Ballinger, Jr., Miami Millions John Maccabee,1980 **George Merrick, Son of the South Wind** Arva Moore Parks,2015-11-03 The story of developers selling off the Sunshine State is as old as the first railroad tracks laid across the peninsula But seldom do we hear about the men who actually built a better Florida In *George Merrick Son of the South Wind* South Florida historian Arva Moore Parks recounts George Merrick s quest to distinguish himself from the legions of developers who sought only profit Helping to create the land boom of the 1920s Merrick transformed his family s citrus grove just outside of Miami into one of the finest planned communities the master suburb of Coral Gables With a team of architects and city planners he built homes for the growing middle class in the Mediterranean Style using local stone and he invested in public infrastructure by designing and building parks and pools trolley lines and waterways He pledged land for a library and the university that would become the University of Miami Hailed in national publications as a visionary Merrick was green before green a New Urbanist before the movement even had a name As Coral Gables and Merrick prospered he reinvested in education affordable housing and other progressive causes But the Great Depression ravaged Miami and Merrick s idealism cost him his fortune He died with an estate worth less than 400 With unprecedented access to the Merrick family and mining a treasure trove of Merrick s personal letters documents speeches and manuscripts Parks presents the remarkable story of George Merrick and the development of one of the nation s most iconic planned cities *The Florida Land Boom of the 1920s* Gregg M. Turner,2015-05-11 During the Roaring Twenties millions of Americans moved to the Sunshine State seeking quick riches in real estate Many made fortunes others returned home penniless Within a few years thousands of residential subdivisions palatial estates inviting apartment buildings and impressive commercial complexes were built Opulent theaters and imposing churches opened along with hundreds of municipal projects A unique architectural theme emerged today known as Mediterranean Revival Railways and highways saw a renaissance New cities Boca Raton Hollywood by the Sea Venice were built from scratch and dozens of existing communities like St Petersburg Fort Lauderdale and Orlando were forever transformed by the speculative fever Florida has experienced numerous land booms but none more sweeping than

that of the 1920s This illuminating account details how one of the greatest migration and development episodes in American history began reached dizzying heights then rapidly collapsed The MiamiMillions Success Guide: Brian Cliette,2014-06-04 The MiamiMillions Success Guide Your Invitation to Making Profits The opportunities to build massive wealth are available to everyone Entrepreneurs have helped shape the past and the present of our global economy and they will continue to forge a healthy economy for the future The eBook The MiamiMillions Success Guide imparts the information necessary to learning how financial independence is achieved through Internet marketing Any new endeavor can cause paralysis by analysis Learning how to generate massive and passive funnels of income is a worthy endeavor MiamiMillions shares informative and actionable marketing precepts and expresses how to create a very lucrative business Many entrepreneurs earn respectable revenue and many more entrepreneurs experience explosive incomes relative to following the steps that are presented in this book MiamiMillions is a personal invitation to making profits by replacing the limitations on earning income with measurable actions that can build on going financial wealth Read each chapter thoroughly Take a few days and become familiar with the ideas precepts and suggestions that are shared and then come back and reread the entire book again There are two reasons for doing this One is to allow you to become accustomed to the information shared Reading too much information at one time can overwhelm and delay putting the knowledge that is learned into action The second reason is to share information that is immediately actionable Practice is how skills are developed The information in this book is designed to fine tune your mind into an attraction source of money generating ideas that will shift your thinking from passive to wealth attracting action taker However none of the wealth building principles in this book will work unless they are applied and modified into a personal wealth generating strategy tailored by the individual who will benefit most from its use you Many of the tools described in these pages are accessible on the Web with as little personal investment as a computing device and a connection to the Internet Purchasing this book is a pivotal investment for a wealthy future Read the principles outlined in this book and use them with confidence The principles described work when they are followed diligently Please be aware any information in this book is for educational purposes solely and you should always consult with a fiduciary professional for any implicit guidance that may fall outside of the suggestions in this book Unless the reader is an aforementioned professional the items in this book should never pertain to personal investment practice without professional consultation The strategies included herein are suggestions to building an income from wealth generating opportunities already in practice Express diligence and research before embarking upon any financial endeavor is encouraged and is highly recommended Welcome to the MiamiMillions Success Guide Your Invitation to Making Profits Interstate Land Before a Subcommittee of ..., 89-2 on S.2672, June 21, 22, August 18, 1966 United States.
