## **Proclaiming The Parables:**

**Proclaiming the Parables** Thomas G. Long, 2024-03-12 In *Proclaiming the Parables* noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways

**Proclaiming the Parables** Martin Henry Scharlemann, 1963 **Proclaiming the Parables** Martin H. Scharleman, 2003-01-01 *Proclaiming the Parables* contains a general discussion of the term parable followed by a thorough exegetical textual and homiletical study of five parables Mark 4 26 29 Parable of the Growing Seed Matthew 21 28 32 Parable of the Two Sons Luke 13 6 9 Parable of the Fig Tree Luke 18 1 8 Parable of the Persistent Widow and Luke 16 1 13 Parable of the Shrewd Manager **The Parables of Jesus** Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached **Studying the Parables of Jesus** Peter Rhea Jones, 1999

Peter Rhea Jones has spent the majority of his career studying and teaching the parables *Studying the Parables of Jesus* is a primer on the historical and literary approaches to biblical study It informs and inspires in dialogue with contemporary methods and contemporary meanings It provides an introduction to the methods of interpretation of the parables as well as an opening chapter on the recent history of interpretation The chapters of exegesis approach a select group of parables for a more intensive analysis While reserving much of the technical details for the endnotes the text includes discussion of critical issues and alternative opinions Questions and exercises are appended at the close of each chapter for personal use or classroom discussion *Encountering the Parables in Contexts Old and New* T. E. Goud, J.R.C. Cousland, John P.

Harrison, 2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been

and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts **The Gospel in Parable** John R.

Donahue,1988-01-01 Professor Donahue here argues that the parables of Jesus offer a Gospel in miniature while at the same time giving shape direction and meaning to the Gospels in which they appear To study the parables of the Gospels is to study the gospel in parable After surveying recent discussions of parable metaphor and narrative Donahue examines and interprets the parables of Mark Matthew and Luke as texts in the context of the theology of each of these Gospels Finally he outlines what The Gospel in Parable looks like and offers suggestions for the proclamation of parables today **Preaching and**

**Teaching with Imagination** Warren W. Wiersbe,1997-02-01 No more dreary three point sermon outlines Wiersbe coaches preachers to creatively proclaim the living Word so hearers experience God s truth changing their lives **The Parables of Jesus the Galilean** Ernest van Eck,2016-08-09 Who do we meet in the stories Jesus told In The Parables of Jesus the Galilean Stories of a Social Prophet a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God

**Loosing the Lion: Proclaiming the Gospel of Mark** Leroy A. Huizenga,2017 Drama Irony Betrayal Miracles A holy war with the whole world at stake And it s all packed into the shortest of the four Gospels Written in an engaging lively oral style Loosing the Lion tells us how despite being misunderstood and neglected throughout most of history the Gospel of Mark has recently been experiencing a scholarly revival Theologians are beginning to see how it is actually an intense wild impossible story told at a breakneck pace with twists and turns that shock and surprise those with eyes to see and ears to hear Readers will be captivated by the Gospel s literary brilliance which brings us to the threshold of an encounter with the living Jesus who reveals his mysteries and ultimately himself to those who approach him and dwell in his presence And when we do encounter him The proper response is repentance joining God s army to be liberated and once liberated advancing the liberation of the whole cosmos which ultimately is the content of the Gospel Jesus calls us to believe in Liberation is coming Join the resistance **And How Shall You Know All Parables** John Wedlock,2017-09-12 Jesus said in Mark 4 13 And He

Jesus said to them the disciples Do you not understand this parable How will you understand all the parables Is Jesus suggesting that the understanding of this parable was necessary for the understanding of all that He was teaching This book provides for an understanding of the Parable of the Sower and also a means for understanding the Gospels Acts based on the thematic context of that parable The themes of each of the Gospels Acts are identified based on the nature of the soils in the parable A direct connection is made between the people type soils of the Parable of the Sower and each of the themes of the Gospels Acts These connections provide for a deeper understanding of the Gospels Acts and for a clearer insight into how these Scriptures apply to everyday life The progressive nature of these connections is presented and it forms a user friendly framework for spiritual maturity A study guide for the each of the Gospels Acts based on the themes of the Parable of the Sower is also included

Stories with Intent Klyne Snodgrass,2008-01-11 Stories with Intent offers pastors and students an accessible and comprehensive guide to Jesus parables Klyne Snodgrass explores in vivid detail the context in which these stories were told the purpose they had in Jesus message and the ways they have been interpreted by the church and modern scholarship While holding a consciously evangelical approach Snodgrass deals throughout with a broad spectrum of opinions and interpretations He begins by surveying the primary issues in parables interpretation Offering both a new more functional classification system for Jesus parables and guidelines for interpreting them he provides an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world The remaining chapters group the longer and more important parables of Jesus thematically and give a comprehensive treatment of each including background and significance for today

Matthew's Parables Warren Carter,John Paul Heil,2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables

the most compelling and adventurous Christian thinkers of our time The essays gathered here undertake a journey through the Bible with Desmond that ranges across biblical theology philosophy of religion metaphysics ethics aesthetics political theory and literary studies Some of the essays examine the place of the Bible in Desmond s thought considering his readings of the creation the Abraham cycle and the Beatitudes Other essays bring Desmond s ideas to bear on broad questions that emerge from the Bible about philosophy and revelation exegesis theopoetics eschatology and tyranny Still others bring Desmond into conversation with influential philosophers who engage or conspicuously do not engage the Bible such as Hegel Schopenhauer Kierkegaard Heidegger and Tillich Together these essays show the rich possibilities of approaching the Bible with Desmond All take their bearings from Desmond s metaxological approach which does not seek to claim the final word which attends to the text rather than simply imposing on it and which allows for an ongoing dialogue Contributors Ryan G Duns SJ Caitlin Smith Gilson Joseph K Gordon William Christian Hackett Steven E Knepper Renee Kohler Ryan Andrew Kuiper Brendan Thomas Sammon Terence Sweeney Ethan Vanderleek Erik van Versendaal Robert Wyllie     *The Visitation, An Overview of the New Testament (Part 1)* Bob Evely, 2018-04-18 An overview of the New Testament This is part one of four parts     **The Role of Rhetorical Theory in Contemporary Episcopal and Lutheran Homiletics Instruction** Thomas George Rogers, 1990
