Modern Amazons Warrior Women on Screen documents the public's seemingly insatiable fascination with the warrior woman archetype in film and on television. The book examines the cautious beginnings of new roles for women in the late fifties, the rapid development of female action leads during the burgeoning second wave feminist movement in the late sixties and seventies, and the present day onslaught of female action characters now leaping from page to screen. The book itself is organized into chapters that group women warriors into sub-genres: e.g. classic Amazons like Xena Warrior Princess and the women of the Conan films; superheroes and their archenemies such as Wonder Woman, Batgirl, and Catwoman; revenge films such as the Kill Bill movies; Sexploitation and Blaxploitation films such as Coffy and the Ilsa trilogy; Hong Kong cinema and warriors like Angela Mao, Cynthia Rothrock, and Zhang Ziyi; sci-fi warriors from Star Trek, Blade Runner, and Star Wars; supersleuths and spies like the Avengers and Charlie's Angels; and gothic warriors such as Buffy the Vampire Slayer and Kate Beckinsale in Underworld and Van Helsing. In addition, the book is lavishly illustrated with over 400 photos of these popular culture icons in action, interesting articles and sidebars about themes, trends, weapons, style, and trivia, as well as a complete filmography of more than 150 titles.

**Sun of Many Colors** Jacob Snow, 2014-07-01 This is not a book about Religion. Using the real birthday of Jesus, kinda plus fractals and other patterns found in nature, I have created several new zodiac charts to help locate and describe the evil ones among us. I gave these charts such names as Heaven to Hell, Child, Teen, Adult, Leaping Lizards, and my favorite, The Wheel of Good Evil. With certain specific patterns, I was able to locate such horrible people as The Professional Victims, People of Rage, and The Laughing Idiots. A Health Chart is included that might help you feel better and look younger for years longer. It uses the separation of white light through a prism or the power of 3 to let you know who on the zodiac wheel might help in restoring you back to life. If hell is other people, then heaven can be other people too. Names were given to all 12 zodiac zones on the wheel, and most of the evil subzones too. These names describe the basic essence of those individuals who were born inside those zones. Some of the names given include **The Kinetic**. J. The Altered realm Series is a paranormal romance in a fantasy otherworld setting with plenty of action and fate to decide their destinies.
