The Prodigal Sons Michael Jasper, 2011-08-04 Three generations of Koopmans live uneasily under the same roof of a farm house twenty miles from the center of Holy Cross Iowa Thirty year old William Koopman needs to move out But Dad wanted him on the farm after Grandpa died so William stayed married his girl Marcy and even brought her to the farmhouse to live The poor girl made it a year before she bolted at the end of a rough winter A week after Marcy leaves William s shiftless younger brother John returns home The prodigal son with no money in his wallet but lots of ideas to make it all back in Holy Cross If they all survive this rainy growing season on the farm it will truly be a miracle *A Tale of Two Sons* John F. Matthean Posteriority Robert K. MacEwen, 2015-02-26 This book explores the Matthean Posteriority Hypothesis MPH a largely neglected solution to the Synoptic Problem which holds that the author of the Gospel of Luke used the Gospel of Mark as a source and that the author of the Gospel of Matthew used both the Gospel of Mark and the Gospel of Luke as sources MacEwen begins with a survey of the scholars who have defended various forms of the MPH Chapter 2 discusses two key lines of evidence which support the MPH The first line of evidence is textual demonstrating that Matthew could have known the contents of Luke's Gospel beyond merely the double tradition material The second line of evidence involving a study of strings of verbatim agreements in the Gospels supports the view that Matthew depended directly on Luke Chapter 3 explores evidence and arguments which can be seen as problematic for the MPH MacEwen concludes that the MPH has been neither definitely proved nor disproved and deserves further scholarly scrutiny

Joyful Sons and Daughters Fr Dave Pivonka TOR, 2025-01-03 Experience a radical love when you encounter God not as a Father but as my Father Jesus makes over 150 references to God as Father in the Gospels And yet for many it is a struggle to experience God is a good and loving Father Fr Dave Pivonka draws from his years of experience praying with people as well as wisdom and personal reflections from respected and relevant voices in the Church to explore what it means to be a son or daughter of God Whether we were blessed with a healthy experience of fatherhood or come out of childhood with deep wounds it is God's will for each of us to have a deeper relationship with God the Father *Joyful Sons and Daughters* explores how Jesus reveals the

Father to us how we can find healing in our relationship with him and how we can experience the goodness faithfulness and love of God today **When Sons Return Home** John B. Murray, 2024-04-24 As I researched the title of this book I discovered that there are so many families that were torn apart by their sons or daughters They were raised with love and compassion yet they decided to venture out on their own in a far country to live a life free from the authority of their parents When life doesn't go the way they thought losing everything they inherit and ending up in low down situations they finally come to their senses What kind of sons return home to their parents The Parables of Jesus Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached **WHOLE** Jeff Bauer, 2024-06-12 Jesus once said I have come that they may have life and that they may have it more abundantly John 10 10b If you are not experiencing abundant life in your walk with Jesus it is my hope this book will help you in your journey

No Duty to Retreat Richard Maxwell Brown, 1994 In 1865 Wild Bill Hickok killed Dave Tutt in a Missouri public square in the West's first notable walkdown One hundred and twenty nine years later Bernard Goetz shot four threatening young men in a New York subway car Apart from gunfire what do the two events have in common Goetz writes Richard Maxwell Brown was acquitted of wrongdoing in the spirit of a uniquely American view of self defense a view forged in frontier gunfights like Hickok's When faced with a deadly threat we have the right to stand our ground and fight We have no duty to retreat **Watch on the Right** J. David Hoeveler, 1991 The ascendancy of conservatism in the last twenty years is an unprecedented episode in American intellectual and political history In Watch on the Right J. David Hoeveler Jr gives us enlightening often immensely entertaining portraits of the key thinkers behind this revolution As Hoeveler writes conservative thinkers hang their hats on many different racks and this book dramatizes for us the breadth of the conservative coalition as exemplified by the eight writers surveyed William F Buckley Jr George Will Robert Nisbet Irving Kristol Hilton Kramer Jeanne Kirkpatrick R Emmett Tyrrell Jr and Michael Novak These eight gurus of the right represent a very wide spectrum of conservative thought but Hoeveler also considers the present day conservative renaissance against the literary background that has given the movement its identity since Edmund Burke Amid the multiple voices unifying themes do emerge American conservatives share a hostility toward the liberal new class the professional media and academic elites and the entrenched government bureaucracies that still believe in the perfectibility of society by enforced social engineering Moreover conservatives of all persuasions are united in struggling to sustain traditional values against the onslaught of revolutionary capitalism and technology and all are profoundly hostile to imperialistic communism on the Soviet model Despite the existence of a generic conservatism however Hoeveler's portraits provide us with a fascinating tour of the shifts and turns in modern social thought from the decline of liberalism in the late 1960s to the current era a path that leads through such diverse areas as the Cold War bourgeois culture art and aesthetics civil rights and the welfare state New Age culture and the gender revolution To a whole generation that has never known anything but conservative leadership Watch

on the Right will explain in clear accessible prose how the movement flourished in the 1970s and 1980s For readers who saw it happen but never thought it would and for liberals who are feverishly trying to recover their mandate this book as no other pulls the ideological threads of the story together Watch on the Right is illustrated with delightful pen and ink caricatures

The Christian (1934-1940) Watchman Nee, 1993-05-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry *The Author of Love* Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question that's begging to be answered is Who is God This devotional evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you
