Michael Chien De Cirque:

Present Pasts Dervila Cooke, 2005 This is the first in depth study of the twelve Modiano texts specifically concerned with life writing in autobiographical and biographical cum historiographical projects The texts covered range from *La Place de l'toile* 1968 through to *La Petite Bijou* 2001 Close textual analysis is combined with a theoretical approach based on current thinking in autobiography biography and reader response Modiano's use of autofiction and biofiction is analysed in the light of his continuing obsession with both personal trauma and History as well as his problematic relationship with his paternally inherited Jewish links His view of identity of self and other is thus discussed in relation to a particular literary and socio historical context French postmodern post World War II and post Holocaust **Michael, chien de cirque** Jack
