Procreacion En La Argentina Hechos E Ideas:

Procreación en la Argentina Susana Torrado,1993 Examines evolution of demographic patterns in Argentina from 1870s 1990s Differentiating fertility patterns by social strata argues that high birth rates among poor and marginal groups are a consequence of public policies that prevent easy access to modern birth control Handbook of Latin American Studies v 57

Mujeres y ciudadanía en Argentina Josefina Leonor Brown,2014 La sexualidad la procreación y el aborto son tan viejos como la humanidad Pero no siempre fueron tratados ni comprendidos del mismo modo en términos sociales y políticos Ignorados políticamente o explícitamente discutidos desde mediados del siglo XX estos temas son objeto de debate público y político en tanto que derechos ciudadanos En Argentina el debate por lo que denominamos los derechos no reproductivos y sexuales inicia con la restauración democrática en los años ochenta Y su devenir hasta el inicio del milenio es el objeto de este libro que procura mostrar cómo han ido variando desde las llamadas revoluciones burguesas del siglo XVIII hasta nuestros días los debates políticos y los políticos desde una perspectiva feminista que entiende que los derechos no reproductivos y sexuales específicamente el aborto son un punto nodal para la ciudadanía de las mujeres pues es ese el punto de confluencia imposible de ignorar entre cuerpo y política entre sexualidad y derechos Y de cómo se dirima esta conjunción en cada sociedad depender el grado de ciudadanía del que gocen las personas y particularmente las mujeres

Handbook of World Families Bert N. Adams,Jan Trost,2005 Praise for the Handbook of World Families At a time when we are moving more and more toward a global village this ambitious book provides evidence of world wide trends in families and family relations It also illustrates the resilience of local cultures seen in variations among nations in trends and responses to them This is a very useful resource for obtaining the kind of baseline information that is essential to comparative work As well a number of chapters contribute to our understanding of the complexities and politics of family life starting with what is meant by family This book will educate many about other parts of the world and the central place of families in them Ingrid Arnet Connidis University of Western Ontario In the Handbook of World Families Bert Adams and Jan Trost two of the leading scholars in the field of comparative family studies have masterfully edited a book that comparatively examines families from 25 nations located around the world The chapter contributors have both theoretical and research knowledge as well as lived experiences of respective nation's families The result is a well written highly informed and authoritative handbook that investigates an extensive range of family issues from local national and global perspectives Mark Hutter Rowan University What defines a family The term family is very complex with a vast range of meanings It can mean a married couple with children a single parent and child a married couple with no children even pets and close friends can be considered to some people as family The variety is enormous and this family diversity is present not just in the United States but around the world The Handbook of World Families provides a cross cultural perspective on the family by examining family life in 25 countries worldwide The countries included in this volume are organized by six world regions including Africa Asia South

Pacific Europe Latin America the Middle East and North America offering readers the most thorough and balanced cross cultural examination of world families available Editors Bert N Adams and Jan Trost along with contributions by top family studies experts from around the world ensure reliable cutting edge research and perspectives While other books may provide a cross cultural perspective on the family this book offers a unique comparative view In doing so each chapter of the Handbook is organized in a parallel format beginning with an introduction to the region followed by coverage of mate selection fertility and socialization gender roles marriage stresses and violence divorce and remarriage kinship aging and death family and other institutions and special topics specific to the region The Handbook of World Families is an excellent addition to any academic library and an important resource for scholars and academics in the fields of Family Studies and Sociology It can also be used in graduate level courses on the family in cross cultural perspective comparative family organization and world families

Madres y democratización de la familia en la Argentina contemporánea Beatriz Schmukler, Graciela Di Marco, 1997

Mujeres en Números II: "Situación de las mujeres en la Ciudad Autónoma de Buenos Aires", Género y sexualidades en las tramas del saber Silvia Elizade, Karina Felitti, Graciela Queirolo, 2009 Este libro se inscribe en el contexto de reflexión acerca de los modos de educar desde una perspectiva de género revitalizado a partir de la sanción de la Ley Nacional de Educación Sexual Integral Partiendo de la puesta en valor de la sexualidad como dimensión fundamental de nuestras identidades esta compilación presenta una minuciosa revisión conceptual metodológica y bibliográfica de la Historia la Lengua y Literatura la Educación Artística y la Comunicación tramadas desde los aportes e interpelaciones que formulan los estudios de género y de sexualidad en estos campos Junto a ello brinda recursos informativos sugerencias prácticas y recorridos didácticos para trabajar estas cuestiones en cada materia

¿Qué sabemos de la historia de las mujeres y la diversidad sexual en nuestro país y en el mundo Tiene género el lenguaje Como interpela la producción artística a las sexualidades Como analizar las marcas del sexismo la homofobia y la discriminación en los discursos mediáticos Estas son algunas de las preguntas que este libro invita a hacer a los docentes de la enseñanza media en su doble papel de educadores y de agentes comprometidos con la educación sexual como derecho humano

The Top Books of the Year Procreacion En La Argentina Hechos E Ideas The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
