*The Death of Corporate Reputation* Jonathan Macey, 2013-03-20 Why did the financial scandals really happen Why are they continuing to happen In *The Death of Corporate Reputation* Yale s Jonathan Macey reveals the real non intuitive reason and offers a new path forward For over a century law firms investment banks accounting firms credit rating agencies and companies seeking regular access to U S capital markets made large investments in their reputations They treated customers well and sometimes endured losses in transactions or business deals in order to sustain and nurture their reputations as faithful brokers and gate keepers This has changed completely The existing business model among leading participants in today s capital markets no longer treats customers as valued clients whose trust must be earned and nurtured but as one off counter parties to whom no duties are owed and no loyalty is required The rough and tumble norms of the market place have replaced the long standing reputational model in U S finance This book describes the transformation in American finance from the old reputational model to the existing laissez faire model and argues that the change came as a result of three factors 1 the growth of reliance on regulation rather than reputation as the primary mechanism for protecting customers and

2 the increasing complexity of regulation which made technical expertise rather than reputation the primary criterion on which customers choose who to do business with in today's markets and 3 the rise of the cult of personality on Wall Street which has led to a secular demise in the relevance of companies' reputations and the concomitant rise of individual rain makers' reputation as the basis for premium pricing of financial services. This compelling book will drive the debate about the financial crisis and financial regulation for years to come both inside and outside the industry.

The Top Books of the Year Profitable Consulting The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Profitable Consulting : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Profitable Consulting : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
