**Richard Golsan**

## **Models Of Desire Rene Girard And The Psychology Of Mimesis:**

**Models of Desire** Paisley Livingston, 1992      Models of Desire Paisley Livingston, 1992 One of the signal achievements of Livingston's investigation is to highlight distinctions, qualifications and nuances in Girard's own writings that to date have gone largely unnoticed and that ultimately further the scientific potential of his ideas by      *René Girard's Mimetic Theory* Wolfgang Palaver, 2013-01-01 A systematic introduction into the mimetic theory of the French American literary theorist and philosophical anthropologist Ren Girard this essential text explains its three main pillars: mimetic desire, the scapegoat mechanism and the Biblical difference with the help of examples from literature and philosophy. This book also offers an overview of Ren Girard's life and work showing how much mimetic theory results from existential and spiritual insights into one's own mimetic entanglements. Furthermore, it examines the broader implications of Girard's theories from the mimetic aspect of sovereignty and wars to the relationship between the scapegoat mechanism and the question of capital punishment. Mimetic theory is placed within the context of current cultural and political debates like the relationship between religion and modernity, terrorism, the death penalty and gender issues. Drawing textual examples from European literature: Cervantes, Shakespeare, Goethe, Kleist, Stendhal, Storm, Flaubert, Dostoevsky, Proust and philosophy: Plato, Camus, Sartre, Levinas, Strauss, Derrida, Vattimo. Palaver uses mimetic theory to explore the themes they present. A highly accessible book, this text is complemented by bibliographical references to Girard's widespread work and secondary literature on mimetic theory and its applications comprising a valuable bibliographical archive that provides the reader with an overview of the development and discussion of mimetic theory until the present day.

**Psychology and the Meconnaissance of Desire** Lisa Danner Finlay, 2011 Ren Girard critiques psychologists for their *meconnaissance* or misunderstanding of human desire. He theorizes that rather than a linear relationship between a subject and an object chosen for its inherent value, desire is a radically imitative, profoundly interpersonal phenomenon that results in conflict when desires coalesce on objects that cannot be shared. The ramifications of Girard's mimetic theory challenge several foundational assumptions in psychology including the idea of an independent, autonomous self and the notion of psychological symptoms and interpersonal problems as manifestations of intrapsychic conflict. Incorporating mimetic theory into existing theories of mental illness and treatment provides a valuable corrective for the practice of psychotherapy, particularly in terms of conceptualizing psychopathology, navigating the therapeutic relationship and guiding therapeutic interventions. The author's goal is to evaluate mimetic theory and translate it into concepts and techniques that therapists can utilize within their preferred treatment modalities. It is argued that ultimately incorporating mimetic theory into treatment should include a cooperative effort to evaluate the models that shape clients' desires and that this can help clients learn to adopt good models conscientiously, a process that goes beyond the boundaries of a neutral, secular psychotherapy and into the realms of theology and ethics. Keywords: mimesis, desire, violence, psychotherapy.

*Rene Girard and Myth* Richard Golsan, 2014-06-11 In this comprehensive introduction to

the work of contemporary French critic Rene Girard Richard Golsan focuses on Girard's theory of myth and its connections to his broader exploration of the origins of suffering and violence in Western culture Golsan highlights two of Girard's primary concepts mimetic desire and the scapegoat and employs the concepts to illustrate the ways Girardian analysis of violence in biblical classical and folk myths has influenced recent work in theology psychology literary studies and anthropology The book concludes with an interview between Golsan and Girard who offers his own analysis of the appropriation and criticism of his work by a politically and intellectually diverse company of scholars Mimetic Theory and Biblical Interpretation

Michael Hardin,2017-06-19 For close to two thousand years Christian theology has been captivated by a sacrificial rendering of the Gospel that renders God as retributive arbitrary and Janus faced In the past fifty years a non sacrificial way of perceiving the Gospel God and the mission and message of Jesus has challenged this sacrificial hegemony Now what began as a trickle in the 1960s has burst the dam and the Gospel is on a collision course with Christianity What are some of the implications of this moment What is the integral cohesion in a non sacrificial theology ethics and spirituality What does Christian doctrine look like if one removes retributive economies of exchange Mimesis and Science Scott R.

