Professional Ideologies And Preferences In Social Work A Global Study:

Professional Ideologies and Preferences in Social Work Idit Weiss, John Gal, John C. Dixon, 2003-12-30 Weiss Gal Dixon and their contributors provide the first large scale cross national and cross cultural examination of the views and the perceptions of social workers through this analysis of graduating social worker students on the threshold of their careers in social work They identify and analyze the graduating social work students attitudes towards the sources of social distress the preferred ways to deal with social problems the goals of social work and their professional preferences with regard to client groups types of professional activity and place of work Since first being practiced more than a century ago social work has become an international profession and is today an integral part of the social services in many different countries However as Weiss Gal Dixon and their contributors make clear there is a distinct lack of ideological consensus over the goals tasks desired technologies major client groups the preferred sector in which to operate and a variety of other issues Throughout its history social work has undergone a constant process of change nonetheless despite the existence of a common professional core social work is quite clearly socially constructed and takes very different forms in the various national settings throughout the world This book provides the first large scale cross national and cross cultural examination of the views and perceptions of social workers through an analysis of graduating social worker students at the threshold of their careers in social work The country chapters identify and analyze the graduating social work students attitudes towards the sources of social distress the preferred ways to deal with social problems the goals of social work and their professional preferences with regard to client groups types of professional activity and place of work Experts on social work provide analyses on Australia Brazil Canada Germany Hong Kong Hungary Israel the United Kingdom the United States and Zimbabwe

Organizational and Structural Dilemmas in Nonprofit Human Service Organizations Hillel Schmid, 2013-01-11 Improve your organization s performance for the well being of your clients Organizational and Structural Dilemmas in Nonprofit Human Service Organizations explores the common pitfalls that plague nonprofit human service organizations and cause them to fail in their missions In this book leading scholars analyze and evaluate the inherent difficulties that impede effectiveness in these organizations With this wide ranging body of knowledge research findings and information you will be able to identify key areas in your organization that may become troublesome at a later date and prevent them from deteriorating This valuable tool also includes advice and suggestions for repairing detrimental situations that have already occurred or are taking place The book supplies solutions for repairing or preventing any permanent damage to your organization s structure value or reputation Organizational and Structural Dilemmas in Nonprofit Human Service Organizations will help you set successful long term strategies for your organization despite changes in laws programs and public sentiment With this book you will learn more about the changing identity of federated community service organizations the role of congregations as social service providers volunteer and paid staff relations the implications of

welfare to work programs the cycles of public sentiment as expressed through the media the issue of nonprofit executive misbehavior the preferences of social work graduates for employment in various sectors of the welfare economy such as for profit as opposed to nonprofit the differences between for profit and nonprofit organizations *International Social Work: Oxford Bibliographies Online Research Guide* Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Culture, Community, and Development Rhonda Phillips,Mark A. Brennan,Tingxuan Li,2020-02-21 Culture is a living thing In social settings it is often used to represent entire ways of life including rules values and expected behavior Varying from nation to nation neighborhood to neighborhood and beyond even in the smallest localities culture is a motivating factor in the creation of social identity and serves as a basis for creating cohesion and solidarity This book explores the intersection of culture and community as a basis for locally and regionally based development by focusing on three core bodies of literature theory research and practice The first section theory uncovers some of the more relevant historical arguments as well as more contemporary examinations Continuing the research section sheds light on some of the key concepts variables and relationships present in the limited study of culture in community development Finally the practice section brings together research and theory into applied examples from on the ground efforts During a time where the interest to retain the uniqueness of local life traditions and culture is significantly increasing in community based development the authors offer a global exploration of the impacts of culturally based development with comparative analysis in countries such as Korea Ireland and the United States A must read for community development planners policymakers students and researchers

National Systems of Child Protection Lisa Merkel-Holguin,John D. Fluke,Richard D. Krugman,2018-08-06 This volume provides a wide spectrum description analysis of the contemporary and well established child protection systems in a range of countries such as Australia Canada Netherlands and Spain It presents a brief orientation about the public and private

