and earth shattering revelations that challenge the very foundations of belief systems Are you ready to challenge what you thought you knew **Locutions to the World 2013 - Messages from Heaven about the near Future of our World**

Jesus Christ, Virgin Mary, 2018-03-17 Messages from Heaven about the near Future of our World By our Lord and Saviour Jesus Christ and our Mother of Salvation Holy Virgin Mary Virgin Mary is God's Final Preacher God is always trying to lead man away from self destruction He sends his preachers He sends his teachers But these are snuffed out Their words are not listened to and their invitations are rejected So finally he has sent me I am his final teacher his final prophet I am his last opportunity to change the course of history There is no one behind me no other message no other signs than the ones that I will give When I tell the world that it must listen to me I am not speaking from a selfish and arrogant spirit I am speaking as one who sees the destruction the hopelessness of mankind if my words are not heeded The third of five books from 2011 until 2015 *The Tree of Knowledge Is Mary's Sweet Vine* Bella Louise Allen, 2018-04-27 In the twenty first century there are

few books written as firsthand accounts of the experience of complete abandonment to God God has brought forward mystics in the past two thousand years of Christianity individuals totally devoted to him and the message of divine love and mercy He has this message for us today God's messages come with warning Warnings remind us that heaven and hell are real that sin offends and wounds the heart of God St Julie Ann as God calls her has been a vessel of the Lord since she had her first vision of Jesus Christ in 2006 No words were exchanged She walked down a hallway and knelt and kissed his feet Then she had a near death experience in 2012 God returned her to life after a surgery gone wrong This was the beginning of her great adventure and passionate love affair with her Lord Like so many of the chosen ones of God St Julie Ann is honest and uncomplicated She records her experiences in her own words without theological training She lives a consecrated life outside of a religious community and struggles to support herself and her children and grandchildren working three jobs and sacrificing for her family as much of the world does today Although Bella Louise conveys St Julie Ann's experiences from her daily lessons visions and experiences with Jesus Christ and his mother Mary the idea of Christ is with us and Mary within us is a basic belief of Christianity and Catholicism You will be reminded that the words of love and devotion spoken by Jesus to Julie Ann are words he speaks to all of us We all could live this great romance In a world without kindness Julie Ann's teaching from Mother Mary her words of compassion and care for the children of the world reminds us that we are always embraced by her maternal heart By writing this honest and true account Bella Louise Allen provides you with a compelling portrait of what it means to live with total abandonment to God while struggling to live at the same time in the everyday world Messages from the Afterlife Mary Hill, 2018-04-20 Mary Hill was spiritual as a teenager and fascinated with the

concept of death and dying She read many books on the subject but still had fear about her own death She shares her unique and spiritual experiences as a Registered Nurse and Hospice Case Manager A close relationship with each patient showed her the divine grace that accompanied the dying process as she assisted them to transition to the afterlife Several of her

patients kept their promise to appear to her after they passed This was evidence that life or consciousness continued after our physical body was dropped Mary describes her journey watching her mothers decline over the years and experienced the family dynamics that she knew so well Her mother appeared with messages of love and life lessons for facing many of her fears after her transition More hospice stories occurred as she continued as a per diem nurse and performed Reiki and Shamanic healing work Mary shares her views and personal experience on the controversial subject of medical cannabis in treating pain and anxiety Further discussion continues with her thoughts about Alternative Medicine versus Western Medicine

The Mystical World of Love Rudy Sikora,2010-02 This book is about the concealed love between Adam and Mary They loved in an unknown environment guided by a Muse to give them the ambition to experience ultimate agape love In this author s imagination he wishes to demonstrate that love on this level is feasible but only in an imaginary mind that is trying to correlate a thought of inspiration without experiencing the feeling of love Imagine the Muse trying to communicate with two minds about love almost divine but not lived in heaven The book also addresses other lifestyles which are reality The lack of courtship before consummating a marriage creates uncertainties and an ill prepared future for the sustained marriage vows promised The marriages fail resulting in bitterness and conflict over the gains attained Children suffer over the splitting of the marriages In the final analysis it boils down to men failing to satisfy all aspects of their relationship with women making a mockery of the sacred vow until death do us part

