Anti-defamation League, 1961 *Why Communism Did Not Collapse* Martin K. Dimitrov, 2013-07-31 This volume brings together a distinguished group of scholars working to address the puzzling durability of communist autocracies in Eastern Europe and Asia which are the longest lasting type of non democratic regime to emerge after World War I The volume conceptualizes the communist universe as consisting of the ten regimes in Eastern Europe and Mongolia that eventually collapsed in 1989 91 and the five regimes that survived the fall of the Berlin Wall China Vietnam Laos North Korea and Cuba The essays offer a theoretical argument that emphasizes the importance of institutional adaptations as a foundation of communist resilience In particular the contributors focus on four adaptations of the economy of ideology of the mechanisms for inclusion of potential rivals and of the institutions of vertical and horizontal accountability The volume argues that when regimes are no longer able to implement adaptive change contingent leadership choices and contagion dynamics make collapse more likely [A Bibliography of British History, 1914-1989](#) Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index *Comrades!* Robert Service, 2007 Service offers a history of communism drawing the uncomfortable conclusion that the poverty and injustice that enabled its rise are still dangerously alive Unsettling and compelling this is a comprehensive study of one of the most important movements of the modern world **Ideological Profile of Twentieth-Century Italy** Norberto Bobbio, 2014-07-14 Anyone interested in the entire sweep of political thought over the last hundred years will find in Norberto Bobbio s *Ideological Profile of Twentieth Century Italy* a masterful thought provoking guide Home to the largest communist party in a democratic society Italy has been a unique place politically one where Christian democrats liberals fascists socialists communists and others have co existed in sizable numbers In this book Bobbio who himself played an outstanding role in the development of Italian civic culture follows each of the major ideologies

explaining how they developed describing the key actors and considering the legacies they left to political culture He wrote Ideological Profile in 1968 to explain from a personal perspective the history behind that decade s tumultuous politics Bobbio s defense of democracy and critique of capitalism are among the themes that will particularly interest American readers of this updated edition the first to appear in English Beginning in the late nineteenth century with positivism and Marxism Bobbio next presents the ideological currents that developed before the outbreak of the First World War Catholic socialist irrational and anti democratic thought the reaction against positivism and the thinking of Benedetto Croce After discussing the impact of the war the author turns to the revolutionary reactionary polarization of the postwar period and the ideology of fascism The final chapters consider Croce s opposition to fascism and the ideals of the resistance and conclude with the post Second World War Years of Involvement Originally published in 1995 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A History of Socialism and Communism in Modern Times Warren Lerner,1993

Military Marxism Adam Mayer,2024-12-16 Adam Mayer s Military Marxism Africa s Contribution to Revolutionary Theory 1957 2023 explores African Marxist theory and the intellectual merits of Afro Maxist schools of thought to show how they have developed and impacted sub Saharan Africa from the Cold War to the present He also discusses the efficacy of the movements influenced by Marxism and how they are contested today Through in depth research Mayer answers the following questions Who were the African Marxist intellectuals What happened to these intellectuals in the 1990s in NGO administered deindustrialized Africa How are these theories inspiring popular rebellions and radical anti Western military coups today This book explores how Military Marxism through its own rich and variegated African theory has continued to inform and guide the practice of various political movements today

Handbook of the History of Economic Thought Jürgen Backhaus,2011-11-12 This reader in the history of economic thought challenges the assumption that today s prevailing economic theories are always the most appropriate ones As Leland Yeager has pointed out unlike the scientists of the natural sciences economists provide their ideas largely to politicians and political appointees who have rather different incentives that might prevent them from choosing the best economic theory In this book the life and work of each of the founders of economics is examined by the best available expert on that founding figure These contributors present rather novel and certainly not mainstream interpretations of the founders of modern economics The primary theme concerns the development of economic thought as this emerged in the various continental traditions including the Islamic tradition These continental traditions differed substantially both substantively and methodologically from the Anglo Saxon orientation that has been dominant in the last

