This collection of articles under the title Land and Liberty was first published by the Organising Junta of the Mexican Liberal Party in Los Angeles California in 1913 It was intended to be the first of a series of booklets to explain to English speaking readers mainly in North America the aims and ideas of the Mexican Liberal Party and the true social aspect of the Mexican Revolution ignored by the general press Some of articles published in Land and Liberty

first appeared in *Regeneration* during the years 1910-1912 and were written by Ricardo Flores Magón, William C. Owen and Antonio de Padua Araujo. **Mexico, NAFTA and the Hardships of Progress** Richard Krooth, 2024-10-18 Since the 16th century Mexico has in many ways been held captive by outsiders. In the modern era outsiders have most often made their impact through control of the Mexican economy and helping to establish a ruling elite while millions of ordinary citizens face abject poverty. With the advent of the North American Free Trade Agreement (NAFTA) Mexico's leadership predicted a new wave of economic progress in the country. However a devaluation of the peso showed that the Mexican economy was as problematical as before. This work first examines the sociopolitical history of the country and how the events of the past continue to influence the government's policies. Mexico's post-NAFTA future is then explored with particular emphasis placed on how economic policy could evolve in a period of free trade. A 2013 postscript concludes the work.
