

Progressive Christians Uniting

EDITED BY JOHN B. COBB JR.

PROGRESSIVE CHRISTIANS **SPEAK**

A DIFFERENT VOICE ON FAITH AND POLITICS

Progressive Christians Speak A Different Voice On Faith And Politics

John B. Cobb

Progressive Christians Speak A Different Voice On Faith And Politics:

Progressive Christians Speak John B. Cobb, 2003-01-01 In this earnest discussion revolutionary theologian John Cobb Jr implores Christian churches to take a more active role in the solution of contemporary issues such as food security and the ever expanding world population the welfare system civil and human rights the war on drugs abortion immigration and the destruction of ecosystems **Progressive Christians Speak** Progressive Christians Uniting (Organization), 2003

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today Progressive & Religious Robert P. Jones, 2008-07-25 In recent years

Americans have become frustrated with the troubled relationship between religion and politics an exclusive claim on faith and values from the right and a radical divorce of faith from politics on the left Now a new generation of religious leaders is re envisioning religion in public life leading grassroots movements to go beyond partisan politics to work for a more just and inclusive society *Progressive Religious* tells the dynamic stories of these leaders Through nearly 100 in depth interviews with Jewish Christian Muslim and Buddhist leaders this book explains how they are tapping the deep connections between religion and social justice to work on issues like poverty and worker s rights the environment health care pluralism and human rights Interviewees include David Saperstein Michael Lerner Jim Wallis Brian McLaren Feisal Abdul Rauf Eboo Patel Kecia Ali Lama Surya Das Robert Thurman and E J Dionne **One Faith No Longer** George Yancey, Ashlee Quosigk, 2021-07-06

Irreconcilable differences drive the division between progressive and conservative Christians is there a divorce coming Much attention has been paid to political polarization in America but far less to the growing schism between progressive and conservative Christians In this groundbreaking new book George Yancey and Ashlee Quosigk offer the provocative contention that progressive and conservative Christianities have diverged so much in their core values that they ought to be thought of as two separate religions The authors draw on both quantitative data and interviews to uncover how progressive and conservative Christians determine with whom they align themselves religiously and how they distinguish themselves from each other They find that progressive Christians emphasize political agreement relating to social justice issues as they determine who is part of their in group and focus less on theological agreement Among conservative Christians on the other hand the major concern is whether one agrees with them on core theological points Progressive and conservative Christians thus use entirely different factors in determining their social identity and moral values In a time when religion and politics

have never seemed so intertwined One Faith No Longer offers a timely and compelling reframing of an age old conflict

Religious Faith, Torture, and Our National Soul David P. Gushee,J. Drew Zimmer,Jillian Hickman Zimmer,2010

Proceedings of a conference held Sept 11 12 2008 at Mercer University Preface and Acknowledgements *Secular Faith*

Mark A. Smith,2015-09-11 When Pope Francis recently answered Who am I to judge when asked about homosexuality he ushered in a new era for the Catholic church A decade ago it would have been unthinkable for a pope to express tolerance for homosexuality Yet shifts of this kind are actually common in the history of Christian groups Within the United States Christian leaders have regularly revised their teachings to match the beliefs and opinions gaining support among their members and larger society Mark A Smith provocatively argues that religion is not nearly the unchanging conservative influence in American politics that we have come to think it is In fact in the long run religion is best understood as responding to changing political and cultural values rather than shaping them Smith makes his case by charting five contentious issues in America s history slavery divorce homosexuality abortion and women s rights For each he shows how the political views of even the most conservative Christians evolved in the same direction as the rest of society perhaps not as swiftly but always on the same arc During periods of cultural transition Christian leaders do resist prevailing values and behaviors but those same leaders inevitably acquiesce often by reinterpreting the Bible if their positions become no longer tenable Secular ideas and influences thereby shape the ways Christians read and interpret their scriptures So powerful are the cultural and societal norms surrounding us that Christians in America today hold more in common morally and politically with their atheist neighbors than with the Christians of earlier centuries In fact the strongest predictors of people s moral beliefs are not their religious commitments or lack thereof but rather when and where they were born A thoroughly researched and ultimately hopeful book on the prospects for political harmony *Secular Faith* demonstrates how over the long run boundaries of secular and religious cultures converge After Trump Donald Heinz,2020-03-18 A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy After the Gilded Age a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism s distinctive contribution to world Christianity leaving residues in the New Deal and the Great Society In the face of poverty and bondage in the 1960s Martin Luther King Jr led a second wave of the black social gospel movement and died for it as prophets do It birthed new liberation movements on many fronts Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and late capitalism flourished In this environment tax cuts for the wealthy and massive inequalities grew and President Trump inherited the resentments of the Christian Right and the opportunism of economic conservatives Would a recurring social gospel have made a difference After Trump American Christianity faces another crisis of decision Will the strange God of the Bible be re called will the churches re live as social movements that bring good news to all the people will American

Christianity re contest the public square and proclaim a new social gospel for our times This book is an invitation and a manifesto

