## **Professionalization Of Peacekeeping A Study Group Report:**

The Professionalization of Peacekeeping David Wurmser, Nancy Bearg Dyke, 1993 *Professionalization of Peacekeeping* BPI Information Services, DIANE Publishing Company, 1993-01-01 Considers how U N peacekeeping operations could be made more effective primarily through practical reforms for the post Cold War era Focuses on how professionalism could best be accomplished Written by experts both on U N military the militaries of other states in enhanced peacekeeping operations Somalia considered in detail

**The Psychology of Peacekeeping** Harvey Langholtz, 1998-08-27 Langholtz examines how psychology and other social sciences can offer both theoretical explanations and practical applications in the resolution and amelioration of potentially violent international conflicts Since the end of the Cold War and bipolar ideologies the international community has been willing to intervene using approaches that are founded as much in psychology as in force and these remedies have not been confined to the violent periods of conflicts This book examines psychological interventions and issues during three phases of conflicts First the book examines measures available in advance of a threatening conflict through early intervention and an examination of ethno-political issues economic problems and potential diplomatic solutions Second psychological facets of peacekeeping are examined the selection of peacekeepers psychological ambiguities of peacekeeping and the numbing that comes with widespread suffering Finally the book examines the psychological measures available to strengthen a cease fire deal with mines and related after effects of war encourage reconciliation and hasten the return to a stable and durable peace

**Biennial Report of the United States Institute of Peace** United States Institute of Peace, *The Prevention and Intervention of Genocide* Samuel Totten, 2008-03-31 This volume is comprised of over 2 300 annotations on a wide array of issues and topics germane to the subject of preventing the atrocities of genocide and managing these conflicts when they do arise Samuel Totten brings together in one comprehensive collection the research and findings in various fields such as political science sociology history and psychology to enable specialists in genocide studies peace studies and conflict resolution to benefit from the insights of a diverse range of scholars and foster an understanding of how the various components of genocide studies connect Among the topics included are key conventions international treaties and covenants genocide early warning signals and forecasting risk data bases sanctions peacekeeping missions conflict resolution the International Criminal Court realpolitik vis vis the issue of genocide prevention and intervention key non governmental agencies key governmental and UN bodies working on these important issues In addition to the annotations Totten frames the bibliography with a major essay that introduces the reader to the subject of prevention and intervention of genocide raising a host of critical issues regarding the strengths weaknesses and limitations of various approaches germane to issues of managing these conflicts

UN Peacekeeping in Lebanon, Somalia and Kosovo Ray Murphy, 2007-05-10 The concept of UN peacekeeping has had to evolve and change to meet the challenges of contemporary sources of conflict consequently peacekeeping operations have grown rapidly in number and complexity This

book examines a number of issues associated with contemporary multinational peace operations and seeks to provide insights into the problems that arise in establishing and deploying such forces to meet the challenges of current conflicts The focus of the book is three case studies Lebanon Somalia and Kosovo involving a comparative analysis of the traditional peacekeeping in Lebanon the more robust peace enforcement mission in Somalia and the international administration undertaken on behalf of the international community in Kosovo The book analyses the lessons that may be learned from these operations in terms of mandates command and control use of force and the relevance of international humanitarian and human rights law to such operations

**Building Peace** United States Institute of Peace,1994

**Order and Disorder After the Cold War** Brad Roberts,1995 This volume collates 24 articles from The Washington Quarterly The articles all centre around the order and disorder in the post Cold War era evaluating the changing roles of the major powers and the new political and military challenges to internation

**Bait and Switch** Julie Mertus,2013-06-17 Although our era is marked by human rights rhetoric human wrongs continue to be committed with impunity and the idea of human rights is becoming impoverished

**Peace Movements Worldwide** Michael N. Nagler,Marc Pilisuk,2010-12-16 This three volume anthology is a comprehensive overview of how the human yearning for peace has played out and is playing out on this planet Peace Movements Worldwide is quite simply the most comprehensive work of its kind on this important subject In its three volumes experts document the history and growth of the peace movement why it is important who gets involved and how it can succeed Organized by major themes and issues the work examines every facet of human striving for peace from the global to

the personal The first volume History and Vitality of Peace Movements explores the meaning of peace its historical philosophical and biological foundations and related spiritual gender social and economic viewpoints The second volume Players and Practices in Resistance to War discusses control over weapons efforts to prevent and end violent conflict and efforts to heal the traumatic aftereffects of violence The third volume Peace Efforts That Work and Why looks at how mankind can build a new world order by building communities with a sustainable culture of peace **Bait and Switch** Julie A. Mertus, 2008-02-19 In the second edition Mertus continues to show that America s attempts to promote human rights abroad have paradoxically undermined those rights in other countries including new sections on the second half of the Bush administration and the Iraq War and updates on Afghanistan **Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1994** United States.