The Lost Teachings of Jesus, Book 2 Mark L. Prophet,Elizabeth Clare Prophet,2020-11-19 In Book 1 of their Lost Teachings of Jesus series Mark L Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular

parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church s doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential Mysteries of the Holy Grail Elizabeth Clare Prophet,2020-06-26 Mystics believe that the Holy Grail represents our Real Self or Higher Self In eighteen chapters Elizabeth Clare Prophet inspired by Archangel Gabriel unlocks the mystery of true Selfhood in the ongoing quest for the Holy Grail Each chapter unlocks a mystery of self and offers keys to the soul s reunion with God including unknown aspects of psychology keys to self discovery and self fulfillment lessons on karma A formula for practical day to day self mastery unfolds transforming the spirit arming us to meet each crisis personal or planetary with equanimity and empowerment You will also come to understand the inner workings of the cosmos as you learn about the unseen forces that shape our existence and how the conflicts we see all around us are part of a great drama a battle of light and darkness that began long ago And you ll discover spiritual strategies for dealing with the most complex problems of our time Our Lady Saint Mary J.G.H. Barry,2019-09-25 Reproduction of the original Our Lady Saint Mary by J G H Barry On the Edge of Grace Christine Watkins,2004-08 ON THE EDGE OF GRACE Mystical Stories of True Transformation Sometimes as human beings we find ourselves on the edge of grace At that edge an abyss falls away before us and we are helpless not to tumble into it unless grace reaches out and saves us We do not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary s presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person s life and perhaps to our own Selected Works of Mary Baker Eddy Mary Baker Eddy,2020-09-28 To day being with you in spirit what need that I should be present in propria persona Were I present methinks I should be much like the Queen of Sheba when she saw the house Solomon had erected In the expressive language of Holy Writ There was no more spirit in her and she said Behold the half was not told me thy wisdom and prosperity exceedeth the fame which I heard Both without and within the spirit of beauty dominates The Mother Church from its mosaic flooring to the soft shimmer of its starlit dome Nevertheless there is a thought higher and deeper than the edifice

Material light and shade are temporal not eternal Turning the attention from sublunary views however enchanting think for a moment with me of the house wherewith they shall be abundantly satisfied even the house not made with hands eternal in the heavens With the mind's eye glance at the direful scenes of the war between China and Japan Imagine yourselves in a poorly barricaded fort fiercely besieged by the enemy Would you rush forth single handed to combat the foe Nay would you not rather strengthen your citadel by every means in your power and remain within the walls for its defense Likewise should we do as metaphysicians and Christian Scientists The real house in which we live and move and have our being is Spirit God the eternal harmony of infinite Soul The enemy we confront would overthrow this sublime fortress and it behooves us to defend our heritage How can we do this Christianly scientific work By intrenching ourselves in the knowledge that our true temple is no human fabrication but the superstructure of Truth reared on the foundation of Love and pinnacle'd in Life Such being its nature how can our godly temple possibly be demolished or even disturbed Can eternity end Can Life die Can Truth be uncertain Can Love be less than boundless Referring to this temple our Master said Destroy this temple and in three days I will raise it up He also said The kingdom of God is within you Know then that you possess sovereign power to think and act rightly and that nothing can dispossess you of this heritage and trespass on Love If you maintain this position who or what can cause you to sin or suffer Our surety is in our confidence that we are indeed dwellers in Truth and Love man's eternal mansion Such a heavenly assurance ends all warfare and bids tumult cease for the good fight we have waged is over and divine Love gives us the true sense of victory They shall be abundantly satisfied with the fatness of Thy house and Thou shalt make them drink of the river of Thy pleasures No longer are we of the church militant but of the church triumphant and with Job of old we exclaim Yet in my flesh shall I see God The river of His pleasures is a tributary of divine Love whose living waters have their source in God and flow into everlasting Life We drink of this river when all human desires are quenched satisfied with what is pleasing to the divine Mind Perchance some one of you may say The evidence of spiritual verity in me is so small that I am afraid I feel so far from victory over the flesh that to reach out for a present realization of my hope savors of temerity Because of my own unfitness for such a spiritual animus my strength is naught and my faith fails O thou weak and infirm of purpose Jesus said Be not afraid What if the little rain should say So small a drop as I Can ne'er refresh a drooping earth I'll tarry in the sky Is not a man metaphysically and mathematically number one a unit and therefore whole number governed and protected by his divine Principle God You have simply to preserve a scientific positive sense of unity with your divine source and daily demonstrate this Then you will find that one is as important a factor as duodecillions in being and doing right and thus demonstrating deific Principle A dewdrop reflects the sun Each of Christ's little ones reflects the infinite One and therefore is the seer's declaration true that one on God's side is a majority
