What their reputation often overlooks is just how much personality Rottweilers have. They can be great guardians, but the vast majority of the time they are goofy pups that consider themselves lap dogs. It's not unusual for a full-sized Rottie to try to flop down on top of your lap while you sit on the couch or to dance at your feet begging for you to run around outside with them. They love to play and are very trainable simply because that training means spending more time with you. This wonderful loving and affectionate breed can be the perfect addition to the right home.
