Prodigal Days The Untold Story Of Evelyn Nesbit:

Prodigal Days Evelyn Nesbit, 2005-07 The memoirs of Evelyn Nesbit the showgirl whose husband Pittsburgh millionaire Harry K Thaw murdered New York's most famous architect Stanford White in June 1906 Labeled The Murder of the Century the murder trial was covered by newspapers around the world

Prodigal Days Evelyn Nesbit, 1934 **The Girl on the Velvet Swing** Simon Baatz, 2018-05-15 From New York Times bestselling author Simon Baatz the first comprehensive account of the murder that shocked the world In 1901 Evelyn Nesbit a chorus girl in the musical Florodora dined alone with the architect Stanford White in his townhouse on 24th Street in New York Nesbit just sixteen years old had recently moved to the city White was forty seven and a principal in the prominent architectural firm McKim Mead White As the foremost architect of his day he was a celebrity responsible for designing countless landmark buildings in Manhattan That evening after drinking champagne Nesbit lost consciousness and awoke to find herself naked in bed with White Telltale spots of blood on the bed sheets told her that White had raped her She told no one about the rape until several years later she confided in Harry Thaw the millionaire playboy who would later become her husband Thaw thirsting for revenge shot and killed White in 1906 before hundreds of theatergoers during a performance in Madison Square Garden a building that White had designed The trial was a sensation that gripped the nation Most Americans agreed with Thaw that he had been justified in killing White but the district attorney expected to send him to the electric chair Evelyn Nesbit's testimony was so explicit and shocking that Theodore Roosevelt himself called on the newspapers not to print it verbatim The murder of White cast a long shadow Harry Thaw later attempted suicide and Evelyn Nesbit struggled for many years to escape an addiction to cocaine

The Girl on the Velvet Swing a tale of glamour excess and danger is an immersive fascinating look at an America dominated by men of outsize fortunes and by the women who were their victims *Seeing the American Woman, 1880-1920* Katherine H. Adams, Michael L. Keene, Jennifer C. Koella, 2011-12-08 From 1880 to 1920 the first truly national visual culture developed in the United States as a result of the completion of the Pacific Railroad Women especially young and beautiful ones found new lives shaped by their participation in that visual culture This rapidly evolving age left behind the cult of domesticity that reigned in the nineteenth century to give rise to new types of women based on a single feature a type of hair skin dress or prop including the Gibson Girl the sob sister the stunt girl the hoochy coochy dancer and the bearded lady Exploring both high and low culture from the circus and film to newspapers and magazines this work examines depictions of women at the dawn of mass media depictions that would remain influential throughout the twentieth century *Radiance and Symbolism in Modern Stained Glass* Liana De Girolami Cheney, 2016-02-08 This book focuses on the aesthetic symbolic and cultural concepts of radiance and beauty in stained glass in modern art global exchanges between stained glass artists in Europe and the Americas and the transformation of stained glass from religious decoration to secular material culture Unique features of the book include its geographic breadth encompassing England France Italy USA and Mexico and its inclusion of American

female glassmakers Essays consider how stained glass became an art form during this time and show how the narrative for the figurative design drew from the Bible mythology history literature and the symbolism of the time including popular culture such as ecology and materiality Written for students and the general public interested in the humanities literature history art history and new media and popular culture this book examines the visual beauty and symbolism of stained glass windows in Europe and American cultures during the late nineteenth and early twentieth centuries the modern era

Saving Sin City Mary Cummings, 2018-05-01 When Stanford White was murdered by Harry K Thaw in 1906 his death became known as The Crime of the Century Thaw was the debauched and deranged heir to a Pittsburgh fortune with a sadistic streak White was an artistic genius and one of the world's premier architects who became obsessed with a teenaged chorus girl Evelyn Nesbit Nesbit and Thaw would eventually marry but Thaw's lingering jealousy and anger culminated in White's murder and shocking trial about a murder committed in front of dozens of eyewitnesses Promising young D A William Travers Jerome would find his faith in himself and the law severely tested as he battled colorful crooks licentious grandees and corrupt politicians Cummings brilliant reveals the social issues simmering below the surface of New York that Jerome had to face Filled with mesmerizing drama rich period details and fascinating characters *Saving Sin City* sheds fresh light on crimes whose impact still echoes throughout the twenty first century

