Who's who in American Sports, 1928 [The Irish and the Making of American Sport, 1835-1920](#) Patrick R. Redmond, 2015-03-07 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly's rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman's close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA's initial international sporting ventures and in the making and breaking of amateurism within sport

The 1930s J.B. Bennington, Zenia Sacks DaSilva, 2016-04-26 In 2010 Hofstra University celebrated its 75th anniversary inviting scholars to the campus to discuss the world as it was in the year Hofstra was founded The conference 1935 The Reality and the Promise provided a wide ranging exploration of the 1930s with presentations discussions and events highlighting the arts entertainment society politics

literature and science in that momentous decade This volume encompasses a selection of the most interesting and enlightening papers from this conference providing both depth and breadth of coverage By any measure the 1930s was a pivotal decade in modern history a time when the reality of current events and the foreshadowing of events to come tempered all promise The tension between reality and promise is a recurrent theme in the chapters brought together here as well as in the personalities and faces that came to define this decade Encyclopedia of Sports Management and Marketing Linda E. Swayne, Mark Dodds, 2011-08-08 This four volume set introduces on the management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers **Encyclopedia of Jews in Sports** Bernard Postal, Jesse Silver, Roy Silver, 1965

African Americans in Sports David K. Wiggins, 2015-03-26 This two volume set features 400 articles on African Americans in sports including biographical entries as well as entries on events tournaments leagues clubs films and associations The entries cover all professional amateur and college sports such as baseball tennis and golf **Sports** John R. Gerdy, 2010-10-12 John R Gerdy knows sports inside out He has been an All American basketball player whose college jersey was retired He was briefly a professional player Later he served as an associate commissioner in the NCAA s Southeastern Conference and as a legislative and ethical advisor to the NCAA and the Knight Commission Currently he teaches courses on sports administration Now in *Sports The All American Addiction* he brings his insights and observations together in a radical critical evaluation of the impact of sports on American life This book argues that our society s huge investment in organized sports is unjustified Ardent boosters say that sports embody the American Way developing winners by teaching lessons in sportsmanship teamwork and discipline In fact Gerdy writes modern sports are eroding American life and undermining traditional American values essential to the well being of the nation and its people Like a drug this obsession allows Americans to escape problems and ignore issues Gerdy asks tough questions Have sports lost their relevance Is it just mindless entertainment Is our enormous investment in sports as educational tools appropriate for a nation that needs graduates to compete in the information based global economy of the twenty first century Do organized sports continue to promote positive ideals Or do sports in the age of television corporate sky boxes and sneaker deals represent something far different Boldly making his case Gerdy detects five causes for alarm A violent win at all cost mentality exists A greater number of spectators are idly watching the few elite athletes An athletic culture that is anti intellectual systematically

creates dumb jocks While bridges inner cities and schools are crumbling tremendous sums of tax dollars vanish to wealthy owners millionaire players and to college athletic programs Studies show that sports are no more effective in promoting equality than any other American institution Can organized sports be restructured The author concludes with a series of daring suggestions for change Canadian Moving Picture Digest ,1918 **Exhibitors Daily Review** ,1921
