young man studying philosophy in a private college back east found that he could no longer abide being shackled by the conventional wisdoms of our culture To the dismay of all who knew and loved him he dropped out of college and headed for the mountains He caught a train cross country to Montana then hopped a bus southbound skirting the Rocky Mountains At one point he simply stepped off the bus and walked into the mountains with only a backpack machete and knife no food or gun determined to learn what the mountains offered to teach or die trying After a few months of eating rattlesnakes ants and field mice this struggling newcomer to the mountains the author discovered the now old and grizzled mountain man living not only successfully but quite flamboyantly in the depths of the Rocky Mountain wilderness on the River of No Return Buckskin was an extraordinary man Anyone who ever met him walked away with stories and memories to be cherished for a lifetime Here are my favorite memories of the Last of the Mountain Men