A Season of Splendor Greg King, 2008-10-01 Journey through the splendor and the excesses of the Gilded Age Every aspect of life in the Gilded Age took on deeper transcendent meaning intended to prove the greatness of America residences beautified their surroundings works of art uplifted and were shared with the public clothing exhibited evidence of breeding jewelry testified to cultured taste and wealth dinners demonstrated sophisticated palates and balls rivaled those of European courts in their refinement The message was unmistakable the United States had arrived culturally and Caroline Astor and her circle were intent on leading the nation to unimagined heights of glory From *A Season of Splendor* Take a dazzling journey through the Gilded Age the period from roughly the 1870s to 1914 when bluebloods from older established families met the nouveau riche headlong railway barons steel magnates and Wall Street speculators and forged an uneasy and glittering new society in New York City The best of the best were Caroline Astor's 400 families and she shaped and ruled this high society with steel *A Season of Splendor* is a panoramic sweep across this sumptuous landscape presenting the families the wealth the balls the clothing and the mansions in vivid detail as well as the shocking end of the era with the sinking of the Titanic

Trials of Passion Lisa Appignanesi, 2015-07-15 A journey into the heart of dark passions and the crimes they impel When passion is in the picture what is criminal what is sane what is mad or simply bad Through court and asylum records letters and newspaper accounts this book brings to life some sensational trials between 1870 and 1914 a period when the psychiatric professions were consolidating their hold on our understanding of what is human Outside fiction individual emotions and the inner life had rarely been publicly discussed now in an increasingly popular press and its courtroom reports people avidly consumed

accounts of transgressive sexuality savage jealousy and forbidden desires These stood revealed as aspects not only of those labelled mad but potentially of everyone With great story telling flair and a wealth of historical detail Lisa Appignanesi teases out the vagaries of passion and the clashes between the law and the clinic as they stumble towards a sometimes reviled collaboration Sexual etiquette and class roles attitudes to love madness and gender notions of respectability and honor insanity and lunacy all are at play in that vital forum in which public opinion is shaped the theater of the courtroom **The Encyclopedia of Vaudeville** Anthony Slide,2012-03-12 The Encyclopedia of Vaudeville provides a unique record of what was once America s preeminent form of popular entertainment from the late 1800s through the early 1930s It includes entries not only on the entertainers themselves but also on those who worked behind the scenes the theatres genres and historical terms Entries on individual vaudevillians include biographical information samplings of routines and often commentary by the performers Many former vaudevillians were interviewed for the book including Milton Berle Block and Sully Kitty Doner Fifi D Orsay Nick Lucas Ken Murray Fayard Nicholas Olga Petrova Rose Marie Arthur Tracy and Rudy Vallee Where appropriate entries also include bibliographies The volume concludes with a guide to vaudeville resources and a general bibliography Aside from its reference value with its more than five hundred entries The Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten Many of the vaudevillians here including Jack Benny George Burns and Gracie Allen Jimmy Durante W C Fields Bert Lahr and Mae West are familiar names today thanks to their continuing careers on screen At the same time and given equal coverage are forgotten acts legendary female impersonators Bert Savoy and Jay Brennan the vulgar Eva Tanguay with her billing as The I Don t Care Girl male impersonator Kitty Doner and a host of freak acts **Looking for Anne of Green Gables** Irene Gammel,2024-03-26 In June 1908 a red haired orphan appeared on to the streets of Boston and a modern legend was born That little girl was Anne Shirley better known as Anne of Green Gables and her first appearance was in a book that has sold more than 50 million copies worldwide and been translated into more than 35 languages including Braille The author who created her was Lucy Maud Montgomery a writer who revealed very little of herself and her method of crafting a story On the centenary of its publication Irene Gammel tells the braided story of both Anne and Maud and in so doing shows how a literary classic was born Montgomery s own life began in the rural Cavendish family farmhouse on Prince Edward Island the place that became the inspiration for Green Gables Mailmen brought the world to the farmhouse s kitchen door in the form of American mass market periodicals sparking the young Maud s imagination From the vantage point of her small world Montgomery pored over these magazines gleaning bits of information about how to dress how to behave and how a proper young lady should grow She began to write learning how to craft marketable stories from the magazines popular fiction at the same time the fashion photos inspired her visual imagination One photo that especially intrigued her was that of a young woman named Evelyn Nesbit the model for painters and photographers and lover of Stanford White That photo was the spark for what became Anne Shirley Blending biography

