*Missing Masterpieces* Gert-Rudolf Flick, 2003 The author shines the spotlight on missing works of art revealing the lost treasure of paintings that have vanished over the centuries and the colorful human stories that accompany each **Bernard Berenson, the Making of a Legend** Ernest Samuels, Jayne Samuels, 1987 Controversy swirls around Bernard Berenson today as it did in his middle years before and between two world wars Who was this man this supreme connoisseur of Italian Renaissance painting How did he support his elegant estate near Florence his Villa I Tatti What exactly were his relations with the art dealer Joseph Duveen What part did his wife Mary play in his scholarly work and professional career The answers are to be found in the day to day record of his life as he lived it as reported at first hand in his and Mary's letters and diaries and reflected in the countless personal and business letters they received His is one of the most fully documented lives of this century Ernest Samuels having spent twenty years studying the thousands of letters and other manuscripts presents his story in absorbing detail Berenson helped Isabella Stewart Gardner build her great collection and performed similar though lesser services for other wealthy Americans It was merely an avocation and a useful source of income his vocation was scholarship But after 1904 when the book opens his expertise was in ever greater demand a purchaser's only assurance of the authorship of an Italian painting was the opinion of an expert and in this field Berenson was pre eminent Increasingly he was drawn into the lucrative world of the art dealers inevitably Joseph Duveen found it essential to enlist his services at first ad hoc then by contractual agreement Samuels charts the course of Berenson's long association with Duveen Brothers detailing the financial arrangements the humdrum chores and major contested attributions the periodic clashes between the stubborn scholar and the arrogant entrepreneur The portrayal of Berenson's relationship with Mary is especially intriguing a union of opposites in all but brains and wit bonded despite love affairs jealousies recriminations no longer by passion but by shared concerns Impinging on their lives are those of a huge circle of friends and acquaintances in America and the beau monde of Europe Both as biography and as a chapter of social and cultural history it is a compelling book

**The Lost Painting** Jonathan Harr, 2005-10-25 Told with consummate skill by the writer of the bestselling award winning *A Civil Action* *The Lost Painting* is a remarkable synthesis of history and detective story An Italian village on a hilltop near the Adriatic coast a decaying palazzo facing the sea and in the basement cobwebbed and dusty lit by a single bulb an archive unknown to scholars Here a young graduate student from Rome Francesca Cappelletti makes a discovery that inspires a search for a work of art of incalculable value a painting lost for almost two centuries The artist was Caravaggio a master of the Italian Baroque He was a genius a revolutionary painter and a man beset by personal demons Four hundred years ago he drank and brawled in the taverns and streets of Rome moving from one rooming house to another constantly in and out of jail all the while painting works of transcendent emotional and visual power He rose from obscurity to fame and wealth but success didn't alter his violent temperament His rage finally led him to commit murder forcing him to flee Rome a hunted

man He died young alone and under strange circumstances Caravaggio scholars estimate that between sixty and eighty of his works are in existence today Many others no one knows the precise number have been lost to time Somewhere surely a masterpiece lies forgotten in a storeroom or in a small parish church or hanging above a fireplace mistaken for a mere copy Prizewinning author Jonathan Harr embarks on an spellbinding journey to discover the long lost painting known as The Taking of Christ its mysterious fate and the circumstances of its disappearance have captivated Caravaggio devotees for years After Francesca Cappelletti stumbles across a clue in that dusty archive she tracks the painting across a continent and hundreds of years of history But it is not until she meets Sergio Benedetti an art restorer working in Ireland that she finally manages to assemble all the pieces of the puzzle Praise for The Lost Painting Jonathan Harr has gone to the trouble of writing what will probably be a bestseller rich and wonderful In truth the book reads better than a thriller If you re a sucker for Rome and for dusk you ll enjoy Harr s more clearly reported details about life in the city The New York Times Book Review Jonathan Harr has taken the story of the lost painting and woven from it a deeply moving narrative about history art and taste and about the greed envy covetousness and professional jealousy of people who fall prey to obsession It is as perfect a work of narrative nonfiction as you could ever hope to read The Economist **The Missing Masterpiece** Jeanne M.
