Reimer,2009-08-01 The essays in Home Words explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children s literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children s and national literatures Home Words reconfigures the field of Canadian children s literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children s literature

Canadian Books in Print ,2001 **Blue Roses; Or, Helen Malinofska's Marriage** Charlotte Louisa Hawkins Dempster,1877 Canadian Book Review Annual ,1998 **Quiet Gardens** Susan Bowden-Pickstock,2009-07-11 Quiet Gardens describes a journey that seeks to re investigate humankind s relationship with nature and through this an understanding of what is spiritual For many enjoying and or making a garden is both a connection with the wider environment and a link to that which is beyond ourselves From some of the unusual and remarkable gardens of the Christian charity the Quiet Garden Trust and conversations with some of today s leading garden creators and thinkers the journey takes us on a path of exploration and discovery via Buddhist Ba hai and Islamic gardens to the making of an inter faith garden which won a medal at the Chelsea Flower Show It shows us that the relationship between meaning spirituality and horticulture transcends cultural and religious differences and offers hope for the future **Indian Women's Writing in English** Joel Kuortti,2002 This is a remarkable collection of information on Indian women s writing written originally in English Beginning from the 19th century it introduces 444 writers of poetry and fiction Now it has been a part of common

critical parlance to say that the Indian English women's writing is in ascendance. One aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing. Writers included in the bibliography come from all over India and from the Indian diaspora all over the world. Another aim of this bibliography is to make us aware of the constructed nature of writerhood. A given writer's texts do not exist and circulate in a vacuum but in a context. We can see that Indian English women's writing is taking place. But what we do not see is the critical establishment that is literary scholars and critics taking much note of it.
