But certain skeptics among them the Los Angeles district attorney had doubts about her story Why was no shack to be found that would fit her description Why was she neither sunburned nor thirsty when she returned And who was the mysterious Miss X so remarkably like the evangelist who had occupied with a Mr McIntyre a rented honeymoon cottage at Carmel by the Sea while Aimee was gone These questions led to a grand jury investigation with sensational surprised of its own and eventually brought the evangelist and certain others into court where the disclosures made were as startling and as hilarious as anything that had preceded The whole story is one of the funniest episodes from the harebrained 1920s It has been told in great and amusing detail GILBERT HIGHET It s more fun than a barrel of well Holy Rollers LESLIE HANSCOM New York Telegram and Sun It is a story far too fantastic for fiction nobody would believe it if it appeared between the covers of a novel FREDERIC BABCOCK Chicago Tribune