Garrels,2011-10-31 This exciting compendium brings together for the first time some of the foremost scholars of Ren Girard's mimetic theory with leading imitation researchers from the cognitive developmental and neuro sciences These chapters explore some of the major discoveries and developments concerning the foundational yet previously overlooked role of imitation in human life revealing the unique theoretical links that can now be made from the neural basis of social interaction to the structure and evolution of human culture and religion Together mimetic scholars and imitation researchers are on the cutting edge of some of the most important breakthroughs in understanding the distinctive human capacity for both incredible acts of empathy and compassion as well as mass antipathy and violence As a result this interdisciplinary volume promises to help shed light on some of the most pressing and complex questions of our contemporary world **James**

**Alison and a Girardian Theology** John P. Edwards,2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison's theological method John P Edwards shows that Alison's theological project outstrips Ren Girard's application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard's notions of conversion and mimetic desire This volume grounds Alison's theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation Selfhood and Sacrifice

Andrew O'Shea,2010-06-08 Selfhood and Sacrifice is an original exploration of the ideas of two major contemporary thinkers **Ethical Implications of One God** Robert Petkovsek,Bojan Zalec,2021-01-27 The issue of the ethical

implications of monotheism is a very relevant topic from the point of view of contemporary humanities and social science and from the perspective of the cultural and political condition in Europe and at the global scale Therefore a scientific book devoted to this subject makes a lot of sense Throughout the history and in present times monotheism has been subjected to several sharp criticisms On the other hand we find also very different evaluations of it They stress its positive and even crucial contribution to peace forming of rational non violent tolerant culture and society to the scientific political and cultural development to democracy etc The book offers fresh interdisciplinary perspectives mainly from the point of view of humanities on the ethical aspects of monotheism broadens the scientific understanding of it and establishes a basis for resolving conflicts to which the understanding of monotheism is relevant or even decisive

**Clever as Serpents** Jim Grote, 1997 Centuries ago Thomas Aquinas remarked that there can be no joy in life if there is no joy in one's work Drawing upon the seminal insights of Rene Girard *Clever as Serpents* confronts this timeless issue of finding peace in one's work and offers practical guidance on how people acting together can cultivate virtuous business *Clever as Serpents* provides ethical insight in business life the job market and office politics revealing that business culture while often corrupt can be transformed through the practice of asceticism It suggests that instead of renouncing worldly comforts and retreating to a monastery business asceticism embraces and masters the discomforts of business life through disciplined and unique approach to the rigors of the competitive marketplace *Clever as Serpents* is divided into two parts theory and strategy Chapters one through five deal with a unique approach to management theory and the behavior of financial markets It first examines the myths that hide the reality of the marketplace Chapter two examines the myth of freedom chapter three the myth of competition With these myths exposed chapters four and five examine the secret of the marketplace through the theories of borrowed desire and the management complex Chapters six through ten deal with practical techniques for dealing with the jungle of office politics Chapter six relates the theory of borrowed desire to the dynamics of office gossip Chapters seven through nine offer practical tips on surviving office politics becoming successful and redeeming the marketplace through ethical action For the many people who experience the workplace as frustrating or unfair struggle with office politics as well as the question of whether their workday lives have any religious significance or spiritual depth this work provides concrete suggestions for practicing an ethics of survival of success and of service Jim Grote works in stewardship and development for a Roman Catholic archdiocese He has taught business ethics and philosophy at several colleges and universities Co author of *Theology and Technology* he has written articles for the Catholic Worker Church Cistercian Studies Quarterly Cross Currents and Spirituality Today John McGeeney an attorney for a financial services company has worked in securities law for a Fortune 500 company and for a large social service organization in New York City

**René Girard and Creative Mimesis** Vern Neufeld Redekop, Thomas Ryba, 2013-11-21 For half a century René Girard's theories of mimetic desire and scapegoating have captivated the imagination of thinkers and doers in many fields as an

incisive look into the human condition particularly the roots of violence In a 1993 interview with Rebecca Adams he highlighted the positive dimensions of mimetic phenomena without expanding on what they might be Now two decades later this groundbreaking book systematically explores the positive side of mimetic theory in the context of the multi faceted world of creativity Several authors build on Adams insight that loving mimesis can be understood as desiring the subjectivity of the other particularly when the other may be young or wounded With highly nuanced arguments authors show how mimetic theory can be used to address child and adult development including the growth of consciousness and a capacity to handle complexity Mimetic theory is brought to bear on big questions about creativity in nature evolutionary development originality and religious intrusion into politics

