Poems on Various

Subjects Elizabeth Tomkins, 1817 **Wordsworth's Poems of Travel 1819-1842** J. Wyatt, 1999-06-03 There is a long held

view that Wordsworth's inspiration dried up before the age of forty. This book opposes that view by examining the substantial body of poetry written after his fiftieth year. The argument is that in order to appreciate this work, much of which was inspired by itineraries in Britain and in Europe, we have to read the poems as they were first published. By adopting the perspective of the contemporary reader, Wordsworth's grand design can be appreciated.

The Poems of Browning: Volume Three John Woolford, Daniel Karlin, Joseph Phelan, 2014-04-08. The Poems of Browning is a multi-volume edition of the poetry of Robert Browning, 1812-1889, resulting from a completely fresh appraisal of the canon text and context of his work. The poems are presented in the order of their composition and in the text in which they were first published, giving a unique insight into the origins and development of Browning's art. Annotations and headnotes, in keeping with the traditions of Longman Annotated English Poets, are full and informative and provide details of composition, publication sources, and contemporary reception. Volumes one (1826-1840) and two (1841-1846) presented the poems from his early years up to his marriage to Elizabeth Barrett, including the dramatic poem *Paracelsus* (1835) which first brought him to wide attention and *Sordello* (1840) which confirmed him as a poet of ambition and imagination. Volume three (1847-1861) of *The Poems of Browning* covers the years of Browning's life in Italy with his wife Elizabeth Barrett Browning. During the fifteen years of his marriage and self-imposed exile, Browning produced *Christmas Eve and Easter Day* (1850), a major statement of his religious philosophy, and *Men and Women* (1855), his greatest collection of shorter poems. The poems of *Men and Women*, like all Browning's work, are steeped in his wide and idiosyncratic knowledge of literature, music, art, history, and popular culture, but a new and distinctive touch comes from the sights, sounds, and textures of ordinary life in Italy. Based on a comprehensive study of textual and contextual sources, including a significant amount of hitherto undiscovered or unpublished manuscripts of poems and letters, this volume offers the most complete and informative edition of works that are central to Browning's achievement. In addition, Browning's most important work of critical prose, the *Essay on Shelley*, is presented in an appendix with full annotation, and poems which refer to specific works of painting or sculpture are illustrated with colour plates. Volume four presents the poetry Browning produced during the decade following the death of his wife, including *Dramatis Personae*, which heralded a re-evaluation of his critical reputation, and *The Ring and the Book*, which many consider to be his greatest work. *The Poems of Browning* represents the most informative and up-to-date edition of the works of one of England's greatest poets.

The Collected Poems C. P. Cavafy, 2008-10-09. A Greek gentleman in a straw hat standing absolutely motionless at a slight angle to the universe. E. M. Forster's description of C. P. Cavafy (1863-1933) perfectly encapsulates the unique perspective Cavafy brought to bear on history and geography, sexuality and language in his poems. Cavafy writes about people on the periphery whose religious, ethnic, and cultural identities are blurred, and he was one of the pioneers in expressing a specifically homosexual sensibility. His poems present brief and vivid evocations of historical scenes and sensual moments, often infused with his distinctive sense of irony. They have established him as one of the most important

poets of the twentieth century This volume presents the most authentic Greek text of the 154 authorized poems ever published together with a new English translation that conveys the accent and rhythm of Cavafy's individual tone of voice

Recovering "Yiddishland" Merle L. Bachman, 2008-01-17 According to traditional narratives of assimilation in the bargain made for an American identity Jews freely surrendered Yiddish language and culture Or did they Recovering Yiddishland seeks to return readers to a threshold where Americanization also meant ambivalence and resistance It reconstructs Yiddishland as a cultural space produced by Yiddish immigrant writers from the 1890s through the 1930s largely within the sphere of New York Rejecting conventional literary history the book spotlights threshold texts in the unjustly forgotten literary project of these writers texts that reveal unexpected and illuminating critiques of Americanization Merle Lyn Bachman takes a fresh look at Abraham Cahan's Yekl and Anzia Yezierska's Hungry Hearts tracing in them a re inscription of the Yiddish world that various characters seem to be committed to leaving behind She also translates for the first time Yiddish poems featuring African Americans that reflect the writers confrontation with their passage as Jews into white identities Finally Bachman discusses the modernist poet Mikhl Likht whose simultaneous embrace of American literature and resistance to assimilating into English marked him as the supreme threshold poet Conscious of the risks of any postmodern post assimilation attempt to recover the past Bachman invents the figure of the Yiddish student whose comments can reflect and keep in check the nostalgia and naivete of the returnee to Yiddish