systems involved in protecting children in each country Further the book identifies current key policy and implementation drivers that orient the systems of child protection such as children s rights family preservation use of evidence and public health orientation Finally it presents a critical analysis of the strengths and limitations of the systems as well as strategies for prospects for improving outcomes for children and their families *Private Troubles or Public Issues?* Walter Lorenz, Ian Shaw, 2018-11-09 This book bears testimony to the value of a progressive form of academisation of social work education in most European countries including former communist countries which had to re establish social work education It also manifests the confidence of contributors in belonging to a serious academic discipline and the fruitfulness of bringing research home from neighbouring disciplines such as sociology psychology social policy or pedagogy into the mainstream of social work The contributions to this book converge on a small number of core issues for contemporary social work These are methodologically the conceptualisation of different and interacting dimensions of diversity and practically the defence of professionalism and discretion against encroachment by neo liberal ideologies and cost cutting regulations In so doing this underscores that theory matters in social work Authentic social work research can demonstrate that social work practice has no reason to shy away from basing itself on evidence and being professionally accountable as long as its notion of evidence recognises and does justice to the complexity of social problems and acknowledges the value of inter subjectivity in producing useable and ethically grounded evidence This book was originally published as a special issue of the European Journal of Social Work Professional Identity in the Caring Professions Roger Ellis, Elaine Hogard, 2020-12-29 Professional identity is a central topic in all courses of professional training and educators must decide what kind of identity they hope their students will develop as well as think about how they can recruit for facilitate and assess this development This unique book explores professional identity in a group of caring professions looking at definition assessment and teaching and learning Professional Identity in the Caring Professions includes overviews of professional identity in nursing medicine social work teaching and lecturing along with a further chapter on identity in emergent professions in healthcare Additional chapters look at innovative approaches to selection competency development professional values leadership potential and reflection as a key element in professional and interprofessional identity The book ends with guidance for curriculum development in professional education and training and the assessment of professional identity This international collection is essential reading for those who plan deliver and evaluate programs of professional training as well as scholars and advanced students researching identity in the caring professions including medicine nursing allied health social work and teaching **Social Work and the Making of Social Policy** Klammer, Ute, Leiber, Simone, 2020-12-16 Bringing together international case studies this book offers theoretical and empirical insights into the interaction between social work and social policy Moving beyond existing studies on policy practice the book employs the policy cycle as a core analytical frame and focuses on the influence of social work ers in the problem definition agenda setting policy formulation and

implementation of social policy Twenty three contributors offer examples of policy making from seven different countries and demonstrate how social work practitioners can become political actors while also encouraging policy makers to become aware of the potential of social work for the social policy making process

European Social Work - A Compendium

Fabian Kessl, Walter Lorenz, Hans-Uwe Otto, Sue White, 2019-11-25 The publication takes account of the fundamental developments transforming social work in Europe at the beginning of the 21st century A European standard of social work has already emerged but models for future European social work are absent Therefore the compendium gives an overview of the current transformation process for the first time discusses the visible and invisible changes and maps out where social work is positioned in the emerging post welfare states

Where Academia and Policy Meet John Gal, Idit

Weiss-Gal, 2017-03-29 Based on data from 12 diverse societies this is the first cross national comparative study on academic engagement in social policy formulation The chapters present survey data on the policy involvement of social work academics in different countries and an analysis of this data by country experts The findings relate to the levels and types of policy engagement of the social work academics their perceptions regarding this type of activity and the factors associated with this This unique perspective on the academia society nexus is essential reading for academics and students interested in the ongoing debate on the role of academia in policy particularly those policies dealing with issues of social justice and social change

The Routledge Handbook of the Welfare State Bent Greve, 2013

The welfare state in all its many forms has had a profound role in many countries around the world since at least the Second World War The Routledge Handbook of the Welfare State explores the classical issues around the welfare state but also investigates its key concepts along with how these can be used and analysed This book provides expert analysis of the core issues related to the welfare state including regional depictions of welfare states around the globe The book combines essays on methodologies core concepts and central policy areas to produce a comprehensive picture of what the welfare state means around the world In the midst of the credit crunch this book addresses some of the many questions about the welfare state This book is suitable for students and scholars throughout the social sciences particularly in sociology social policy public policy international relations politics and gender studies

Liber Amicorum Marius Paul Olivier, Letlhokwa George Mpedi, Evance Kalula, 2020-12-10

Though some may categorise this work as a memorial publication this book of friends is truly a celebratory publication by colleagues from Africa and beyond who had the privilege to know Edwell and Mathias personally It is a tribute to the life and work of two individuals that each made a unique contribution to social justice law and its development As evidenced by the Tributes and Lists of Publications contained herein both Edwell and Nyenti as they were colloquially known were productive scholars but they leave a legacy that extends beyond the academic realm to that of friendship and shared humanity

Global

Mindedness in International Social Work Practice Janet Carter Anand, Chaitali Das, 2019-04-10 International social work is too often used as a bolt on subject which considers others outside the national framework Instead this book encourages

readers to embrace the concept of globally minded social work practice This means paying closer attention to globalisation and broader issues of social justice mirroring the kind of changing professional context social workers practice in today Drawing on a Local Global Local framework the authors promote critical reflection and dialogue across diverse contexts of practice They outline why global mindedness is a priority for the future of social work practice before considering how it is defined and applied in practice Examples are drawn from a wide range of contexts including working with children young people adults and communities across different countries *Journal of Education for Social Work* ,2005

