Prodigal Husband:

The Prodigal Husband Jacquelin Thomas,2021 Once Tori and Jake Madison had a loving satisfying marriage But Jake s long hours spent on his growing business and Tori s insecurities and self doubts have taken a toll on their relationship When a tragedy threatens the bonds of their marriage Jake seeks comfort in the arms of another woman But his feelings for Tori still burn hotly and he knows that the only way to reclaim what they have lost is to come home In spite of Jake s betrayal Tori cares deeply for her husband If they are to reconcile though changes must be made Complicating things is Sheila Moore Jake s sexy conniving business partner who lured him into her bed once and is now determined to hook him for good But she underestimates the power of a wife in love one who has no intention of giving up without a fight *The Prodigal Husband* Jacquelin Thomas,2002 After the death of their daughter Jake runs away from the situation and has an affair with his business partner Sheila and when he returns to ask his wife Tori for forgiveness Tori calls on God to help her know what to do Time and Gender on the Shakespearean Stage Sarah Lewis,2020-09-24 An original study of the ways in which temporal concepts and gendered identities intersect in early modern theatre and culture The Prodigal Spouse Hal Moroz,2019-10-13 The Parable of the Prodigal Son is found in the text of the New Testament in Luke 15 11 32 to be exact It was told by Jesus to His followers to illustrate God s love and forgiveness even when one would abandon the security and blessings God has bestowed to follow a fallen wisdom over that which God has provided It is illustrative of a common theme woven throughout the Bible starting with Adam and Eve through the Tower of Babel to the doubting Israelites in the wilderness and even to the present day The truth of the Parable of the Prodigal Son applies to spouses as well and it is a testament to God s unconditional love and the realization that our loved ones will sometimes head out on their own outside the will of God only to realize the treasure they lost in their rebellion And it bears noting that in the Parable of the Prodigal Son the father had the means and wherewithal to stop his son from leaving but knew it was the choice of his son And the Parable is a lesson in the ways God works and those ways are explored throughout this work *The Prodigal Spouse* also comes with a compendium of inspirational verses directly from the Word of God designed to give thoughts of peace and not of evil that will guard your hearts and your minds and give you hope for the future *Brave New Marriage* Michael G. Berner, Mike Berner,2010-06 What makes a marriage What is family Where does divorce fit in Who is brave enough to get real about marriage Over the past 50 years the answers to the above questions have changed Having experienced a period of uncertainty and confusion concerning marriage and family Mike Berner wanted to know God s truth *Brave New Marriage* explores what the Bible has to say about marriage its beginnings its purposes its duration This sure to be classic gives the reader a renewed understanding of what the Bible says about marriage family and divorce Written for the serious student of the Scriptures Berner sequentially takes the reader through the Bible discussing the common passages on marriage and family as well as those passages most others avoid When compared to today s elastic and confused views of marriage and

The Permanency of Marriage Michael G. Berner,2025-07-30 The Permanency of Marriage takes the reader sequentially through the Bible explaining what the Bible says about marriage and its duration This book explores the

common and not so common arguments for divorce and the Biblical response to each Berner grew up in the 1950s and 60s Before and during that time period marriage was for life Divorce was openly condemned and brought severe consequences from the church and from society In the 1960s as his pastors and teachers changed their position from divorce is wrong to God allows divorce for specific situations questions arose If God s character never changes how can divorce go from wrong to right If God s counsel never changes how can divorce go from wrong to acceptable If God s Word never changes how can divorce go from wrong to beneficial The Permanency of Marriage addresses these questions Berner s desire for answers was furthered when the issue of divorce and remarriage surfaced in the life of a very close personal friend Later this issue surfaced in his immediate family With his own marriage approaching his need to know was immensely personal When his wife obtained her divorce finding God s answers became a necessity Berner had to know exactly what God expected of him regardless of what family friends religious leaders and literature said His book provides answers to these questions As he studied for answers to the above questions Berner noticed those advocating for divorce and for divorce and remarriage used the same chapters and verses with slight differences to support their position Those advocating no divorce and no remarriage used a set collection of chapters and verses to defend their position Both groups ignored verses that did not fit their predetermined belief and behavior The Permanency of Marriage deals with the chapters and verses used by both groups And it deals with chapters and verses ignored by both groups Berner also noticed with almost no exceptions books articles sermons interviews etc on divorce and remarriage deliberately avoid discussing the consequences of both divorce and remarriage consequences on the husband wife on the children and on society in general The Permanency of Marriage includes this topic The Permanency of Marriage includes discussion on the causes of divorce past and present research on divorce and remarriage quotes from early church leaders time of Christ to 500 AD topics such as innocent party before salvation consider them dead and other issues and topics that impact the duration of marriage and the rightness or wrongness of divorce and remarriage Berner states he cannot claim with certainty that his book exhausts everything God says on this topic He further states his book is a study not an entertaining read He asks for everyone to read every reference for themselves Each biblical reference is discussed in detail as it relates to marriage and as it relates to divorce Therefore there will be content repetition All bolding underlining and italics are his unless otherwise noted All verses are from the King James Bible unless otherwise noted
