Kyle, 2015-04-28 This book presents some very raw facts about the negative aspects of racism and the devastating effects it has on individuals municipalities States the Nation and indeed the world It covers a ten year period in the authors life presented autobiographically from 1940 to 1950 The story is based primarily on historical events as reported in the ex Black weekly newspaper The Pittsburgh Courier The news articles are presented as parts of fictionalized dialogue between the author his young peers and older adult advisors Most of the fictionalized accounts have some bases in truth but some did not occur in the sequence or to individuals as presented Names of individuals reported in news media have not been changed nor have the names of family members and teachers Names of townspeople have been changed although a real person existed for that character The primary goal of the book is to present true facts about the history of the disease based on a false premise of race that has caused so much suffering ignorance and despair over centuries in the hope that we will stop perpetuating it and let it die the ignoble death it deserves      **Christmas at Rosie Hopkins' Sweetshop** Jenny Colgan, 2015-10-13 Fans of Debbie Macomber and Jojo Moyes will love this warm funny moving holiday tale from the New York Times bestselling author of Christmas at the Cupcake Caf and Little Beach Street Bakery It's a white Christmas in England and Rosie Hopkins is feeling festive Her sweetshop is festooned with striped candy canes luscious chocolate boxes and happy sticky children and she and her boyfriend are eagerly awaiting the arrival of their families But when a tragedy strikes at the heart of their charming town all of Rosie's plans for the future seem to be blown apart Can she and her loved ones see their way through the difficult times Sweet and soulful heartbreaking and heartwarming this is the perfect novel for the holidays or any time of year      **SPECIAL NEEDS** Avis Coleman, 2014-02-24 There is no way to describe the terror that stabs a parent's heart when he or she is told there is something not quite right with their child There is denial grief and ultimately acceptance The people you'll meet in this book have turned their acceptance into action Whether it is a developmental issue a health threat or a genetic disorder these families have turned their struggles into triumphs With each of these families the diagnosis brought them closer together made them stronger and made them look beyond their own situation to try to help others There is a new term we all hope will take root in our language and our hearts It is different ability rather than disability These parents want others to know their child may not be able to do everything that another child can do but they can do a lot and they can do many things exceptionally well The author Avis Blackmon Coleman hopes you are inspired touched and maybe even motivated to help change the world and the way it sees these differently abled children Meet the families of Special Needs
