Jews and Feminism Laura Levitt, 2013-09-05 By interrogating America's promise of a home for Jews as citizens of the liberal state Jews and Feminism questions the very terms of this social contract Maintaining that Jews women and Jewish women are not necessarily secure within this construction of the state Laura Levitt links this contractual construction of belonging and acceptance to legacies of marriage as a contractual home for Jewish women Exploring the immigration of Jews from Eastern Europe for America as well as their desire to make this country their permanent home Levitt raises questions about the search for stability in specific Jewish religious and cultural traditions which is linked to the liberal academy as well as feminist study thus offering an account of an ambivalent Jewish feminist embrace of America as home

The Legacy of Liberal Judaism Ned Curthoys, 2013-10-01 Comparing the liberal Jewish ethics of the German Jewish philosophers Ernst Cassirer and Hannah Arendt this book argues that both espoused a diasporic worldly conception of Jewish identity that was anchored in a pluralist and politically engaged interpretation of Jewish history and an abiding interest in the complex lived reality of modern Jews Arendt's indebtedness to liberal Jewish thinkers such as Moses Mendelssohn Abraham Geiger Hermann Cohen and Ernst Cassirer has been obscured by her modernist posture and caustic critique of the assimilationism of her German Jewish forebears By reorienting our conception of Arendt as a profoundly secular thinker anchored in twentieth century political debates we are led to rethink the philosophical political and ethical legacy of liberal Jewish discourse
