Proclaiming Good News on Special Days, 1982-05      More African American Special Days Cheryl A.

Kirk-Duggan, 2010-12-01 By blending the traditional elements of the worship service with African American culture Cheryl A Kirk Duggan once again provides a practical resource for planning more of the special Sundays that congregations celebrate throughout the year More African American Special Days contains fifteen services for special occasions including Pastor s Day Men s Day Women s Day Mother s Day Father s Day Kwanzaa M L King Jr Day Watch Night Usher s Day Homecoming Family Reunion Deacon s Steward s Day Deaconess Stewardess Day Youth Rite of Passage Board of Christian Education and Women s Missionary Society Day      *Good News for Common Goods* Wes Markofski, 2023 What is the relationship between evangelical Christianity and democracy in America In Good News for Common Goods sociologist Wes Markofski explores how multicultural evangelicals across the United States are addressing race poverty inequality politics and religious and cultural difference in America s increasingly plural and polarized public arena Based on extensive original research on multicultural evangelicals active in faith based community organizing community development political advocacy and public service organizations across the country including over 90 in depth interviews with racially diverse evangelical and non evangelical activists community leaders and neighborhood residents Markofski shows how the varieties of public religion practiced by evangelical Christians are not always bad news for non evangelicals people of color and those advancing ethical democracy in the United States Markofski argues that multicultural evangelicals can and do work with others across race class religious and political lines to achieve common good solutions to public problems and that they can do so without abandoning their own distinctive convictions and identities or demanding that others do so Just as ethical democracy calls for a more reflexive evangelicalism it also calls for a more reflexive secularism and progressivism      *Good News of the Day* Johann