A Genealogy of Violence and Religion James Bernard Murphy, 2018-04-11 Why are religious rituals symbols and rhetoric so full of images of blood sacrifice and death Why does religious fervor so often lead to Holy War Crusade and Jihad No wonder many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923 2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girards provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory

**Violence, Desire, and the Sacred, Volume 2** Scott Cowdell, Chris Fleming, Joel Hodge, 2014-01-30 This collection of state of the art interpretations of the thought of Ren Girard follows on from the volume Violence Desire and the Sacred Girard s Mimetic Theory Across the Disciplines 2012 The previous collection has been acclaimed for demonstrating and showcasing Girard s mimetic theory at its inter disciplinary best by bringing together scholars who apply Girard s insights in different fields This new volume builds on and extends the work of that earlier collection by moving into new areas such as psychology politics classical literature national literature and practical applications of Girard s theory in pastoral spiritual care peace making and religious thought and practice

Studies in 20th Century Literature ,1994 **René Girard and the Nonviolent God** Scott Cowdell, 2018-11-30 In his latest book on the ground breaking work of Ren Girard 1923 2015 Scott Cowdell sets out a new perspective on mimetic

theory and theology he develops the proposed connection between Girardian thought and theological dramatic theory in new directions engaging with issues of evolutionary suffering and divine providence inclusive Christian uniqueness God's judgment nonviolent atonement and the spiritual life Cowdell reveals a powerful illuminating and life enhancing synergy between mimetic theory and Christianity at its best With religion widely seen as increasingly violent and intransigent the true Christian emphasis on divine solidarity mercy and healing is in danger of being lost Ren Girard provides a countervailing voice He emerges from Cowdell's study not only as a necessary dialogue partner for theology today but as a global prophet offering hope and challenge in equal measure Ren Girard was a Catholic cultural theorist whose mimetic theory achieved a powerful symbiosis of social science with scripture and theology yielding a unique perspective on humanity's origins violent history and future prospects Cowdell maps this synergy revealing theological themes present from Girard's earliest writings to the latest less familiar publications He resolves a number of theological challenges to Girard's work engaging mimetic theory in fruitful dialogue with key themes movements and thinkers in theology today Bringing a distinctive Anglican voice to a largely Catholic debate Cowdell gives an orthodox theological account of Girard's intellectual achievement bearing witness to Christianity's nonviolent God This book will be of great interest to theologians seminarians and clergy of all traditions Girardians and Christian peace activists

**How We Became Human** Pierpaolo Antonello, Paul Gifford, 2015-10-01 From his groundbreaking *Violence and the Sacred* and *Things Hidden since the Foundation of the World* Ren Girard's mimetic theory is presented as elucidating the origins of culture He posits that archaic religion or the sacred particularly in its dynamics of sacrifice and ritual is a neglected and major key to unlocking the enigma of how we became human French philosopher of science Michel Serres states that Girard's theory provides a Darwinian theory of culture because it proposes a dynamic shows an evolution and gives a universal explanation This major claim has however remained underscrutinized by scholars working on Girard's theory and it is mostly overlooked within the natural and social sciences Joining disciplinary worlds this book aims to explore this ambitious claim invoking viewpoints as diverse as evolutionary culture theory cultural anthropology archaeology cognitive psychology ethology and philosophy The contributors provide major evidence in favor of Girard's hypothesis Equally Girard's theory is presented as having the potential to become for the human and social sciences something akin to the integrating framework that present day biological science owes to Darwin something compatible with it and complementary to it in accounting for the still remarkably little understood phenomenon of human emergence

