Rosie Poems The:

The Rosie Poems Colin Macanulty, 2005-02 The sources of The Rosie Poems vary from the influence of the Celtic romancers who produced the timeless love story and tragedy of Tristan and Isolde to the love songs of the Scottish poet Robert Burns They hopefully move without a sense of sentimentality to expressions of deep personal love and sometimes regret at the loss of it There is social contemplation and elegy They observe the intimacy and the influence of lovers on one another These are poems that attempt to detail with delicate coloring the moods and longings of life with no limits set to their range or appeal The poems urge continuity They uphold the belief that if there is one basic thing that makes us human Joaquin Miller's Poems: Poetic plays Joaquin Miller,1910 it is the search for love **The Month** .1916 **English Poetry and Fiction** N. the Songwriters Hall of Fame in 1986 Although Tapestry still stands as King's masterpiece she recorded many other albums including Fantasy Colour of Your Dreams City Streets Pearls Wrap Around Joy Touch the Sky Simple Things Thoroughbred Love Makes the World Welcome Home and Really Rosie All of these are discussed in the course of this volume as are songs **Set Down Here** Lolette Kuby, 2002-09 In this collection of poetry Canadian poet covered and performed by other artists Lolette Kuby succeeds in pointing beyond fear death and inevitable change and strained relationships to the magic and mystery of life and love What distinguishes this collection are both Kuby s fusion of small details with big subjects and her confessions of doubt interspersed with leaps of faith This book captures the healing power of the human spirit That Falls from Dreams Louis de Bernieres, 2015-08-04 From the acclaimed author of Corelli s Mandolin here is a sumptuous sweeping powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath In the brief golden years of the Edwardian era the McCosh sisters Christabel Ottilie Rosie and Sophie grow up in an idyllic household in the countryside south of London On one side their neighbors are the proper Pendennis family recently arrived from Baltimore whose close in age boys Sidney Albert and Ashbridge shake their father s hand at breakfast and address him as sir On the other side is the Pitt family a resolutely French mother a former navy captain father and two brothers Archie and Daniel who are clearly going to grow up into a pair of daredevils and adventurers In childhood this band is inseparable but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War in which everyone will play a part All three Pendennis brothers fight in the hellish trenches at the front Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact Rosie and Ottilie McCosh volunteer in the hospitals where women serve with as much passion and nearly as much hardship as the men at the front Christabel McCosh becomes one of the squad of photographers sending snaps of their loved ones at home to the soldiers and Sophie McCosh drives for the RAF in France In the aftermath of the war as the universal joy and relief were beginning to be tempered by an atmosphere of uncertainty everyone must contend with the modern world that is slowly emerging from the ashes of the old A wholly immersive novel about a particular time and place The Dust That Falls from Dreams also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope Torch **Seventeen Syllables** Hisaye Yamamoto, 1994 Hisaye Yamamoto s often reprinted and Colonial Book Circular ,1888 tale of a naive American daughter and her Japanese mother captures the essence the cultural and generational conflicts so common among immigrants and their American born children On the surface Seventeen Syllables is the story of Rosie and her preoccupation with adolescent life Between the lines however lurks the tragedy of her mother who is trapped in a marriage of desperation Tome s deep absorption in writing haiku causes a rift with her husband which escalates to a tragic event that changes Rosie's life forever Yamamoto's disarming style matches the verbal economy of haiku in which all meaning is contained within seventeen syllables Her deft characterizations and her delineations of sexuality create a

haunting story of a young girl s transformation from innocence to adulthood This casebook includes an introduction and an essay by the editor an interview with the author a chronology authoritative texts of Seventeen Syllables 1949 and Yoneko s Earthquake 1951 critical essays and a bibliography The contributors are Charles L Crow Donald C Goellnicht Elaine H Kim Dorothy Ritsuko McDonald Zenobia Baxter Mistri Katharine Newman Robert M Payne Robert T Rolf and Stan Yogi