Religion and Violence Jeffrey Ian Ross, 2015-03-04 First Published in 2015 Daily newspaper headlines talk radio and cable television broadcasts and Internet news web sites continuously highlight the relationship between religion and violence These media contain stories about such diverse incidents as suicide attacks by Islamic fundamentalists in Afghanistan Iraq Israel Pakistan and elsewhere and assassinations of doctors who perform abortions by white American Christian true believers in the United States How does one make sense of the role of religion in violence and of perpetrators of violence who cite religion as a motivation This encyclopedia includes a wide range of entries biographies of key figures historical events religious groups countries and regions where religion and violence have intersected and practices rituals and processes of religious violence

The Legacy of Billy Graham: Critical Reflections on America's Greatest Evangelist Michael G. Long, 2008 Perhaps no individual person has had more of an effect on twentieth century American Christianity than the renowned evangelist Billy Graham And although Graham s influence on evangelicalism has long been recognized Michael G Long s The Legacy of Billy Graham is the first book to examine his impact on mainline Christianity and American civil religion With contributors both noted and revered this critical but appreciative volume poignantly assesses Graham s career With fairness and clarity these prominent mainline to progressive scholars shed valuable light on the evangelist s theology and preaching his influential perspectives on politics and economics feminism and sex war and peace and race and power as well as his engagement with powerful contemporaries including Martin Luther King Jr and Reinhold Niebuhr before concluding with two insightful retrospectives on his legacy Back cover of book

[Clashing Worldviews in the U.S. Supreme Court](#) James Davids, Erik Gustafson, Sherena Arrington, 2021-10-19 Contrasting two Protestant justices who hold distinctively different worldviews Chief Justice William H Rehnquist and Justice Harry A Blackmun this book explores how each came to hold his worldview how each applied it in Supreme Court rulings and how it led them to differing outcomes for liberty equality and justice This clash of worldviews between Rehnquist whose religious and philosophical influences were anchored in the Reformation and Blackmun whose Reformation theology was modified by Enlightenment philosophy provide the context to examine the true nature of justice liberty and equality and to consider how such ideals can be maintained in a society with increasingly divergent worldviews

Sanctuary Ordinances Nicholas P. Lovrich, John C. Pierce, Christopher A. Simon, 2021-04-30 The book examines contemporary immigration policy and immigrant assimilation with a focus on the adoption of sanctuary ordinances in US local governments in connection with Latino in migration It also investigates the adoption of anti immigrant settlement local ordinances in many local governments with particular focus on local law enforcement positions taken on enforcement of federal immigration laws The book investigates a wide range of county level characteristics of 3 000 U S counties e g socio economic and demographic traits political culture social capital religious denominations present etc to identify correlates of pro and anti immigrant settlement The book also features the analysis of a

national survey and three targeted surveys in pro immigration San Francisco divided Maricopa and anti immigration Tulsa counties to explore the individual level factors associated with sentiments on immigration policy Finally the book presents findings from two case studies where active encouragement of Latino settlement Twin Falls ID and active opposition Hazleton PA characterize local reaction to Latino in migration The mixed methods study leads the authors to conclude that a funnel of causality concept path dependency pro social attitudes and the concepts of moral panic and moral dialogue collectively lead to great insight into the question of why some communities are open and accepting while others are exclusionary

Christians in the Public Square Ellen Ott Marshall, 2015-09-22 This book calls Christians to resist meanness divisiveness and dogmatism in the public square by enacting love attending to moral ambiguity and practicing theological humility in other words to transform politics by refusing to play politics

Mainline Christians and U.S. Public Policy Glenn H. Utter, 2007-07-26 This insightful reference work explores the relationship between mainline Christian denominations and U S politics and public policy from colonial times to the present Mainline Christian Values and U S Public Policy A Reference Handbook provides a revealing and unbiased look at the emergence of Christian denominations as a political force primarily from the late 19th century to the present The book examines the origins development current organization and activities and future prospects of nine mainline U S denominations the American Baptist Churches in the U S A the Catholic Church the Christian Church the Episcopal Church the Evangelical Lutheran Church in America the Presbyterian Church the Reformed Church in America the United Church of Christ and the United Methodist Church Readers will encounter a surprising variety of Christian voices offering a range of positions on the Iraq War abortion same sex marriage global warming stem cell research the death penalty and other controversial issues

Resistance John B. Cobb, 2008-01-01 Convinced that several crucial historical trends are moving in the wrong direction John Cobb and his coauthors urge Christians to live in countercultural ways as individuals and as communities Consumerism inequality imperialism and global warming they contend are of such magnitude that the only real response for progressive Christians is to actively resist them In part 1 they explore how the Word of God calls Christians to resist the world's dominant forces and reflect on how prayer can provide the conviction and commitment necessary for sustaining such a life In part 2 they examine particular destructive forces showing how these trends attained dominance and analyzing their effects Part 3 then explores two theological movements that have stressed the need for resistance Latin American liberation theology and feminist theology Concluding in part 4 they give specific examples of how individuals and churches can live in countercultural ways

