Rose And The Yew Tree:

The Rose and the Yew Tree Mary Westmacott, 1975 The Rose and the Yew Tree Agatha Christie, Mary Westmacott, 2025-05-20 A cautionary tale of social climbing by Agatha Christie written under the pseudonym Mary Westmacott Agatha Christie famous for her ingenious crime novels also wrote about crimes of the heart Written under the pseudonym Mary Westmacott Christie's tales of romantic suspense further explore the human psychology she was so intrigued by freed from the expectations of her mystery fans The Rose and the Yew Tree tells the story of Isabella Charteris a beautiful sheltered aristocrat who everyone expected to marry her cousin Rupert when he came back from the War It would have been such a suitable marriage How strange then that John Gabriel an ambitious and ruthless war hero should appear in her life For Isabella the price of love would mean abandoning her dreams of home and happiness forever For Gabriel it would destroy his chance of a career and all his ambitions A favorite of both Agatha Christie and her daughter Rosalind this story examines the darker side of class divisions and the price of ambition **The Rose and the Yew Tree** Agatha Christie, Mary Westmacott, 1971* *L'if et la rose* Mary Westmacott, The Rose and the Yew Tree Agatha Christie, 1978 *The Mary Westmacott Collection: The rose and the yew tree ; A daughter's a daughter ; The burden* Mary Westmacott, 1994

Thomas Stearns Eliot: Poet A. David Moody, 1994 A carefully revised and corrected second edition of a classic book on our century's best known poet An important and original study which admirably generates fresh thought about Eliot *Journal of American Studies* **The Visible and the Invisible in the Interplay between Philosophy, Literature and Reality** Anna-Teresa Tymieniecka, 2002-03-31 Merleau Ponty's categories of the visible and the invisible are investigated afresh and with originality in this penetrating collection of literary and philosophical inquiries Going beyond the traditional and current references to the mental and the sensory mind and body perceptual content and the abstract ideas conveyed in language etc these studies range from the hidden spheres of reality to the play of the visible and the invisible left as traces in works of human genius the origins of intellect and language the real and the imaginary in literature and the hidden realities in the philosophy of the everyday world These literary and philosophical probings collectively reveal the role of this disjoined conjoined pairing in the ontopoietic establishment of reality that is in the manifestation of the logos of life In tandem they bring to light the hidden play of the visible and the invisible in the emergence of our vital societal intimate intellectual and creative involvements **The Ground of Our Beseeching** Peter Sharpe, 2004 *The Ground of Our Beseeching* Metaphor and the Poetics of Meditation describes the signature styles of meditation in three American poets and shows how each generated language out of spiritual yearning The author's inquiry in this area grew out of an interest in the interplay of creativity language and religion and a need to know as both critic and practicing poet how metaphor arises particularly in the context of poetry which hearkens after the sacred How far in other words has metaphor taken some of our central poets T S Eliot Wallace Stevens and Theodore Roethke in matters of belief No other critique of American poetry prior to this study has

systematically linked the idea of the sacred with the practice of metaphor Nor has a compelling case been made until now for viewing meditation a style of thinking close to prayer as the source or ground of these poets
