Warren, 2006 In the Dutch countryside the war seems far away For most people at least But not for Ed a Jew in Nazi occupied  
Holland trying to find some safe sanctuary Compelled to go into hiding in the rural province of Zeeland he is taken in by a  
seemingly benevolent family of farmers But as Ed comes to realize the Van t Westeindes are not what they seem Camiel the  
son of the house is still in mourning for his best friend a German soldier who committed suicide the year before And Camiel s  
fiery unstable sister Mariete begins to nurse a growing unrequited passion for their young guest just as Ed realizes his own  
attraction to Camiel As time goes by Ed is drawn into the domestic intrigues around him and the farmhouse that had begun  
as his refuge slowly becomes his prison The Palgrave Handbook of Humour, History, and Methodology Daniel  
Derrin, Hannah Burrows, 2021-01-12 This handbook addresses the methodological problems and theoretical challenges that  
arise in attempting to understand and represent humour in specific historical contexts across cultural history It explores  
problems involved in applying modern theories of humour to historically distant contexts of humour and points to the  
importance of recognising the divergent assumptions made by different academic disciplines when approaching the topic It  
explores problems of terminology identification classification subjectivity of viewpoint and the coherence of the object of  
study It addresses specific theories together with the needs of specific historical case studies as well as some of the  
challenges of presenting historical humour to contemporary audiences through translation and curation In this way the  
handbook aims to encourage a fresh exploration of methodological problems involved in studying the various significances  
both of the history of humour and of humour in history *Lowering the Bar* Marc Galanter, 2006-10-10 What do you call 600  
lawyers at the bottom of the sea Marc Galanter calls it an opportunity to investigate the meanings of a rich and time honored  
genre of American humor lawyer jokes Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to  
contemporary anecdotes about Dan Quayle Johnnie Cochran and Kenneth Starr Drawing on representations of law and  
lawyers in the mass media political discourse and public opinion surveys Galanter finds that the increasing reliance on law  
has coexisted uneasily with anxiety about the legalization of society Informative and always entertaining his book explores  
the tensions between Americans deep seated belief in the law and their ambivalence about lawyers The Modern Book of
