City University of New York USA **The Craft of Professional Writing** Michael S. Malone, 2018-07-13 The Craft of Professional Writing is the most complete book ever written about the real life work of being a writer Covering topics ranging from business writing advertising PR to commercial work news reporting feature writing blogging non fiction books to creative writing screenplays and novels as well as advice on pitching rejection and leading a writer's life the narrative is filled with anecdotes and illuminating stories as well as tricks of the trade in each form of writing For the student The Craft of Professional Writing is the most wide ranging and practical textbook on the subject Designed to be an instructional text for producing professional level work it is also a survey of the various writing professions to enable budding writers to make career decisions For the professional this book is the ultimate reference work offering practical tips and advice they can return to again and again to help them through various phases of their career **Resources in Education** , 2001-10

EBOOK: Just Write It! Greta Solomon, 2013-04-16 Just Write It is a writing skills book with a difference It teaches students to unblock their preconceptions and negative thoughts about writing This helps them to achieve the marks that they are capable of and to realize their full potential Authored by a professional writer and writing coach this book uses a proven method and set of techniques that unlock creativity and teach students to fully articulate their thoughts and tackle any written task Quizzes exercises and checklists allow students to assess their current writing behaviour and track their improvement Students are first introduced to general skills and techniques before learning how to apply these skills to the most common types of writing they are likely to face This unique book covers topics including Developing a positive attitude to writing Using objects to kick start creativity Generating ideas and turning them into arguments Applying your new knowledge to essays dissertations reports and articles Writing your way to your dream job The biggest stumbling block for some students is their writing skills yet the ability to articulate yourself in writing is vital for success Just Write It is a reader friendly step by step book which demystifies academic writing and breaks the process down into bite sized chunks It gives great practical advice in simple stages which guide the reader to developing their writing skills Vanessa Heaslip Senior Lecturer in Adult Nursing Bournemouth University UK This is a well designed book to support undergraduates through their university journey It is user friendly with its clear easy to follow structure This book is a great support mechanism to help undergraduates to achieve I highly recommend this text it is an essential resource for undergraduates Emma Jackson University of Worcester UK

The Complete Idiot's Guide to Writing Business Books Bert Holtje, 2009-09-01 The great idea is only the beginning The typical business book author often lacks style voice pace or focus This guide takes the reader on a virtual tour of business book publishing providing all the information essential to a successful book from shaping the idea to writing the proposal to approaching an agent and beyond Covers the essentials of marketing and publicity Addresses self publishing for those business book writers who simply look to sell their books at conferences The Complete Idiot's Guides dedicated to writing and publishing continue to do well **Evidence Informed Practice for Social Work**

Hugh McLaughlin,Barbra Teater,2017-11-16 Hugh McLaughlin is Professor of Social Work and Head of Faculty Research Degrees at Manchester Metropolitan University UK He has written and edited a range of books on social work practice and research Barbra Teater taught on Social Work courses at the University of Bath and University of Bristol UK before assuming her current position as Professor of Social Work MSW Program Director at the College of Staten Island City University of New York USA She is the bestselling author of *An Introduction to Social Work Theories and Practice* 2nd edition 2014 and *Contemporary Social Work Practice* 2014 Providing a user friendly introduction to Social Work research this textbook will demystify the most important concepts and show why it is important to embrace evidence informed practice EIP In the face of complex and demanding work it is crucial not to focus solely on the concept of evidence based practice but to make use of all the evidence at your disposal and allow this evidence to inform your decisions This book champions the integration of service user and carer knowledge along with practitioners wisdom and the best research evidence to make a difference for service users Containing helpful examples of how to apply EIP to practice encounters as well as a range of further reading and activities to help you to critically reflect on your experience this book explores how EIP can be used to enhance your effectiveness as a Social Work practitioner professional and social scientist Chapters in this textbook explore themes and skills you will need to consider and develop in your practice including Identifying assessing and critiquing difference types of evidence Understanding what constitutes research knowledge Ethical issues in practice and research Implementation of evidence informed practice and evaluating your practice Interprofessional practice and creating evidence informed cultures Written by experts in the field this text is essential reading for all Social Work students and qualified practitioners This book forms part of the Social Work Skills in Practice series The series focuses on key social work skills required for working with children and adult service users families and carers The books offer both theoretical and evidence informed knowledge alongside the application of skills relevant for day to day social work practice They are an invaluable resource for pre qualifying students newly qualified social workers academics teaching and researching in the field as well as social work practitioners including practice educators pursuing continuous professional development This book is an excellent introduction to the subject for social work students and social workers It sets out in a very accessible style the ways in which social workers can develop understanding of key features of and practical ways to make use of Evidence Informed Practice within a real appreciation of the social work role and its values I would advise all social work students and social workers to read it Professor Brian Littlechild PhD Research Lead Department of Nursing and Social Work University of Hertfordshire UK

Writing At Work Edward L. Smith,Stephen A. Bernhardt,1997-03-04 Intended for all levels of writing used at work including memos e mail status reports lab reports and marketing materials this book offers a guide to the rules of grammar and style that are required to achieve quality writing
