Proclaiming The Baptist Vision:

Proclaiming the Baptist Vision ,1993 **Proclaiming the Baptist Vision** ,1999 *Religious Liberty* Walter B. Shurden,1997 Religious liberty is one of the foundational perspectives that define Baptists In this book Shurden gathers the voices of key figures in Baptist life and calls us to hear their ideas on religious liberty through a look at selected sermons and essays The Baptist Summit at Mercer University Mercer University. Baptist Summit,Raleigh Kirby Godsey,Walter B. Shurden,William D. Underwood,2006 **A Sacred Trust** Dean Anderson,2015-08-25 Just what makes a Baptist a Baptist What are the beliefs that set Baptists apart from other Christian churches and are they of any real importance for the local church member who just wants to follow Jesus Four centuries of Baptists have found those distinctive beliefs to be the command of Jesus in the Scripture have expressed their love for him by holding and practicing them and have passed that sacred trust down to us A church which fails to know and value its Baptist identity becomes subject to error and false teaching and loses the heritage for which its Baptist ancestors were willing to suffer and die The sermons in this book provide a helpful introduction to the beliefs which distinguish Baptists from other Christian groups and churches and help readers to consider those beliefs in their proper level of importance Extensive guides to additional resources in the distinctive beliefs of Baptists and in doctrinal preaching are provided for those desiring further study and for pastors interested in developing similar messages Includes endorsements from Chuck Kelley and Lloyd Harsch of New Orleans Baptist Theological Seminary and Fisher Humphreys of Beeson Divinity School Baptist Theology James Leo Garrett,2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal *The European*

Baptist Federation Keith G. Jones, 2009-11-01 A criticism often leveled at Baptists is that they have no theology of ecclesial reality beyond the local In this book Keith Jones describes the history and current reality of the European Baptist Federation EBF which brings together over fifty national Baptist groups in Europe and the Middle East and seeks to demonstrate that there is an ecclesial reality within the organization expressed in its communal life mission activity working on theological education in relationship to other Christian world communions and in its decision making processes The role of the pivotal figure of the General Secretary of the EBF is examined with particular reference to two significant figures The relationship of European Baptists during the cold war era is explored as is the relationship to two key mission agencies from the USA who have done much work in Europe This represents ground breaking work in terms of an examination of how Baptists in Europe work together trans nationally

Distinctively Baptist Essays on Baptist History Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B Buddy Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley s preface During some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden s works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework

Seeds of the Church Teun van der Leer, Henk Bakker, Steven R. Harmon, Elizabeth Newman, 2022-11-30 The landmark World Council of Churches convergence text *The Church Towards a Common Vision* 2012 which has the potential to become this generation s Baptism Eucharist and Ministry 1982 invites the churches to envision how their own distinctive visions of the church might have a place in the global church s imagination of the ecumenical future *Seeds of the Church Towards an Ecumenical Baptist Ecclesiology* is a collaborative effort by members of the Baptist World Alliance Commission on Baptist Doctrine and Christian Unity to respond to this invitation This book contends that the distinctive Baptist ecclesial vision is best embodied in twelve core practices of Baptist churches and their interrelationship covenanting discerning gathering befriending proclaiming equipping baptizing discipling caring theologizing scattering and remembering *Seeds of the Church* opens a window on what is possible when Baptists engage with people of other Christian traditions in the exploration of the common heritage of people belonging to the one household of faith The global Baptist theological voices represented in this volume offer it as a reading of an ecumenical text in a Baptist key that paves the way for ecclesiological