with cultural history Looking for Anne of Green Gables is a gold mine for fans of the novels and answers a trunk load of questions Where did Anne get the e at the end of her name How did Montgomery decide to give her red hair How did Montgomery's courtship and marriage to Reverend Ewan Macdonald affect the story Irene Gammel's dual biography of Anne Shirley and the woman who created her will delight the millions who have loved the red haired orphan ever since she took her first step inside the gate of Green Gables farm in Avonlea *The Press on Trial* Lloyd E. Chiasson, 1997-08-28 Perhaps no drama catches the interest of the American public more than a spectacular trial Even though the reporting of a crime may quickly diminish in news value the trial lingers while drama builds Although this has become seemingly more pronounced in recent years with the popularity of televised trials public interest in criminal trials was just as high in 1735 when John Peter Zenger defended his right to free speech or in 1893 when Lizzie Borden was tried for the murder of her father and stepmother This book tells the stories of sixteen significant trials in American history and their media coverage from the Zenger trial in 1735 to the O J Simpson trial in 1995 Each chapter relates the history of events leading up to the trial the people involved and how the crimes and subsequent trials were reported **"Dementia Americana"** Martha Merrill Umphrey, 2000 **From the Footlights to the Tenderloin** David Grassé, 2024-07-04 In her early 20s Edna Loftus had the world at her feet As a showgirl in England and France during the Edwardian era she appeared in many successful theater productions regularly graced the pages of contemporary magazines and was featured on numerous picture postcards She hobnobbed with royalty and kept company with the creme de la creme of European society Then fate seemingly turned on Edna After two unsuccessful marriages the second ending with her husband being incarcerated in an asylum she was left alone in California and her decline into poverty and prostitution became fodder for the newspapers which had once sung her praises By the time of her death in her early 30s Edna was a pathetic figure pointed out as a bit of a curiosity because she once had been famous on two continents Edna Loftus was very much a product of her times It was not simply a matter of bad choices on Edna's part which led to her dissolution but also the institutionalized socio cultural constructs of patriarchy classism and religious intolerance of the Edwardian Era This biography the first ever written about Edna examines how these factors played into her descent from the sparkling footlights of the European theaters to the red lights of San Francisco's infamous Tenderloin District and destroyed her in the end *Life: The Movie* Neal Gabler, 2011-04-27 The story of how our bottomless appetite for novelty gossip and melodrama has turned everything news politics religion high culture into one vast public entertainment Neal Gabler calls them lifies those blockbusters written in the medium of life that dominate the media and the national conversation for weeks months even years the death of Princess Diana the trial of O J Simpson Kenneth Starr vs William Jefferson Clinton Real Life as Entertainment is hardly a new phenomenon but the movies and now the new information technologies have so accelerated it that it is now the reigning popular art form How this came to pass and just what it means for our culture and our personal lives is the subject of this witty concerned and sometimes eye opening book A