Imitation and Society Tom Huhn, 2007-08-09 This book reconsiders the fate of the doctrine of mimesis in the eighteenth century Standard accounts of the aesthetic theories of this era hold that the idea of mimesis was supplanted by the far more robust and compelling doctrines of taste and aesthetic judgment Since the idea of mimesis was taken to apply only in the relation of art to nature it was judged to be too limited when the focus of aesthetics changed to questions about the constitution of individual subjects in regard to taste Tom Huhn argues that mimesis rather than disappearing instead became

a far more pervasive idea in the eighteenth century by becoming submerged within the dynamics of the emerging accounts of judgment and taste Mimesis also thereby became enmeshed in the ideas of sociality contained often only implicitly within the new accounts of aesthetic judgment The book proceeds by reading three of the foundational treatises in aesthetics Burke's Philosophical Enquiry into the Origin of Our Ideas of the Sublime and Beautiful Hogarth's Analysis of Beauty and Kant's Critique of Judgment with an eye for discerning where arguments and analyses betray mimetic structures Huhn attempts to explicate these books anew by arguing that they are pervaded by a mimetic dynamic Overall he seeks to provoke a reconsideration of eighteenth century aesthetics that centers on its continuity with traditional notions of mimesis René Girard and Creative Reconciliation Vern Neufeld Redekop, Thomas Ryba, 2014-01-09 The contribution of this book to the field of reconciliation is both theoretical and practical recognizing that good theory guides effective practice and practice is the ground for compelling theory Using a Girardian hermeneutic as a starting point a new conceptual Gestalt emerges in these essays one not fully integrated in a formal way but showing a clear understanding of some of the challenges and possibilities for dealing with the deep divisions enmity hatred and other effects of violence By situating discourse about reconciliation within the context of Girardian thought it becomes clear that like Peter who vowed he would never deny Jesus but ended up doing it three times any of us is susceptible to the siren call of angry resentment and retaliation It is with a profound awareness of the power of violence that the emergence of mimetic discourse around reconciliation takes on particular urgency **The Libertine's Progress** Pierre Saint-Amand, 1994 The Libertine's Progress is a comprehensive and concise study of the eighteenth century French novel providing a fresh look at amorous relations and offering a radical presentation of the dark side of the Enlightenment In his preface to the new edition Rene Girard writes of Pierre Saint Amand's successful rendering of the *essai classique* Not a word in his book is superfluous not a turn of phrase is selected for rhetorical effect That is why he writes so elegantly Maintaining that the eighteenth century was the last period to practice the art of seduction Saint Amand examines the complex relationship between desire and the ploys of those who seek to satisfy it He writes about the magic that permeated the imagination of Enlightenment novelists and about the obscurity of amorous passion placing modern seduction back in its archaic beginnings This edition of the 1987 French publication has been substantially revised and extended in an elegant translation by Jennifer Curtiss Gage

This is likewise one of the factors by obtaining the soft documents of this **Models Of Desire Rene Girard And The Psychology Of Mimesis** by online. You might not require more get older to spend to go to the book launch as competently as search for them. In some cases, you likewise pull off not discover the notice Models Of Desire Rene Girard And The Psychology Of Mimesis that you are looking for. It will unconditionally squander the time.

However below, later you visit this web page, it will be consequently unquestionably easy to acquire as with ease as download lead Models Of Desire Rene Girard And The Psychology Of Mimesis

It will not acknowledge many era as we run by before. You can reach it even though comport yourself something else at home and even in your workplace. therefore easy! So, are you question? Just exercise just what we allow below as with ease as review **Models Of Desire Rene Girard And The Psychology Of Mimesis** what you as soon as to read!

### **Models Of Desire Rene Girard And The Psychology Of Mimesis Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Models Of Desire Rene Girard And The Psychology Of Mimesis free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Models Of Desire Rene Girard And The Psychology Of Mimesis free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Models Of Desire Rene Girard And The Psychology Of Mimesis free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Models Of Desire Rene Girard And The Psychology Of Mimesis. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Models Of Desire Rene Girard And The Psychology Of Mimesis any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Models Of Desire Rene Girard And The Psychology Of Mimesis Books

1. Where can I buy Models Of Desire Rene Girard And The Psychology Of Mimesis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Models Of Desire Rene Girard And The Psychology Of Mimesis book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Models Of Desire Rene Girard And The Psychology Of Mimesis books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Models Of Desire Rene Girard And The Psychology Of Mimesis audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Models Of Desire Rene Girard And The Psychology Of Mimesis books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