renewal among Baptists and in the whole church to which they belong *The A to Z of the Baptists* William H. Brackney, 2009-09-16 With 110 million members worldwide Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians The term Baptist has its origins with the Anabaptists the denomination historically linked to the English Separatist movement of the 16th century Although Baptist churches are located throughout the world the largest group of Baptists lives in the Southern United States and the Baptist faith has historically exerted a powerful influence in that region of the country The A to Z of the Baptists relates the history of the Baptist Church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important events doctrines and the church founders leaders and other prominent figures who have made notable contributions This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609 *Restoring Integrity in Baptist Churches* Thomas White, Jason G. Duesing, Malcolm B. Yarnell, Respected leaders point a way forward in the key debates within the Southern Baptist Convention one of the largest denominations at more than 16 million members **Southern Baptists** Slayden A. Yarbrough, Michael Kuykendall, 2021-09-09 Southern Baptists have a unique and colorful story Birthed in the time of slavery controversy their theology on this and human rights issues has changed as cultural and societal developments occurred One thing that never changed however was their zeal for evangelism They eventually grew to become the largest Protestant denomination in the United States Later a major controversy in the late twentieth century pitted conservative Baptists against moderates Both sides however wrote histories of the controversy from their own perspectives These histories were significant for understanding how each side interpreted the events These pages attempt to fill a missing gap Readers will hear the Southern Baptist story from both sides Understand from this how Southern Baptists work think grow argue and have changed over time They have weathered the ups and downs of history to reveal an ever growing heritage *Thinking With the Church* Derek C. Hatch, 2017-12-08 Over the centuries Baptists have labored to follow Christ in faithful devotion and service More recently they have occasionally partnered with fellow Christians from other traditions in these efforts while learning from each other along the way In *Thinking With the Church* Derek Hatch argues that Baptists need to follow the same pattern when it comes to their theological reflection engaging the wisdom of all Christian pilgrims across time This will require a new theological method *ressourcement* that embraces Baptists place within the Great Tradition of the Christian faith Such work will not abandon long held Baptist convictions but offers resources for renewing Baptists theological vision as they participate in the fullness of the mystical body of Christ *A Royal Priesthood* John A. Davies, 2004-06-01 This book examines the portrayal of Israel as a royal priestly nation within Exodus and against the background of biblical and ancient Near Eastern thought Central to the work is a literary study of Exodus 19 4 6 and a demonstration of the pivotal role these verses and their main image have within Exodus This elective and honorific designation of Yahweh's cherished people has a particular focus on the privilege of access to him in his heavenly temple The

paradigm of the royal grant of privileged status has profound implications for our understanding of the Sinai covenant

Living and Active Telford Work, 2001-10 For all of the Bible's popularity both in the church and in Western culture confusion reigns about what the Bible is its relationship to God its relationship to its human authors and readers and its proper use Living and Active answers these fundamental questions by looking anew at Scripture from the perspective of Christian doctrine Rather than treating the Bible as a sourcebook for theology Telford Work uses systematic theology to build a compelling new doctrine of Scripture the doctrine of God establishes the Bible's triune character and purpose the doctrine of salvation explains the mission of Scripture in ancient Israel in the career of Jesus and in the life of his followers the doctrine of the church relates the Bible's qualities to those of its reading communities describes the relation of Scripture and tradition and appreciates the Bible's role in worship and in personal salvation Drawing in this way on the full resources of Christian dogmatics allows us to see the Bible at work accomplishing God's purposes in the world Throughout the book Work incorporates insights from the Eastern Orthodox Roman Catholic Lutheran Calvinist Anabaptist and evangelical traditions in order to produce a truly ecumenical doctrine of Scripture He also interacts with patristic theology and practice historical critical methods of interpretation and postmodern thought refusing to draw lines between biblical studies ethics history philosophy and theology As a result Living and Active is the most comprehensive balanced and relevant statement of Scripture now available It clearly portrays the Bible as integral to the economy of salvation and the life of the church it offers solutions to the current crisis of biblical authority and practice and it prescribes fruitful ways to preach teach and live Scripture in today's world The Priesthood of All Believers in the Twenty-First Century Robert A. Muthiah, 2009-05-01

