POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED Unlock the powerful energies raised during the sex act and use
them to manifest your deepest desires During the sex act your attention becomes focused into a laser beam of concentration
This power of concentrated thought is the foundation of all magical systems Sex Magic's secret is that it's a tremendously
powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals Male and
female energies are often entirely different and it would be folly to deny this but experience shows that female magicians can
be particularly successful in using and developing Sex Magic Consequently this book is aimed at both male and female
readers unlike more traditional teachings written for men Of all secret lore Sex Magic has been reputed through the
centuries to be the most dangerous Today we know that this attitude was largely a reflection of the hostility held towards the
flesh held by repressive religions If we learn one thing from the shamanic cultures it is the strong emphasis upon the role of
the body in magic Mind and Body are two facets of the One Thing in which Will Imagination and Gnostic Trance are the three
pillars of success Contrary to the principles of Eastern Tantra Western Sex Magic emphasizes the importance of actual
orgasm both male and female Orgasm is the moment when the walls between consciousness and subconsciousness are
sundered and direct access to the deeper levels of the psyche become possible freeing up possible paranormal powers
Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose
consciousness as most people do at the moment of ecstasy *Secrets Western Sex Magic* teaches one of the oldest disciplines of
this secret lore It is a complete system of Sex Magic in theory and practice with exercises to develop related abilities for
visualization concentration breath control psychic energy arousal and flow along with full instructions on the projection of
sexual energies for healing and manifestation their use in Sigil Magic and the charging of Amulets Talismans Group Ritual
and the assumption of god forms when working as a priestly couple and the divine Chymical Marriage of ultimate union This
book is also an introduction to the entire field of practical magic using our natural interest and involvement in sexual
pleasure to illustrate and develop magical abilities and techniques *The Secret Teachings Of All Ages* Manly P.
Hall, 2014-06-10 For once a book which really lives up to its title Hall self published this massive tome in 1928 consisting of
about 200 legal sized pages in 8 point type it is literally his magnum opus Each of the nearly 50 chapters is so dense with
information that it is the equivalent of an entire short book If you read this book in its entirety you will be in a good position
to dive into subjects such as the Qabbala Alchemy Tarot Ceremonial Magic Neo Platonic Philosophy Mystery Religions and
the theory of Rosicrucianism and Freemasonry Although there are some questionable and controversial parts of the book
such as the outdated material on Islam the portion on the Bacon Shakespeare hypothesis and Hall's conspiracy theory of

history as driven by an elite cabal of roving immortals they are far out weighed by the comprehensive information here on other subjects *Historic Magazine and Notes and Queries* ,1907 List of bibliographies and trans in v 1 12
