**Modern Chronicles** ,1849 *A Modern Poetics of Biography* Zhengrun Yang, 2025-09-02 This book provides a comprehensive study of biography to summarize the standard forms as well as a range of peripheral and expanded forms of auto biography Discussion and analyses to be done at three levels namely ontology typology and writing It is drawn from local and international theories in biography in addition to related disciplines in

particular for those of the twentieth century and summarizing the experiences of the writing of classics in both Chinese and Western biographical history the study establishes a theoretical system of biography This book can serve as a useful reference for postgraduate students and professional readers who are interested in biographical research **Memory and**

**the Dissolution of the Monasteries in Early Modern England** Harriet Lyon, 2021-10-21 The dissolution of the monasteries was recalled by individuals and communities alike as a seismic rupture in the religious cultural and socio economic fabric of early modern England It was also profoundly important in shaping contemporary historical consciousness the topographical imagination and local tradition Memory and the Dissolution is a book about the dissolution of the monasteries after the dissolution Harriet Lyon argues that our understanding of this historical moment is enriched by taking a long chronological view of the suppression by exploring how it was remembered to those who witnessed it and how this memory evolved in subsequent generations Exposing and repudiating the assumptions of a conventional historiography that has long been coloured by Henrician narratives and sources this book reveals that the fall of the religious houses was remembered as one of the most profound and controversial transformations of the entire English Reformation **A Modern**

**Chronicle - Complete** Churchill Winston, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Urban Chroniclers in Modern Latin America Viviane Mahieux, 2013-11-06 An unstructured genre that blends high aesthetic standards with nonfiction commentary the journalistic or chronicle has played a vital role in Latin American urban life since the nineteenth century Drawing on extensive archival research Viviane Mahieux delivers new testimony on how chroniclers engaged with modernity in Mexico City Buenos Aires and S o Paulo during the 1920s and 1930s a time when avant garde movements transformed writers and readers conceptions of literature Urban Chroniclers in Modern Latin America The Shared Intimacy of Everyday Life examines the work of extraordinary raconteurs Salvador Novo Cube Bonifant Roberto Arlt Alfonsina Storni and M rio de Andrade restoring the original newspaper contexts in which their articles first emerged Each of these writers guided their readers through a constantly changing cityscape and advised them on matters of cultural taste using their ties to journalism and their participation in urban practice to share accessible wisdom and establish their role as intellectual arbiters The intimate ties they developed with their audience fostered a permeable concept of literature that would pave the way for overtly politically engaged chroniclers of the 1960s and 1970s Providing comparative analysis as well as reflection on the evolution of this important genre Urban Chroniclers in Modern Latin America is the first systematic study of the Latin American writers who forged a new reading public in the early twentieth century **A Companion to Late Medieval and Early Modern**

**History in Early Modern England** D. R. Woolf,2000 This book focuses on the after life of historical texts in the period between the arrival of printing in England and the early eighteenth century Whereas previous studies of historical writing during this period have focused on their authors and on their style or methodology this work examines the history book from a number of other perspectives The intent is to situate the study of history books within the current literature on the history of the book and the history of print culture After discussing the process whereby the inheritance of the medieval chronicle was broken down into a variety of different historical genres during the sixteenth century the author turns to the questions of how and why history books were read who owned them the borrowing and lending of them their production and printing and methods for marketing and distributing them      *A Modern Chronicle* Winston Churchill,2018-04-24      Pre-modern Towns at the Times of Catastrophes Michaela Antonín Maláníková,Beata Mozejko,Martin Nodl,2023-09-26 Covering areas in today s Ukraine Poland Bohemia Moravia Silesia and Slovakia this book studies the impact of both natural and human inflicted disasters on pre modern towns Various kinds of catastrophes starting with major natural disasters such as fires floods earthquakes and epidemics caused high population mortality Others such as protracted war conflicts were caused by human activity and could be just as if not more destructive for cities their populations and the urban economy Crises affected not only the population as a whole but also townsmen and women in their individual lives Case studies of renewal and resilience in the volume illustrate that in many cases successfully overcoming disaster brought positive changes for urban people The collection presents analytical research anchored in the contemporary historiographical discourse on studying social and cultural relations in urban environments in the Middle Ages and early modern period and it incorporates interdisciplinary approaches in the forms of geography archaeology and literary theory This volume is an engaging resource for students and researchers of pre modern history social history and disaster studies      **A Catalogue of an Extensive and Valuable Collection of Ancient and Modern Books; Consisting of Many Thousand Volumes, ... to be Sold this Day, by Robert**

**Faulder, ... 1797** Robert Faulder, 1797      **Early Modern Literature and England's Long Reformation** David Loewenstein, Alison Shell, 2020-12-17 Assessing early modern literature and England's Long Reformation this book challenges the notion that the English Reformation ended in the sixteenth century or even by the seventeenth century Contributions by literary scholars and historians of religion put these two disciplines in critical conversation with each other in order to examine a complex messy and long drawn out process of reformation that continued well beyond the significant political and religious upheavals of the sixteenth century The aim of this conversation is to generate new perspectives on the constant remaking of the Reformation or Reformations as some scholars prefer to characterize the multiple religious upheavals and changes both Catholic and Protestant of the early modern period This interdisciplinary book makes a major contribution to debates about the nature and length of England's Long Reformation Early Modern Literature and England's Long Reformation is essential reading for scholars and students considering the interconnections between literature and religion in the early modern period The chapters in this book were originally published as a special issue of the journal *Reformation*

*Writing Architecture in Modern Italy* Daria Ricchi, 2020-10-01 Writing Architecture in Modern Italy tells the history of an intellectual group connected to the small but influential Italian Einaudi publishing house between the 1930s and the 1950s It concentrates on a diverse group of individuals including Bruno Zevi an architectural historian and politician Giulio Carlo Argan an art historian Italo Calvino a fiction writer Giulio Einaudi a publisher and Elio Vittorini and Cesare Pavese both writers and translators Linking architectural history and historiography within a broader history of ideas this book proposes four different methods of writing history defining historiographical genres modes and tones of writing that can be applied to history writing to analyze political and social moments in time It identifies four writing genres myths chronicles history and fiction which became accepted as forms of multiple postmodern historical stories after 1957 An important contribution to the architectural debate Writing Architecture in Modern Italy will appeal to those interested in the history of architecture history of ideas and architectural education

Modern English Writers Sir Harold Herbert Williams, 1918      Russia in the Early Modern World Donald Ostrowski, 2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450 1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia's success Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by

extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government      *Writing Early Modern London* A. Gordon, 2013-05-07 *Writing Early Modern London* explores how urban community in London was experienced imagined and translated into textual form Ranging from previously unstudied manuscripts to major works by Middleton Stow and Whitney it examines how memory became a key cultural battleground as rites of community were appropriated in creative ways
