All my sense of the ancient world its values its style the scent of its wars and passions comes from Mary Renault. I turned to writing historical fiction because of something I learned from Renault that it lets you shake off the mental shackles of your own era all the categories and labels and write freely about what really matters to you. EMMA DONOGHUE

There's much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes. An important and wonderful writer she set a course into serious minded psychologically intense historical fiction that today seems more important than ever. Sam Jordison Guardian
