Roswell Incident:

Roswell: the Ultimate Cold Case Thomas J. Carey, Donald R. Schmitt, 2020 For more than 70 years the crash at Roswell and its ensuing controversies and cover ups have been investigated yet despite continually mounting evidence there are still disbelievers This book is the final and commanding word on the case The government has changed their official story on Roswell more than a dozen times but the witnesses have not recanted The evidence has not gone away And won't go away The Roswell Incident is the most hotly debated and investigated UFO crash in history and has had a seemingly never ending amount of evidence eyewitnesses coming forward even years later Finally late in life people feel safe enough or duty bound to reveal what they know saw and heard [The Roswell Incident](#) Debbie Schmitt, Thomas J. Carey, 2011-08-15 This book offers exciting accounts of sightings of alleged aliens and UFOs in Roswell New Mexico Surrounded by intrigue Roswell has been a hotbed of speculated paranormal visitors for decades Building on actual documentation this book offers perspective to these mysterious accounts Sidebars add another layer of fact or fiction filled fun **What Do We Know about the Roswell Incident?** Ben Hubbard, 2023 In 1947 an unusual object crashed in the New Mexico desert and was recovered by the Roswell Army Airfield officers People everywhere began to speculate what the object could be Even decades later some people still believe that the Roswell Incident is the most famous UFO sighting ever Was the Roswell Incident evidence of alien life a government cover up or just a myth *Witness to Roswell, Revised and Expanded Edition* Thomas J. Carey, Donald R. Schmitt, 2009-05-15 When I finished *Witness to Roswell* I said to myself Case closed for the very wealth and sheer weight of eyewitness testimony George Noory host Coast to Coast AM One of the best selling UFO books is now revised and updated with even more hard hitting eyewitness testimony of one of the most important events of all time the actual recovery of a UFO outside of Roswell New Mexico in 1947 For more than 70 years government authorities have led us to believe the wreckage was merely a very conventional weather balloon but the witnesses who were there continue to tell a different story *Witness to Roswell* once again takes you on a can't put down written account of what really transpired in Roswell decades ago It pries loose the truth the government doesn't want us to know This revised and expanded edition includes A growing litany of deathbed confessions describing the little people recovered at the crash site The most comprehensive time line of events ever published on this seminal event The identity of the Boeing engineer called in to examine the exotic wreckage from the crash What really took place at the Roswell base hospital and what nurse actually ordered the children's caskets The story of the soldier who wore gloves at the dinner table after guarding the bodies Clearly the implications are foreboding and one need just realize that officials now have four explanations to this historic event but to which one do all the witnesses testify on their deathbeds *Witness to Roswell* once again demonstrates to the world that no statute of limitation applies to the truth We are not alone [The Roswell UFO Crash](#) Kal K. The Roswell Report United States Air Force,2013-04-10 Throughout the twentieth century and into the twenty first the subject of unidentified flying objects UFOs has evoked strong opinions and emotions For some the belief in or study of UFOs known as ufology has taken on the dimensions of a religious quest Others remain nonbelievers or at least skeptical of the existence of alien beings and elusive vehicles which never quite seem to manifest themselves Regardless of one s conviction nowhere has the debate about UFOs been more spirited than over the events that unfolded near the small New Mexico city of

Roswell in the summer of 1947 Numerous witnesses including former military personnel and respectable members of the local community have come forward with tales of humanoid beings alien technologies and government cover ups that have caused even the most skeptical observers to pause and take notice In July 1994 at the request of the Government Accounting Office the U S Air Force completed a thousand page report to explain the events that transpired in and near Roswell in the summer of 1947 That report sought to bring all the facts to light declassify all the documents and present the definitive truth to the public The Roswell Report Case Closed is the follow up to that report and contains additional materials and analysis intended to reach a complete open and final explanation of the events that occurred in the Southwest many years ago While this explanation may not be as titillating as tales of unearthly craft and creatures it is a fascinating story nonetheless