Pro-Life Pulpit Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of

abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became

abortable in order to save sinners **Cultural Afterlives of Jesus** Gregory C. Jenks, 2023-06-20 This collection of essays explores the impact of Jesus within and beyond Christianity including his many afterlives in literature and the arts social just and world religions during the past two thousand years and especially in the present global context This third volume focuses on the diverse afterlives of Jesus within contemporary culture and the arts Moving beyond the explicitly religious afterlives traced in the first two volumes this set of essay traces selected afterlives of Jesus within Indigenous cultures around the Pacific as well as in the arts and in the contested fields of gender and sexuality The contributors include religion scholars from diverse cultural contexts as well as faith practitioners reflecting on Jesus within their own particular context While the essays are all grounded in critical scholarship reflective practice or both they are expressed in nontechnical language that is accessible to interested nonspecialists **Handbook of Whiteheadian Process Thought** Michel Weber, 2013-04-30

Gathering 115 entries written by 101 internationally renowned experts in their fields the Handbook of Whiteheadian Process Thought aims at canvassing the current state of knowledge in Whiteheadian scholarship and at identifying promising directions for future investigations through internal cross elucidation and external interdisciplinary development Two kinds of entries are weaved together in order to interpret Whitehead secundum Whitehead and to read him from the vantage point of interdisciplinary and crossdisciplinary research The thematic entries provide i a broad contextualisation of the issue at stake ii a focus on Whitehead s treatment if any or of a possible Whiteheadian treatment of the issue iii a history of relevant scholarship iv a personal assessment by the Author The biographical entries provide i a brief vita of the targeted thinker ii a sketch of his her categories relevant to the Whiteheadian scholarship iii a personal assessment of the actual or possible Whiteheadian semantic transfer to or from the thinker The Iowa Caucuses John C. Skipper, 2010-01-13 Smaller in

population than several U S cities the state of Iowa has become an unexpected and unparalleled proving ground for would be presidential candidates The Iowa caucuses provide a unique brand of retail politics on the decline in an age of multi million dollar advertising blitzes Potential candidates have gone to extraordinary lengths to impress Iowa s voters dying their hair changing their wardrobes posing and giving speech after speech This book chronicles the most important events of each Iowa caucus since 1972 and reveals how the unassuming Midwestern state came to be an unlikely powerhouse in presidential politics **Christian Voices** Charlene Floyd, 2007-05-30 Today religion plays a significant role in the political

positions people take on a number of important issues stem cell research abortion right to life gay marriage etc But how do people of the same faith come to radically different conclusions and positions on these issues How has the right convinced a

majority of evangelical Christians that there is a Biblical mandate to oppose abortion stem cell research and gay marriage Or why do progressive Christians believe they are called to be the voice of the voiceless to advocate for the poor and to challenge aggressive foreign policy This book gives voice to politically active Protestant Christians with an eye toward understanding how people who share the same scriptures hymns prayers and creeds arrive at and embrace radically different political perspectives Floyd explores the notion of agenda setting within Christian communities left and right and provides an in depth look at the lives of a small but diverse number of politically active committed Christians In their own words Protestants across the country explain how they arrive at their political opinions The thoughts the ideas the reasons for celebrating and the causes of despair will be familiar at times painfully so to many Reading these profiles one may begin to answer those basic questions how can they call themselves Christian and how could they possibly have voted for him Beginning with a brief overview of religion and politics in the United States and a discussion of recent developments 2001 2005 serious consideration of the key themes raised by the profile chapters follow These include theology practice and connect disconnect with society particularly the group individual s perception of its their relationship to the world at large Each chapter describes a different group of people whose political lives have been shaped by their faith and who are willing to think about and talk about their ideas They take into consideration personal histories education work family and friends and explore how religious beliefs have shaped people s lives especially with regard to political decision making Extensive interviews allow the voices of those profiled to be clearly heard

Unveiling the Power of Verbal Art: An Mental Sojourn through **Progressive Christians Speak A Different Voice On Faith And Politics**

In some sort of inundated with displays and the cacophony of quick communication, the profound energy and emotional resonance of verbal beauty frequently fade into obscurity, eclipsed by the constant barrage of sound and distractions. Progressive Christians Speak A Different Voice On Faith And Politics Introduction

In today's digital age, the availability of Progressive Christians Speak A Different Voice On Faith And Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Progressive Christians Speak A Different Voice On Faith And Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Progressive Christians Speak A Different Voice On Faith And Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Progressive Christians Speak A Different Voice On Faith And Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Progressive Christians Speak A Different Voice On Faith And Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Progressive Christians Speak A Different Voice On Faith And Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free

eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Progressive Christians Speak A Different Voice On Faith And Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Progressive Christians Speak A Different Voice On Faith And Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Progressive Christians Speak A Different Voice On Faith And Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Progressive Christians Speak A Different Voice On Faith And Politics Books

1. Where can I buy Progressive Christians Speak A Different Voice On Faith And Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
