**The Modern Irish Writers; Cross Currents of Criticism** Estella Ruth Taylor, 1954 *A Bibliography of Modern Irish Drama 1899-1970* E.H. Mikhail, 1972-06-18 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **A Literary History of England Vol. 4** A. Baugh, Kemp Malone, 1959 Modern Irish Writers Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world s greatest authors The Revival saw a reestablishment of Ireland s literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Frigl Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume "An Anarchy in the Mind and in the Heart" Ellen M. Wolff, 2006 This is a study of some of Anglo Ireland s most compelling twentieth century attempts at self representation In contrast to formative studies that read Anglo Irish fiction as a predictably colonialist literature that nostalgically champions ruling class culture the author argues that novels by such authors as Molly Keane Elizabeth Bowen and Samuel Beckett are in fact richly textured narratives that sustain continuous debates with their own visions and revisions of history and culture The book contributes to the ongoing effort in Irish cultural studies to analyze myths and stereotypes that have been both symptom and cause of Irish troubles past and present and helps destabilize problematically binary terminologies toward which discourse about postcoloniality can tend In the process the author refines received ideas about literary modernism and post modernism and suggests failings in the prevailing theory and practice of ideology critique Ellen

Synge Edward Halim Mikhail,2015-12-22      *Fionn mac Cumhail* James MacKillop,1985-12-01 The Gaelic hero Fionn mac Cumhaill often known in English as Finn MacCool has had a long life First cited in Old Irish chronicles from the early Christian era he became the central hero of the Fenian Cycle which flourished in the high Middle Ages Stories about Fionn and his warriors continue to be told by storytellers in Ireland and in Gaelic Scotland to this day This book traces the development of Fionn s persona in Irish and Scottish texts and constructs a heroic biography of him As aspects of the hero are borrowed into English and later world literature his personality undergoes several changes Seen as less than admirable he may become either a buffoon or a blackguard Somehow these contradictions exist side by side Among the writers in English most interested in Fionn are James Macpherson the translator of The Poems of Ossian 17601 William Carleton the first great fiction writer of nineteenth century Ireland and Fiann O'Brien the multifaceted author of *At Swim Two Birds* Aspects of Fiann appear as far apart as Mendelssohn s *Hebrides* or Fingal s *Cave Overture* and a contemporary rock opera But the most complex use of Fionn s story in modern literature is James Joyce s *Finnegans Wake*      **Feminine Nation** Lori Rogers,1998 This book examines two prominent Irish authors Neil Jordan and John McGahern Jordan is famous for his films most notably *The Crying Game* and this work studies both his films and his fiction McGahern is the most respected lauded Irish novelist since Joyce a writer who broke the mold of Anglo Irish writing after it settled into a conservative rut in the 1950s The works of Jordan and McGahern involved with seemingly minor issues of householding and parenting within the patriarchal family reveal male and female characters to be representations of a masculine past and feminine present competing for dominance in the modern state The author argues that in Jordan s and McGahern s works the modern state is described as stereotypically feminine and that women s individual agency is directed to the deliberate blurring of gender difference upon which patriarchy depends The first book length study of the contemporary Anglo Irish novel written from a women s studies and a post colonial perspective *Feminine Nation* will be of considerable interest to a large audience composed of Women s Studies Irish Studies and Post Colonial studies      **Author Catalogue of Printed Books in European Languages** National Library (India),1964      Irish Women Writers Alexander G.
