Mexican Standoff

Wil G. Pansters

Mexican Standoff:

Mexican Standoff Giles Tippet, 1994 Tippet is one of today's freshest Western storytellers and the author of the tie-in novelization of the motion picture *Tombstone*. Here he tells the story of horseman Warner Grayson who becomes engaged to his partner Laura Pico and gets a job with rancher Justa Williams, one of Tippet's most memorable characters.

Outside the Box Taylor Sapp, 2020-09-29 Get students engaged in reading and writing with story prompts that are a bit outside the box. 35 new unfinished story prompts from award-winning author Taylor Sapp. This new collection in the style of 2019 ELTon finalist *Stories Without End* focuses on sci-fi/fantasy stories. What's new in this collection is 15 long finished stories to accompany 15 of the story prompts. Use these as inspiration or have students read them as literature in their own right. Help students explore interesting topics and relevant social issues through the lens of fiction. Example stories include: A genie offers three wishes but there are rules. A smartphone with an amazing new feature. What is it? A sleep demon that punishes students who fall asleep in class. A woman discovers her pets can talk and they have something to tell her. A world where everyone interacts through virtual reality, never actually leaving home. Bio-engineered babies have become the norm and this couple just won a free psychic baby. A story about a haunted apartment. But the rent is so cheap. What did they really find in Pandora's Box. *Bushwhackers 05: Mexican Standoff* B. J. Lanagan, 1998-04-01 During the Civil War they sought justice outside of the law, paying back every Yankee raid with one of their own. No man could stop them. No woman could resist them. And no Yankee stood a chance when Win and Joe Coulter rode into town. Normally the Coulter brothers wouldn't pay any mind to some varmint's love life. But Win and Joe are down to their last dollars so they agree to find the guy's long lost lover, a little filly named Cat Clay. It seems like their easier job yet. Except that Cat is living smack dab in the middle of a Mexican ranch war with bullets flying thicker than blazes. Now they have to find a ruthless killer, settle a ranch dispute, and rescue a very lovely lady in distress without ending up six feet under. All in a day's work for these two men from Missouri.

Mexican Standoff William Everson, 1989 **The China-India Rivalry in the Globalization Era** T.V. Paul, 2018-09-03 As the aspirations of the two rising Asian powers collide, the China-India rivalry is likely to shape twenty-first century international politics in the region and far beyond. This volume by T.V. Paul and an international group of leading scholars examines whether the rivalry between the two countries that began in the 1950s will intensify or dissipate in the twenty-first century. The China-India relationship is important to analyze because past experience has shown that when two rising great powers share a border, the relationship is volatile and potentially dangerous. India and China's relationship faces a number of challenges, including multiple border disputes that periodically flare up, division over the status of Tibet and the Dalai Lama, the strategic challenge to India posed by China's close relationship with Pakistan, the Chinese navy's greater presence in the Indian Ocean, and the two states' competition for natural resources. Despite these irritants, however, both countries agree on issues such as global financial reforms and climate change and have much to gain from increasing trade and investment, so

there are reasons for optimism as well as pessimism The contributors to this volume answer the following questions What explains the peculiar contours of this rivalry What influence does accelerated globalization especially increased trade and investment have on this rivalry What impact do US China competition and China s expanding navy have on this rivalry Under what conditions will it escalate or end The China India Rivalry in the Globalization Era will be of great interest to students scholars and policymakers concerned with Indian and Chinese foreign policy and Asian security *The Sino-Indian Rivalry* Šumit Ganguly, Manjeet S. Pardesi, William R. Thompson, 2023-06-29 Drawing on a wide body of literature on international rivalries this comprehensive and theoretically grounded work explains the origins and evolution of the Sino Indian rivalry Contrary to popular belief the authors argue that the Sino Indian rivalry started almost immediately after the emergence of the two countries in the global arena They demonstrate how the rivalry has systemic implications for both Asia and the global order intertwining the positional and spatial dimensions that lie at the heart of the Sino Indian relationship Showing how this rivalry has evolved from the late 1940s to the present day the essays in this collection underscore its significance for global politics and highlight how the asymmetries between India and China have the potential to escalate conflict in the future

Communicating Race, Ethnicity, and Identity in Technical Communication Miriam Williams, Octavio Pimentel, 2016-12-05 The purpose of this book is to move our field s discussion beyond issues of diversity in the practice of technical communication which is certainly important to include discussions of how race and ethnicity inform the production and distribution of technical communication in the United States Equally important this book is an attempt to uncover those communicative practices used to adversely affect historically marginalized groups and identify new practices that can be used to encourage cultural competence within institutions and communities This book like our field is an interdisciplinary effort While all authors have taught or practiced technical communication their backgrounds include studies in technical communication rhetoric and composition creative writing and higher education For the sake of clarity the book is organized into five sections historical representations of race and ethnicity in health and science communication social justice and activism in technical communication considerations of race and ethnicity in social media users right to their own language and communicating identity across borders cultures and disciplines The Dickson Baseball Dictionary (Third Edition) Paul Dickson, 2011-06-13 The definitive work on the language of baseball one of the Five Best Baseball Books Wall Street Journal Hailed as a staggering piece of scholarship Wall Street Journal and an indispensable guide to the language of baseball San Diego Union Tribune The Dickson Baseball Dictionary has become an invaluable resource for those who love the game Drawing on dozens of nineteenth and early twentieth century periodicals as well as contemporary sources Dickson s brilliant illuminating definitions trace the earliest appearances of terms both well known and obscure This edition includes more than 10 000 terms with 18 000 individual entries and more than 250 photos This impressively comprehensive The Nation book will delight everyone from the youngest fan to the hard core aficionado Riddle of Common Sense C. B. Cooper, 2011

