Evans,1917 **New York Supreme Court, Appellate Term New York County** ,1907 **From Priest's Whore to Pastor's Wife** Marjorie Elizabeth Plummer,2016-04-22 On 13 June 1525 Martin Luther married Katharina von Bora a former nun in a private ceremony officiated by city preacher Johann Bugenhagen Whilst Luther was not the first former monk or Reformer to marry his marriage immediately became one of the iconic episodes of the Protestant Reformation From that point on the marital status of clergy would be a pivotal dividing line between the Catholic and Protestant churches Tackling the early stages of this divide this book provides a fresh assessment of clerical marriage in the first half of the sixteenth century when the debates were undecided and the intellectual and institutional situation remained fluid and changeable It investigates the way that clerical marriage was received and viewed in the dioceses of Mainz and Magdeburg under Archbishop Albrecht of Brandenburg from 1513 to 1545 By concentrating on a cross section of rural and urban settings from three key regions within this territory Saxony Franconia and Swabia the study is able to present a broad comparison of reactions to this contentious issue Although the marital status of the clergy remains perhaps the most identifiable difference between Protestant and Roman Catholic churches remarkably little research has been done on how the shift from a celibate to a married clergy took place during the Reformation in Germany or what reactions such a move elicited As such this book will be welcomed by all those wishing to gain greater insight not only into the theological debates but also into the interactions between social identity governance and religious practice 2012 Annual Report ,2012-11 The Council on Foreign Relations CFR is an independent nonpartisan membership organization think tank and publisher dedicated to being a resource for its members government officials business executives journalists educators and students civic and religious leaders and other interested citizens in order to help them better understand the world and the foreign policy choices facing the United States and other countries Register of Commissioned and Warrant Officers of the United States Naval Reserve ,1984 *New York Magazine* ,1983-12-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Advances in Astronomy** J.
