Refugee Protection A European Challenge

**Andreas Kellerhals, Tobias
Baumgartner**

Refugee Protection A European Challenge:

Refugee Protection Vigdis Vevstad, 1998-01-01 3 1 Who is a refugee *Europe and Refugees: A Challenge? / L'Europe et les réfugiés: un défi?* Jean-Yves Carlier, Dirk Vanheule, 2023-08-21 This volume emerged from an international colloquium held in April 1995 in Antwerp Belgium on the subject of Europe and Refugees It analyses the various challenges posed by the plight of refugees today paying particular attention to the situation in Europe and to the new European treaties such as the Dublin Convention the Schengen Agreement and the Resolutions of the European Union Europe and Refugees A Challenge offers the reader both an international and a multidisciplinary vision Its contributors come from both within and outside Europe and are drawn from a large range of disciplines including philosophy political science and law This volume contains contributions in English and French Ce livre comprend les Actes d'un colloque international qui s'est tenu en avril 1995 Anvers en Belgique sur le thème L'Europe et les réfugiés un défi Le livre soulève différentes questions qui sont autant de défis la situation contemporaine des réfugiés avec une attention particulière pour cette situation en Europe notamment dans de nouveaux textes comme la Convention de Dublin les Accords de Schengen et les Résolutions au sein de l'Union européenne Le livre offre une vision multiple en associant des auteurs de différents endroits en Europe et en Amérique du Nord et de différentes disciplines philosophie sciences politiques et droit Il y a des contributions en anglais et en français Refugee Protection in Europe Joanne van Selm-Thorburn, 2023-08-21 This book addresses the issue of refugee protection in Europe drawing on the approaches taken to the crisis in former Yugoslavia to find lessons for future comprehensive policies Suitable for academics students and policy makers this book gives a comprehensive overview of the twentieth century history of refugee protection the relationship between protection and human rights and European integration in the asylum and immigration policy area The focus of the book is the development of comprehensive approaches to forced migration and particularly the emergence of temporary protection mechanisms in the European context Four specific national measures are analyzed and a model for future EU policy is advanced This model satisfies specified practical and theoretical requirements governing the role of protection in international relations and relations between individuals and states Refugee Protection and Solidarity Eleonora Milazzo, 2023 Refugee Protection and Solidarity looks to define the duties that EU member states have towards each other in the field of refugee protection employing analytical tools of normative political theory to bring moral clarity to a highly divisive debate on both principles and political feasibility There is a discrepancy between the commitment to solidarity enshrined in EU law and the reality of asylum provision in the EU The events related to the EU migration crisis of 2015 16 have exposed this discrepancy and questioned the nascent notion of EU solidarity at its core The book argues that the debate on distributive justice in the EU fails to consider refugee protection as a field in which distributive duties apply in ways similar to other domains such as social policy as well as exploring what justifications states invoke to justify non compliance with their duties Eleonora Milazzo contends that as currently framed the debate on the

ethics of refugee protection fails to account for the nature and effect of associational ties among states in relation to asylum provision which is important for the assessment of responsibility shirking *International Refugee Law* H?ne

Lambert, 2017-07-05 The essays selected and reproduced in this volume explore how international refugee law is dynamic and constantly evolving From an instrument designed to protect mostly those civilians fleeing the worse excesses of World War II the 1951 Refugee Convention has developed into a set of principles customary rules and values that are now firmly embedded in the human rights framework and are applicable to a far broader range of refugees In addition international refugee law has been affected by international humanitarian law and international criminal law and vice versa Thus there is a reinforcing dynamic in the development of these complementary areas of law At the same time in recent decades states have shown a renewed interest in managing migration thereby raising issues of how to reconcile such interests with refugee protection principles In addition the emergence of concepts of participation and responsibility to protect promise to have an impact on international refugee law **The Evolution of Humanitarian Protection in European Law and Practice** Liv

Feijen, 2021-04-01 The last couple of years have witnessed an unprecedented battle within Europe between values and pragmatism and between states interests and individuals rights This book examines humanitarian considerations and immigration control from two perspectives one broader and more philosophical the other more practical The impetus to show compassion for certain categories of persons with vulnerabilities can depend on religious philosophical and political thought Manifestation of this compassion can vary from the notion of a charitable act to aid the wretched in their home country to humanitarian assistance for the distant needy in foreign lands and finally to immigration policies deciding who to admit or expel from the country The domestic practice of humanitarian protection has increasingly drawn in transnational law through the expansion of the EU *acquis* on asylum and the interpretation of the European Court of Human Rights **Evidence in**

European Asylum Procedures Ida Staffans, 2012-04-19 This book focuses on three European asylum procedures and the evidentiary assessment carried out in these The interrelationship between these procedures and legal systems influencing them is explored and questions in relation to the harmonizing strivings of EU are posed *Refugee Protection and Civil*