Robert Muthiah believes a deepened theology of the priesthood of all believers is essential for answering the crucial questions of what shape the church should take in the twenty first century and how this theological query relates to the lived experiences of congregations Emerging churches which tend to develop vibrant practices of the priesthood of all believers need to develop more fully their ecclesiological underpinnings while historic churches with a well developed theology of the priesthood of all believers need a renewed vigor to allow this theology to shape their congregational lives With recourse to relevant New Testament texts and theological conversations The Priesthood of All Believers in the Twenty First Century argues for a fresh understanding and embodiment of the priesthood of all believers by setting ecclesiology postmodern culture and congregational practices in dialogue Elements of the discussion include ecumenical and Free church perspectives Trinitarian correspondence postmodern social structures the relevance of Alasdair McIntyre's social practices for congregations and forms of congregational leadership **Who Can Take the Lord's Supper?** Dallas W.

Vandiver, 2021-09-10 Baptism and the Lord's Supper are likely more basic for the church than you think When Jesus inaugurated the new covenant by his death on the cross he established baptism as the new covenant sign of entry and the Lord's Supper as the new covenant sign of participation These signs identify believers with Christ and his people They are

integral to the existence membership and discipline of the local church In answer to the question Who can take the Lord s Supper this book catalogues four major positions in the broad Baptist tradition While proponents of various views have appealed to the necessity of circumcision for participation in Passover as evidence for their position none have adequately worked out the covenantal relationships between circumcision and baptism or Passover and the Lord s Supper By contrast to Reformed pedobaptist covenantal theology and in distinction from Baptist covenantal theology and dispensational theologies this book develops the relation of these covenantal signs from a progressive covenantal perspective It presents an unprecedented comparison of the continuities and discontinuities between the covenant signs across the storyline of Scripture to demonstrate a biblical theological principle that the sign of entry should precede the sign of participation

Religious Faith, Torture, and Our National Soul David P. Gushee, J. Drew Zimmer, Jillian Hickman Zimmer, 2010
Proceedings of a conference held Sept 11-12 2008 at Mercer University Preface and Acknowledgements *Within the Love of God* Anthony Clarke, Andrew Moore, 2014-11-27 The doctrine of God is central to theology for it determines the way in which other regions of Christian doctrine are articulated yet work on this topic in its own right has been occluded recently by treatments of the Trinity or divine passibility This collection of specially commissioned essays presents major treatments of key themes in the doctrine of God motivated by but not restricted to the work of Professor Paul S Fiddes to whom it is offered as a Festschrift It includes invigorating discussions of the biblical and non biblical sources for the doctrine of God and the section on Metaphysics and the Doctrine of God examines some of the most important conceptual questions arising in contemporary theological debate about the being and nature of God and God s relations to the world The final section of the book on God and Humanity will be highly relevant to scholars working in the fields of theological anthropology moral and political theology on inter faith relations on theology and literature or who are interested in the impact of contemporary science on the doctrine of God The introduction relates the essays in the book to the work of Professor Fiddes and to wider debates in Christian doctrine This volume brings together a team of internationally distinguished scholars from a wide range of theological philosophical and religious perspectives and it will stimulate fresh thinking and new debate about this most central of topics in Christian theology

Understanding Four Views on the Lord's Supper Zondervan, 2009-05-26 The Lord s Supper has been the central and characteristic action of the church at worship But there are still many ways of understanding it and many questions surrounding this meal Who should participate in the Lord s Supper How frequently should we observe it What does this meal mean What happens when we eat the bread and drink from the cup What do Christians disagree about and what do they hold in common These and other questions are explored in this volume of the fair minded informative Counterpoints series Contributors make a case for one of the following views Baptist view memorialism Reformed view spiritual presence Lutheran view consubstantiation Roman Catholic view transubstantiation All contributors use Scripture to present their views and each responds to the others essays Included are resources for understanding the

topic further such as A listing of statements on the Lord s Supper from creeds and confessions Quotations from noted Christians A resource listing of books on the Lord s Supper Discussion questions for each chapter to facilitate small group and classroom use The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
