Mewett, Morris Manning, 1994-01-01 *Manning, Mewett and Sankoff* Morris Manning, Peter Sankoff, 2015 *The 325: Canada's Criminal Code (w/ Other Acts) - a Case Compilation*, A case compilation of the 325 most cited CC Extradition Act and Charter cases that I compiled to facilitate a one file download Assumes a person doesn't want to take the time to immerse themselves in case stream and nuances of the topic in CANLII.org where I obtained the cases and did the digesting of same myself to put it all together for you **Understanding Violent Crime** Jones, Stephen, 2000-12-01 How widespread is violence Why do people engage in various forms of violence What can be done to reduce the level of violence *Understanding Violent Crime* provides a concise yet thorough and extensive account of the main explanations of violent behaviour It draws upon sociological and psychological perspectives on violence as part of a coherent approach to the study of a phenomenon that raises wide public concern There is also a focus on the ways in which violence is considered by the criminal justice system Definitions of the main violent offences including violent sexual offences are discussed and some indication of the levels of sentencing in particular cases is provided The final chapter then considers ways in which offenders are able to confront their violent behaviour within the criminal justice system Frequent references to the definitions and treatment of violence in Australia Canada New Zealand and the USA give the book a distinctive comparative perspective The result is a wide ranging and essential undergraduate text and a key reference for researchers in the field *Manning, Mewett and Sankoff* Morris Manning, Peter J. Sankoff, Alan W. Mewett, 2015 **Criminal Law** Markus Dubber, Tatjana Hörnle, 2014-03-27 *Criminal Law A Comparative Approach* presents a systematic and comprehensive analysis of the substantive criminal law of two major jurisdictions the United States and Germany Presupposing no familiarity with either US or German criminal law the book will provide criminal law scholars and students with a rich comparative understanding of criminal law's foundations and central doctrines All foreign language sources have been translated into English cases and materials are accompanied by heavily cross referenced introductions and notes that place them within the framework of each country's criminal law system and highlight issues ripe for comparative analysis Divided into three parts the book covers foundational issues such as constitutional limits on the criminal law before tackling the major features of the general part of the criminal law and a selection of offences in the special part Throughout readers are exposed to alternative approaches to familiar problems in criminal law and as a result will have a chance to see a given country's criminal law doctrine on specific issues and in general from the critical distance of comparative analysis The Criminal Law Quarterly, 2010 **Justice in Aboriginal Communities** Ross Gordon Green, 1998-08-01 Combining qualitative research personal experience and scholarly literature Ross Green looks at the evolution of the Canadian criminal justice system and the values upon which it is based against the Aboriginal concepts of justice Using his personal experiences as a defence lawyer case studies of several

communities as well as interviews with judges prosecutors community leaders and participants in sentencing circles sentencing panels and mediation committees Green approaches the criminal justice system from multiple angles Against this backdrop he analyzes the successes of and challenges to the innovative sentencing approaches currently evolving in Aboriginal communities

Punishment and Freedom Alan Brudner, 2012-03-23 This book sets out a new understanding of the penal law of a liberal legal order The prevalent view today is that the penal law is best understood from the standpoint of a moral theory concerning when it is fair to blame and censure an individual character for engaging in proscribed conduct By contrast this book argues that the penal law is best understood by a political and constitutional theory about when it is permissible for the state to restrain and confine a free agent The book's thesis is that penal action by public officials is permissible force rather than wrongful violence only if it could be accepted by the agent as being consistent with its freedom There are however different conceptions of freedom and each informs a theoretical paradigm of penal justice generating distinctive constraints on state coercion Although this plurality of paradigms creates an appearance of fragmentation and contradiction in the law the author argues that the penal law forms a complex whole uniting the constraints on punishment flowing from each paradigm

Alcohol and

Crime Gavin Dingwall, 2013-07-23 Alcohol is massively associated with crime Evidence from the British Medical Association found that alcohol use is associated with 60 70 per cent of murders 70 per cent of stabbings 50 per cent of fights or assaults in the home For non violent offences the association is very strong as well 88 per cent of those arrested for criminal damage 83 per cent for breach of the peace 41 per cent for theft and 26 per cent for burglary had drunk in the four hours prior to their arrest At the same time there has been intense concern about public drunkenness in town and city centres especially on the part of young people and the cost and damage this causes This book seeks to understand the nature of the connection between alcohol and crime and the way the criminal justice system responds to the problem providing a clear and accessible account and analysis of the subject It draws upon a wide range of sources and research findings and also sets the subject within a broader comparative context It takes an interdisciplinary approach and includes a sociological account of the role of alcohol in British society a criminological analysis of the link between alcohol and crime and a philosophical consideration of individual responsibility for harm caused whilst intoxicated and a legal analysis of different approaches that can be adopted as a response to alcohol related offending

Commonwealth Caribbean Business Law Natalie Persadie, Rajendra Ramlogan, 2015-07-30 Now in its third edition Commonwealth Caribbean Business Law continues to break away from the traditional English approach of treating business law primarily as the law of contract and agency Taking a panoramic view it explores the foundation of various legal systems before examining areas of legal liability that affect business activities These include areas such as contract law tort law criminal law agency and internet law which present significant challenges confronting the business sector The book primarily targets the development of business law principles in several Caribbean Commonwealth jurisdictions but where appropriate also embraces the jurisprudence of other Commonwealth nations such as the United Kingdom Canada and Australia It also explores the United States as a non Commonwealth jurisdiction given the increasing importance in the Caribbean of judicial pronouncements relating to internet law from this territory Using excerpts from key judgments the book allows students particularly those with a non legal background to understand key legal principles for business as presented by the judiciary and draws parallels between legal theory and business practice

Crime and Criminal Justice in Europe and Canada John Hamilton Baker, Calgary Institute for the Humanities, 1981-07-13 How is modern day thinking about crime different from that of previous centuries What are the similarities and differences in attitudes and systems between the civil and common law societies of Europe and North America These and other questions were addressed at an international conference on crime and criminal justice at The University of Calgary attended by historians professors of law judges and criminologists The essays in Part I consider the evolution of criminal law doctrine and those in Part II analyse the theory and measurement of crime in the past and at present Parts III and IV examine the courts and prosecution and Part V assesses the historical roots of the insanity defence and the theory and practice of punishment The volume will be of interest across national boundaries to historians sociologists social workers lawyers and persons
