From Sandlots to the Super Bowl Craig R. Coenen, 2023-08-31 The National Football League that celebrated its first Super Bowl in 1967 bore scant resemblance to the league of its obscure origins In its earliest years the league was a ragtag collection of locally supported small town teams that generated attention only in the locales in which they played if they were lucky Many teams received no support at all Only after enduring a slow often treacherous journey did the enterprise of professional football reach its position as the king of the sports world by the late 1960s In *From Sandlots to the Super Bowl* Craig R Coenen recounts the NFL s ascension from a cash strapped laughingstock to a perennial autumn obsession for millions of sports fans It offers an in depth summary of the NFL s early years and its struggles to build an identity This book shows how the fledgling NFL of the 1920s and 1930s attempted to build support both on a local and national scale Considered a sport of hooligans and lower class athletes professional football paled in comparison to the reputations of competing sports such as college football and professional baseball Even more difficult for the league developing civic support for franchises proved an almost impossible task Teams would spring up and disappear overnight generating hardly any notice among sports fans Coenen shows how the league s survival depended on small town franchises being able to tap into the civic pride and larger economic interests of nearby growing urban centers This book also details how the league faced challenges from rival leagues the government and at times itself Finally it documents how the NFL mastered the use of new technologies like television to market itself generate new revenue and secure its financial future This book approaches the history of the National Football League not only with stats and scores but with what happened beyond the gridiron Starting in Canton and Massillon and ending in Los Angeles with Super Bowl I *From Sandlots to the Super Bowl* offers an entertaining and absorbing look at the first five decades of America s most popular professional sport *Penn State Football Yearbook*, 1995 *The 2000 Volume Library Yearbook*, 2000 **Current Biography Yearbook 2004** Clifford Thompson, Hw Wilson, 2004-01-30 Presents biographical articles about living leaders in all fields of human accomplishment throughout the world arranged alphabetically with a cumulative index to the January 2001 November 2004 issues as well as an index of professions **Training and Development Yearbook**, 1996 **Funk & Wagnalls New Encyclopedia Yearbook, 1991**, 1991 *Complete Guide to Football, Basketball & Hockey Memorabilia* Mark K.