Society in Europe Margit Feischmidt, Ludger Pries, Celine Cantat, 2018-09-29 This volume analyses civil society as an important factor in the European refugee regime Based on empirical research the chapters explore different aspects structures and forms of civil society engagement during and after 2015 Various institutional collective and individual activities are examined in order to better understand the related processes of refugees movements reception and integration Several chapters also explore the historical development of the relationship between a range of actors involved in solidarity movements and care relationships with refugees across different member states Through the combined analysis of macro level state and European policies meso level organization s activities and micro level individual behaviour *Refugee Protection and Civil Society in Europe* presents a comprehensive exploration of the refugee regime in motion and will be of interest to

scholars and students researching migration social movements European institutions and social work *The Internal Protection Alternative in Refugee Law* Jessica Schultz, 2018-12-10 Under what circumstances can a state refuse refugee status to a person whose risk of persecution exists in only part of her country of origin This book is the first monograph to examine the treaty basis and criteria for the internal protection alternative IPA an exception to refugee status increasingly invoked by state parties to the 1951 Refugee Convention and its 1967 Protocol Through a critical analysis of the relationship between refugee law and related fields Schultz finds that the legal scope for IPA practice is narrower than is commonly claimed Since persons subject to an IPA analysis have a well founded fear of persecution within their countries of origin any limit on their right to refugee status must involve a careful balancing of the impact of continued displacement against the state's interest in preserving its restricted protection resources She argues that the doctrine of implied limits in human rights law can provide analytic structure to the IPA concept and reduce the risk of overly broad application

Challenges, risks and threats for security in Europe Andreas Kellerhals, Tobias Baumgartner, 2019-12-06 This publication brings together talks from the 11th Network Europe conference The conference explored the conditions for security in 21st century Europe and the key elements of an appropriate security architecture Discussions focused on major security challenges such as cybercrime and migration as well as institutional aspects including the concept of a European army and the role of neutral states in an evolving security landscape The publication features contributions from Vadym Barskyy Tobias Baumgartner Jelena Ceranic Viorel Cibotaru Aleksei Dolzhikov Alena F Douhan Darina Dvornichenko Itay Fishhendler Andreas Kellerhals Verena Murschetz Przemyslaw Saganek Jürgen Scheffran and Attila Vincze Network Europe was founded in 2003 by the Europa Institute at the University of Zurich with support from the Swiss government It serves as a forum for scholarly exchange on legal and political aspects of European integration bringing together researchers from across Europe

The Global Reach of European Refugee Law Hélène Lambert, Jane McAdam, Maryellen Fullerton, 2013-09-05 Examination of the worldwide emulation of key norms of European refugee protection through transnational processes and actors

EU Immigration And Asylum Law Steven Peers, Nicholas Rogers, 2006 Since entry into force of the Treaty of Amsterdam on 1 May 1999 the EU has considered and in many cases adopted many proposals for legislation or measures implementing legislation in the area of immigration and asylum law These measures run the gamut from highly technical operational matters to broad measures covering basic aspects of immigration and asylum law Between them the proposed or adopted measures cover virtually every possible issue in relation to immigration or asylum This book contains the text of and commentary upon a large number of these measures proposed or adopted up until 1 January 2006 including all of the most important ones It also includes the text of the key measures concerning asylum legal migration and irregular migration A full list of the measures with references to their legislative history is provided The authors of each commentary are experts in the field of EU immigration and asylum law and the areas covered include visa and border controls asylum legal migration and

integration and irregular migration **The Refugee Definition in International Law** Hugo Storey, 2023 In international law the definition of refugee is widely seen as unclear This book systematically analyses the interpretation ordering and interrelationship of the definition s components as well as the disputes that have arisen around it The volume seeks to clarify propositions and demonstrate there is progress toward a working definition *Contemporary Challenges to EU Legality* Claire Kilpatrick, Joanne Scott, 2021 The Academy of European Law is housed at the European University Institute in Florence Italy The Academy holds annual advanced level summer courses focusing on topical cutting edge issues in Human Rights Law and The Law of the European Union The courses are taught by highly qualified scholars and practitioners in a highly interactive environment General courses involve the examination of the field as a whole through a particular thematic conceptual or philosophical lens or look at a theme in the context of the overall body of law Specialized courses bring together a number of speaker exploring a specific theme in depth Together they are published as monographs and edited volumes in the Collected Courses of the Academy of European Law series The Collected Courses series has been published by Oxford University Press since 2000 The series contains publications on both foundational and pressing issues in human rights law and the law of the European Union Book jacket **Transformations of Work: Challenges for the Institutions and Social Actors** Giuseppe Casale, Tiziano Treu, 2019-02-15 Market volatility and uncertainty have put welfare and social security policies back centre stage and point up the need for closer links with employment policy The inability of existing income support systems to respond to the increasing fragmentation of people s working careers the needs of people in difficulty and the spread of various forms of poverty calls for well coordinated and efficient responses This volume highlights the best practices in the various regions of the world in the contexts of international and EU labour law industrial relations and social security Authoritative reports by leading scholars of labour law and social security originally presented at the twenty second World Congress of the International Society for Labour and Social Security Law ISLSSL held in Turin in September 2018 cover the following research themes in depth informal workers migrant workers global trade and labour organization productivity and well being at work transnational collective agreements new forms of social security and the role of the State and industrial relations In its insistence that despite the radical changes in the world of work and business brought about by globalization and digital technologies the decisions of institutions and public and private actors can lead to a more coherent system of international economic and social governance this timely volume shows the way forward Practitioners policymakers and scholars in the relevant fields will benefit immeasurably from its expert analyses and recommendations **European Integration in Times of Security Challenges** Andreas Kellerhals, 2025-03-21 The European Commission s Enlargement Package 2023 proposed opening accession negotiations with Ukraine Moldova and Bosnia and Herzegovina while granting candidate status to Georgia bringing the total to seven candidate states and two potential candidates Ensuring compliance with the Copenhagen criteria remains a key challenge alongside necessary