century for example in the study of public finance or the very construct of the state itself This books maps the various channels of continental economics particularly from the late 18th through the early 20th centuries explaining and demonstrating the underlying unity amid the surface diversity In particular the book emphasizes the writings of John Stuart Mill his predecessor David Ricardo and his follower Jeremy Bentham the theory of Marginalism by von Th nen Cournot and Gossen the legacy of Karl Marx the innovations in developmental economics by Friedrich List the economic and monetary contributions and struggle of escape by John Maynard Keynes the formidable theory in public finance and economics by Joseph Schumpeter a reinterpretation of Alfred Marshall L on Walras Heinrich von Stackelberg Knut Wicksell Werner Sombart and Friedrich August von Hayek are each dealt with in their own right The Communist Party of Great Britain Since 1920 J. Eaden,D. Renton,2002-05-10 A new single volume history of the Communist Party of Great Britain examining the party from its foundations in 1920 to its demise in the early 1990s Drawing on original research and a reading of specialist texts the authors analyze the rise and fall of the party and evaluate its role on the left of British politics Whilst sympathetic to the ideals and commitment of many British communist activists the book is sharply critical of much of the actual practice of the party **The British Communist Party and Moscow, 1920-43** Andrew Thorpe,2000 The relationship between the British Communist Party and Soviet Communism is one of perennial fascination In this text Thorpe makes extensive use of available sources to offer a new view of this most controversial of topics Against Fascism and War Kevin Morgan,1989 **Encyclopedia of U.S. Political History** Andrew Robertson,Michael A. Morrison,William G. Shade,Robert Johnston,Robert Zieger,Thomas Langston,Richard Valelly,2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1

Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877 VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national

government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered

Encyclopedia of Historians and Historical Writing Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

James P. Cannon and the Origins of the American Revolutionary Left, 1890-1928 Bryan D. Palmer,2010-10-01 Bryan D Palmer's award winning study of James P Cannon's early years 1890 1928 details how the life of a Wobbly hobo agitator gave way to leadership in the emerging communist underground of the 1919 era This historical drama unfolds alongside the life experiences of a native son of United States radicalism the narrative moving from Rosedale Kansas to Chicago New York and Moscow Written with panache Palmer's richly detailed book situates American communism's formative decade of the 1920s in the dynamics of a specific political and economic context Our understanding of the indigenous currents of the American revolutionary left is widened just as appreciation of the complex nature of its interaction with international forces is deepened

Human Rights in World History Peter N. Stearns,2022-12-30 This book takes a global historical perspective to trace the rise of human rights and their global impact from the 18th century to the present This fully updated volume examines the complex relationships between Western concepts of human rights and developments in other world regions After providing background on relevant premodern concepts and constraints the book explores regional interactions with human rights the disastrous impact of imperialism and racism the recurrent expansion of the range of rights given to those including women and children and indigenous rights from the 19th century to the present Major revisions for the second edition include a new chapter focusing on recent historical and interdisciplinary debates a separate chapter on developments between the world wars greater attention to causation and an expanded treatment of some regions including Africa an analysis of the mix of setbacks and rights expansion during the past 15 years within the global framework Human Rights in World History is essential reading for students scholars and researchers interested in modern history human rights and political science

Class or Nation Neil Redfern,2005-02-25 The Communist Party of Great Britain CPGB has been seen by many as a microcosm of the Communist Capitalist struggle in the early twentieth century Its size belied its influence and so despite never being a

mainstream political movement it had a powerful presence in British society Neil Redfern re examines the movement and its relationship to imperialism tracing the history of British communism from its revolutionary roots forged during the turmoil of 1917 1921 He finds that the CPGB never made a clean break with the reformism nationalism and Euro centrism despite World War I the 1917 revolution and mass movements in Asia Africa and Latin America Redfern argues that this led most of the left to support the First World War and so by extension found itself supporting the Second World War and Britain s reconquest of its colonial possessions This is essential reading for scholars of British Political and Social History as well as Imperialism Communism and left wing ideology **Library of Congress Subject Headings** Library of Congress,2013

The Cambridge History of Modern European Thought: Volume 2, The Twentieth Century Warren Breckman,Peter E. Gordon,2019-08-29 An authoritative and comprehensive survey of the major themes thinkers and movements in modern European intellectual history

Profile Of Communism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Profile Of Communism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Profile Of Communism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Profile Of Communism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Profile Of Communism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Profile Of Communism any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Profile Of Communism Books