Tugboats and Taxis of NYC Michael Scanlon, 2014-10-14 Drive through the streets of New York City with your ever so friendly cab driver in town Tug Boats and Taxis of NYC is a collection of short stories about the different commuters in the city that never sleeps from a cab driver's perspective It reflects the daily experiences of the different kinds of people you will see in New York City This witty cab driver in the big apple will surely make your everyday worthwhile Filled with euphemisms humor drama love and even a bit of sarcasm Tug Boats and Taxis of NYC will definitely make you want or not to ride this cab Read on You never know you might just read your own story

The Narrow Road Felix Dennis, 2011-04-14 One of the world's most successful media moguls shares eighty eight tips for starting a business and getting rich In *How to Get Rich* British mogul Felix Dennis told the engaging story of how he started a media empire and became one of the wealthiest men in Britain all without a college degree or any formal training Now he shows readers exactly what it takes to start a business and make it successful Dennis offers a pithy guide for those determined to attempt what he calls the getting of money regardless of the consequences His eighty eight tips include Do not fall in love with any project You may believe in it wholeheartedly but must remain prepared to abandon it should it show signs of failing If you are unwilling to fail sometimes publicly and even catastrophically you will never be rich You will never get rich working for your boss No one knows better than Dennis what it takes to get rich and his battle tested advice delivered with his signature wit will surely appeal to serious entrepreneurs

Violence, Coercion, and State-Making in Twentieth-Century Mexico Wil G. Pansters, 2012-05-30 Mexico is currently undergoing a crisis of violence and insecurity that poses serious threats to democratic transition and rule of law This is the first book to put these developments in the context of post revolutionary state making in Mexico and to show that violence in Mexico is not the result of state failure but of state making While most accounts of politics and the state in recent decades have emphasized processes of transition institutional conflict resolution and neo liberal reform this volume lays out the increasingly important role of violence and coercion by a range of state and non state armed actors Moreover by going beyond the immediate concerns of contemporary Mexico this volume pushes us to rethink longterm processes of state making and recast influential interpretations of the so called golden years of PRI rule *Violence Coercion and State Making in Twentieth Century Mexico* demonstrates that received wisdom has long prevented the concerted and systematic study of violence and coercion in state making not only during the last decades but throughout the post revolutionary period The Mexican state was built much more on violence and coercion than has been acknowledged until now

The Concise New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2014-11-27 The Concise New Partridge Dictionary of Slang and Unconventional English presents all the slang terms from The New Partridge Dictionary of Slang and Unconventional English in a single volume Containing over 60 000 entries this concise new edition of the authoritative work details the slang and unconventional English of from around the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized

Partridge's own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this second edition a new preface noting slang trends of the last eight years over 1 000 new entries from the US UK and Australia reflecting important developments in language and culture new terms from the language of social networking from a range of digital communities including texting blogs Facebook Twitter and online forums many entries now revised to include new dating and new glosses ensuring maximum accuracy of content The Concise New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language

The New Partridge Dictionary of Slang and Unconventional English: J-Z

Eric Partridge, 2006 Entry includes attestations of the head word's or phrase's usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews.com Dictionary of Jargon (Routledge Revivals) Jonathon Green, 2013-10-02 First published in 1987 the Dictionary of Jargon expands on its predecessor Newspeak Routledge Revivals 2014 as an authoritative reference guide to specialist occupational slang or jargon Containing around 21 000 entries the dictionary encompasses a truly eclectic range of fields and includes extensive coverage of both British and U S jargon Areas dealt with range from marketing to medicine from advertising to artificial intelligence and from skiing to sociology This is a fascinating resource for students of lexicography and professional lexicographers as well as the general inquisitive reader

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social

networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it s rude it s delightful and it s a prize for anyone with a love of language *The Kassa Gambit* M. C. Planck,2013-01-08 Far from Earth an outlaw and a cop are the first on the scene when an alien ship crashes on a human colony The Facts on File Dictionary of American Regionalisms Robert Hendrickson,2000-10-30 Provides definitions and examples of words and phrases used in different geographical regions of the United States **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 Vocabulario Vaquero/Cowboy Talk Robert N. Smead,2004 Spanish is an important source for terms and expressions that have made their way into the English of the southwestern United States Vocabulario Vaquero Cowboy Talk is the first book to list all Spanish language terms pertaining to two important activities in the American West ranching and cowboying with special reference to American Indian terms that have come through Spanish In addition to presenting the most accurate definitions available this A to Z lexicon traces the etymology of words and critically reviews and assesses the specialized English sources for each entry It is the only dictionary of its kind to reference Spanish sources The scholarly treatment of this volume makes it an essential addition to the libraries of linguists and historians interested in Spanish English contact in the American West Western enthusiasts of all backgrounds will find accessible entries full of invaluable information Robert N Smead is Associate Professor of Linguistics in the Department of Spanish and Portuguese at Brigham Young University Ronald Kil is a New Mexico cowboy and artist who has worked on ranches and feedlots all over the West Richard W Slatta is Professor of History at North Carolina State University and the author of numerous books including *Comparing Cowboys* and *Frontiers*