institutional reforms particularly regarding EU decision making and unanimity rules In migration policy the adoption of the New Pact on Migration and Asylum in December 2023 marked a major step toward a unified approach Based on solidarity shared responsibility and human rights it aims to improve long term migration management though implementation remains a challenge Meanwhile the EU continues to navigate its digital and green transitions A milestone in 2023 was the adoption of the world's first legal framework for AI regulation reflecting the EU's ambition to set global standards though its impact on the digital economy remains uncertain This publication explores these key developments highlighting the interplay between policy making and societal engagement in a shifting geopolitical landscape It features contributions from Fatlum Ademi Jelena Ceranic Perisic Viorel Cibotaru Iris Goldner Lang Christos V Gortsos Gabor Halmai Dorian Jano Andreas Kellerhals Maroje Lang Lee McGowan Roman Petrov Clara Portela and Juan Santos Vara Network Europe was founded in 2003 by the Europa Institute at the University of Zurich with support from the Swiss government It serves as a forum for scholarly exchange on legal and political aspects of European integration bringing together researchers from across Europe

States, the Law and Access to Refugee Protection Maria O'Sullivan, Dallah Stevens, 2017-03-23 This timely volume seeks to examine two of the most pertinent current challenges faced by asylum seekers in gaining access to international refugee protection first the obstacles to physical access to territory and second the barriers to accessing a quality asylum procedure which the editors have termed access to justice To address these aims the book brings together leading commentators from a range of backgrounds including law sociology and political science It also includes contributions from NGO practitioners This allows the collection to offer interdisciplinary analysis and to incorporate both theoretical and practical perspectives on questions of immense contemporary significance While the examination offers a strong focus on European legal and policy developments the book also addresses the issues in different regions Europe North America the Middle East Africa and Australia Given the currency of the questions under debate this book will be essential reading for all scholars in the field of asylum law

Undesirable but Unreturnable Migrants: the Challenges of Dealing with Criminal Migrants in Need of Protection Júlia Zomignani Barboza, 2025-10-13 This book studies how States regulate the situation of migrants in need of international protection who have a criminal background or pose a threat to public order Regulating the situation of these migrants is a challenge to States which may sometimes resort to measures that violate human rights The book thus evaluates the solutions applied identifying best practices and suggesting a possible human rights compliant solution for this situation

Exploring the Boundaries of Refugee Law Jean-Pierre Gauci, Mariagiulia Giuffré, Evangelia (Lilian) Tsourdi, 2015-04-14 Protection challenges around the globe require innovative legal policy and practical responses Drawing primarily from a new generation of researchers in the field of refugee law this volume explores the boundaries of refugee law On the one hand it ascertains the scope of the legal provisions by highlighting new trends in State practice and analysing the jurisprudence of international human rights bodies as well as national and international

Courts On the other hand it marks the boundaries of refugee law as legal frontiers whilst exploring new approaches and new frameworks that are necessary in order to address the emerging protection challenges **Accessing Asylum in Europe**
Violeta Moreno Lax, 2017 The timely subject matter of this work focuses on the interface between extraterritorial border surveillance and migration control by EU member states and the rights that asylum seekers acquire from EU law In particular Moreno Lax concentrates on the relationship between the EU Charter of Fundamental Rights and border control measures

Decoding **Refugee Protection A European Challenge**: Revealing the Captivating Potential of Verbal Expression

Refugee Protection A European Challenge Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Refugee Protection A European Challenge free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Refugee Protection A European Challenge free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Refugee Protection A European Challenge free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Refugee Protection A European Challenge. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Refugee Protection A European Challenge any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Refugee Protection A European Challenge Books

1. Where can I buy Refugee Protection A European Challenge books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Refugee Protection A European Challenge book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