thoughtful in places chilling account of the way entertainment values have hollowed out American life The New York Times Book Review **The Grandest Madison Square Garden** Suzanne Hinman,2019-05-23 November 1891 the heart of Gilded Age Manhattan Thousands filled the streets surrounding Madison Square fingers pointing mouths agape After countless struggles Stanford White the country s most celebrated architect was about to dedicate America s tallest tower the final cap set atop his Madison Square Garden the country s grandest new palace of pleasure Amid a flood of electric light and fireworks the gilded figure topping the tower was suddenly revealed an eighteen foot nude sculpture of Diana the Roman Virgin Goddess of the Hunt created by Augustus Saint Gaudens the country s finest sculptor and White s dearest pal The Grandest Madison Square Garden tells the remarkable story behind the construction of the second 1890 Madison Square Garden and the controversial sculpture that crowned it Set amid the magnificent achievements of nineteenth century American art and architecture the book delves into the fascinating private lives of the era s most prominent architect and sculptor and the nature of their intimate relationship Hinman shows how both men pushed the boundaries of America s parochial aesthetic ushering in an era of art that embraced European styles with American vitality Situating the Garden s seminal place in the history of New York City as well as the entire country The Grandest Madison Square Garden brings to life a tale of architecture art and spectacle amid the elegant yet scandal ridden culture of Gotham s decadent era [Policing Cinema](#) Lee Grieveson,2004-05-24 Publisher Description **The Architect of Desire** Suzannah Lessard,2013-01-23 The story of Stanford White his scandalous affair with the 16 year old actress Evelyn Nesbit his murder in 1906 by her husband the millionaire Harry K Thaw and the hailstorm of publicity that surrounded the trial of the century has proven irresistible to generations of novelists historians and biographers The premier neoclassical architect of his day White s legacy to the world were such masterpieces as New York s original Madison Square Garden the Washington Square Arch and the Players Metropolitan and Colony clubs He was also responsible for the palaces of such clients as the Whitneys Vanderbilts and Pulitzers the robber barons of the Gilded Age whose power and dominance shaped the nation in its heady ascent at the turn of the century As the century rolled on however the story of Stanford White and Evelyn Nesbit came to be viewed as glamorous and romantic the darker narrative of White s out of control sexual compulsion obscured by time Indeed White s wife Bessie and his son Larry remained adamantly silent about the matter for the duration of their lives a silence that reverberated through the next four generations of their extended family Suzannah Lessard is the eldest of Stanford White s great grandchildren It was only in her 30 s that she began to sense the parallels between the silence about her great grandfather s life and the silence about her own perilous experience as a little girl in her own home Thus she became drawn to the remarkable history of her family in order to uncover its hidden truths and in so doing to liberate herself from its enclosure at last The result is a multi layered memoir of astonishing elegance and power one that like a great building is illumined room by room chapter by chapter until the whole is clearly seen **Dictionary Catalog of the Research**

Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 The Great American Songbooks T. Austin Graham,2013-01-31 In the late nineteenth and early twentieth centuries American authors pioneered a mode of musical writing that quite literally resounded beyond the printed page Novels gained soundtracks poetry compelled its audiences to sing and the ostensibly silent act of reading became anything but The Great American Songbooks is the story of this literature at once an overview of musical and authorial practice at the century s turn an investigation into the sensory dimensions of reading and a meditation on the effects that the popular arts have had on literary modernism The writings of John Dos Passos Theodore Dreiser T S Eliot F Scott Fitzgerald Langston Hughes Jean Toomer and Walt Whitman are heard in a new key the performers and tunesmiths who inspired them have their stories told and the music of the past long out of print and fashion is recapitulated and made available in digital form A work of criticism situated at the crossroads of literary analysis musicology and cultural history The Great American Songbooks demonstrates the importance of studying fiction and poetry from interdisciplinary perspectives and it suggests new avenues for research in the dawning age of the digital humanities **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1962 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June
