Business Leadership Amy E. Forbes, Craig A. Talmage, 2025-10-01 *Essentials of Contemporary Business Leadership* provides contemporary tools for the next generation of aspirational leaders to fully meet their potential and optimise group performance. The highly experienced authors utilize their own Contemporary Leadership Dimensions model which provides flexible and creative ways to enhance leadership learning. The book goes through the components of the model sequentially: self leadership, people leadership, business leadership, client leadership, and finally community leadership. This progressive approach effectively allows readers to build their knowledge and pull threads of learning into the next component of the unique model. Each chapter also features cases, studies, multiple interactive exercises, and discussion questions which help complete understanding from theory to practice. This is an ideal text for students starting their leadership journey or for practitioners hoping to improve their leadership and management skills. Online resources will include additional exercises to augment learning.
