obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end The Dark Side of Discipleship is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ s church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians
