

A large yellow sculpture, known as the 'L' and '7' monument, stands prominently on a hillside. The sculpture is composed of two main parts: a large 'L' on the left and a large '7' on the right. The 'L' is a simple, thick, yellow L-shaped structure. The '7' is a more complex, three-dimensional structure with a thick yellow frame. The base of the sculpture is a circular area with a red and white patterned design. The background shows a panoramic view of a city, likely Ciudad Juárez, with a highway and a bridge visible in the distance. The sky is clear and blue.
