Prodigal Daughter Audio:

The Prodigal Daughter. Spoken Word. HCA 194. 2 Audio Cassettes Jeffrey Archer, 19?? The Immigrants' Daughter Mondo Rexino Mondo, 2010-05 The Immigrants Daughter chronicles the growth of corruption its highs its lows from the early nineteenth century through the romantic 20s and 30s to the present egregious courtroom dramas It uncovers the obscene abuse she suffered at the hands of her family and the California Court System In her unrelenting fight for justice and truth she found a love few have ever known The immigrants daughter created her own fortune from scratch and gave faith hope and love to others even her enemies The author witnessed in part the corrupt inconsolable crimes committed against her by her two sons and Los Angeles and Santa Barbara Counties which led to the most bizarre rape ever pulled off by California court judges They stripped her of her good name her reputation her lifetime achievements her entrepreneurship and her fortune A depraved woman medical doctor fraudulently assisted by the Santa Maria District Attorney and her attorney lover diagnosed her as having a mental disorder then Dementia and finally Alzheimer s They had the Santa Barbara Alzheimer s Association award her a scholarship to a Senior Day Care facility In essence she was branded as insane when there was nothing wrong with her mental capacities She did nothing wrong She was then disqualified from testifying against the corrupt judiciary This is her story *Prodigal Daughter* Christian j Raines, 2024-07-17 Cultures in our world often endorse the acceptability of beliefs and behaviors that God does not approve of Can a man be wiser than God The answer to that question from the Christian biblical perspective is Absolutely not Viewing women as objects of lust and not people of value who Jesus sacrificed His life to save and redeem is one of the problems of this world we live in This Christian fiction novel I wrote aims to shine the light of Jesus Christ on the consciousness of the reader partly in an attempt to uncover and expose the lies of the enemy about the consequences of sexual sins There is only one truth and that is found in the gospels of Jesus the Messiah There are some that want people and women specifically to be blind to the destructive nature of sin because misery loves company and because a predator wants prey The fact is that there are many great reasons to obey God in this area of life including preventing sexually transmitted diseases eliminating the possibility of an unwanted pregnancy or abortion having the support of a God fearing spouse to manage the difficulties of life and raising children together and even financial security because of the commitment and trust in a Christian marriage that is truly devoted to God In this book you will read about a prodigal daughter named Magdalene I m sure that name is familiar to Bible readers Magdalene s various experiences through her journey of life which I created as an expression of literary art illustrate the importance of making good decisions when tackling real life issues in our world today such as those mentioned above Even more real is the Savior of this world that Magdalene encounters who welcomes her as a loving Father The parable Jesus teaches us in Luke 15 found in the Bible inspired me to write this book When Magdalene accepts Jesus into her heart after an encounter with a special person sent to her by God Magdalene also learns to take accountability for her own mistakes In this way she finds

forgiveness repentance and a closer relationship with Jesus that brings her a new and better life Magdalene leaving her old life and turning toward Jesus is the exciting part of this book I am not going to give any spoilers because I want you to read this book and find out for yourself what happens I wrote this book for the saved and the lost so if you are a prodigal son or daughter then this book is for you too My hope is that some women might read this book who identify with Magdalene s lifestyle at the beginning of the book and that those readers feel the Holy Spirit calling them to make a decision to live by faith in Jesus Christ as happens to several characters in this book Jesus is real God loves you no matter what you ve done because of His goodness not because any of us can ever earn His love and goodness God s grace is always a gift For by grace you have been saved through faith and this is not of yourselves it is the gift of God not a result of works so that no one may boast Ephesians 2 8 9 NASB

Contradiction Jeff McSwain,2023-09-22 Does God s grace grab you and stir you to purposeful Spirit filled living Or is the gospel that you hear and preach big on belief and short on embodiment Do you see a need for change whether personal ecclesial or social that transcends us righteous vs them wicked polarizations Beginning with every person s participation in Christ as a keystone to creation Jeff McSwain introduces the vibrant reality of Trinitarian community and shows us the dangers of losing sight of the belovedness we share as humans hidden with Christ in God Avoiding simplistic categories McSwain exalts the total goodness of every person in this world by virtue of creation in Christ while also acknowledging the simultaneous contradiction the total depravity of every person by virtue of the fall If ignoring our human duplicity contributes to relational fractures at every level McSwain s dimensional view of human agency urges us to embrace the redemptive truth

of our identity in Christ and to refuse our false destructive selves that have been crucified with Christ Filled with scriptural exegesis and practical illustrations that pastors and teachers will especially appreciate this project is a refreshing application of Christology to anthropology and everyday life an inspiring work of systematic theology aimed at systematic change
