Prophets Testimony A

Paul M. Rogers

Prophets Testimony A:

The Testimony of Jesus: The Words of God's Holy Prophet John F. Finkbeiner, The Testimony of Jesus had to be written and therefore needs to be read studied then acted upon The days in which we live teem with factual misrepresentations outright falsehoods key omissions and leaders who play fast and loose with the truth Surely we are near the end of the age In each of the 22 chapters a separate facet of The Testimony of Jesus is brought into view There is one standard by which we measure truth it is the straight vertical line that points to the Highest Heaven where God is enthroned Another name for this straight line is the Word of God or Jesus the Way the Truth and the Life When God s Word or the Scripture is misapplied misstated or thrown into the mud then Truth will give way to the Lie Truth must be loved or it will make itself absent at least until it is sought again The Light of God dims because men love darkness more than the light Take heart the Light of Truth will never be extinguished for a day is coming when Jesus testimony will be all there is Inside The Testimony of Jesus we see that Jesus is the Word and the Word of God is Jesus Sermons and books such as this run the risk of watering down what the Lord said leaving out or explaining away the hard sayings and Scripture s troubling prophecies It is with the utmost regard for completeness and accuracy as well as awareness of the fearful warnings to anyone who alters Jesus words that the writer began and ended this noble undertaking This book goes back to the source the Word itself to represent God s Words the red ink black blue or whatever color just as the spirit of prophecy intended for the spirit of prophecy is the testimony of Jesus The authority with which Jesus spoke packed a punch that shut the mouths of his opposition and amazed the people The same authority from God was gifted to the Apostles then felt by the gospel s friends and enemies It is hoped that the power of the testimony of Jesus will explode in the heart and mind of each reader in a wonderful transforming way Is not His Word like fire At first readers may become angry with the writer or with the content but this emotion is misplaced Why be upset with the messenger or the message Take it up with the originator the Creator of The Word Maybe no one told you what Jesus our Savior is really like and you never discovered it for yourself It is time we became wise God s people perish for lack of knowledge Why perish when God wants us to have LIFE The proof of the book s reliability is in the Scriptures for all to see It is in the book s pages where the passages of testimony are cited or quoted Read them then examine their context Do not be deceived instead be enlightened by the Spirit of God The Testimony of Jesus encourages rational thinking and critical analysis or putting each thought to the test The writer did and so did the book s Bible minded editors readers must as well Truth is transformational but only when we recognize it and then obey You will read that what Jesus said came from directly from the Father His testimony will challenge readers and inspire their faith to take a giant step forward by submitting to Him God s idea has always been to produce Christ likeness in His Son s disciples In following truth wherever it leads we find the narrow path that leads to eternal salvation Buckle up We may wonder why we ever sat behind the wheel for this Some of the book may seem bumpy but the prize at the end will be well worth it Allow the Word to dwell in you heart richly Meditate and

pray You may not agree but think for yourself Let the evidence from the true and faithful witness of God do the persuading You will want company on this magnificent journey so share The Testimony of Jesus with a friend and watch what happens

on Prophecy is the first full length monograph to underscore the importance of the charism of prophecy within St Thomas s Summa theologiae as a whole The book argues that his notion of prophecy significantly informs the Summa s central presentations of sacred doctrine salvation and faith For Aquinas the prophet is someone who receives divinely revealed knowledge meant to edify the Church prophetic knowledge gives faith both content and certitude which are essential for sacred doctrine s status as knowledge and wisdom This work examines Thomas s rationale for categorizing prophecy as the Church s foremost charism which stems from the special role prophets have in divine government in making God s wisdom manifest on earth The Summa s own ordination to wisdom shares a striking parallel with prophecy the theologian and prophet are both called to build up the Church by testifying to the truth they know **Prophetic Expositions; Or, A**