Social Work with Children and Families Penelope Welbourne,2012 There is an increasing emphasis on post qualifying training for social workers especially in the complex and demanding area of working with children and families This essential textbook is especially designed for practitioners studying at this level Accessible and thorough the text focuses on a mixture of conceptual and organisational topics skills law policy and key practice issues It includes chapters on Social work values and ethics Risk uncertainty and accountability Direct work with children and young people Promoting security and stability Working with reluctant service users Assessment of parenting Working with poverty drugs and alcohol Going to court and the legal framework Children and young people going home Supporting others in their professional development Using case studies and activities to link research theory and practice Social Work with Children and Families takes a wider look at the role and tasks of an experienced social work practitioner and the skills and knowledge needed to develop professionally from this point *Doing Social Work Research* Louise Hardwick,Aidan Worsley,2010-10-15 This book is a practical beginner s guide to both conducting and using research within the context of social work practice A clear and accessible introduction to applied research methods for social work students and practitioners this text covers the key themes debates and approaches including The ethics of social work research Conducting interviews and questionnaires Focus groups Observation and narrative The involvement of service users Analyzing data With practical exercises and reflective questions this is an essential text for undergraduate and postgraduate qualifying social work students

Social Workers Affecting Social Policy John Gal,Idit Weiss-Gal,2014-06-04 Furthering social justice and human rights is a fundamental principle underlying the social work profession Engaging in social policy formulation processes is a major route through which social workers can realise this goal This type of social work activity has been termed policy practice The aim of this book is to shed light on policy practice in social work discourse education and practice in eight liberal democracies This is the first effort to undertake a cross national study of social worker engagement in social policy formulation processes The book offers insights into questions such as what is the importance attributed to social worker involvement in policy change in the social work discourse and education in different countries and how do social workers influence social policy in various national settings These issues are relevant to social worker practitioners students educators and researchers as well as to social policy scholars who are interested in the role of professionals in social policy formulation *Post-Qualifying Child Care Social*

Work Gillian Ruch, 2008-11-13 The first text to systematically address the learning needs of post qualifying child care social workers Soundly organized and engagingly written with useful summaries and reflective exercises for students it is a very fine text that will be widely used Nick Pike Principal Lecturer in Social Work University of Gloucestershire This textbook provides an overview of the Post Qualifying Child Care Award in social work Written in response to recent policy and training guidelines it provides the underpinning knowledge for candidates following the Post Qualifying curriculum It helps child care social workers acquire and develop the breadth of knowledge and understanding that characterise best practice Key features include Chapters on reflective collaborative and critical practice child development child observation case management and managing risk working in partnership with children and families inter professional working and practice education Links to the relevant post qualifying standards for social work Contributions from a team of practice assessors and programme candidates A practice based approach clearly links theory research and practice An inter professional perspective Case studies activities and points for reflection that encourage the reader to develop ways of challenging and improving their own practice The book equips social workers with the relevant training knowledge and skills to improve the quality of services and their delivery With an emphasis upon continuing professional development this text is suitable for social workers studying for the Child Care Award those already in practice and other social care professionals working with children

Evidence Discovery and Assessment in Social Work Practice Pack, Margaret, 2014-10-31 Social workers play a crucial part in contemporary society by ensuring that individuals are able to address overcome and manage obstacles in their daily lives In an effort to better serve their clients many practitioners have turned to evidence based practice Evidence Discovery and Assessment in Social Work Practice provides practitioners with the tools necessary to locate analyze and apply the latest empirical research findings in the field to their individual practice This premier reference work provides insights and support to professionals and researchers working in the fields of social work counseling psychotherapy case management and psychology

Social Work and Community Development Deborah Lynch, Catherine Forde, 2017-09-16 At a time of growing social economic and environmental challenge this book offers a fresh and engaging perspective on the connections between social work and community development and on how social workers can use a community development approach to practice in critical creative and sustainable ways

Embracing the Song of Expression: An Emotional Symphony within **Professional Ideologies And Preferences In Social Work A Global Study**

In a world eaten by screens and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony created by the prepared word usually fade into the back ground, eclipsed by the constant noise and disruptions that permeate our lives. However, located within the pages of **Professional Ideologies And Preferences In Social Work A Global Study** a marvelous fictional treasure brimming with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this fascinating masterpiece conducts visitors on a psychological trip, well unraveling the hidden songs and profound impact resonating within each cautiously crafted phrase. Within the depths with this moving evaluation, we will examine the book is main harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
