

The flags are flying in Holland's Royal Year!

Holland has a new Queen.

Flags are flying, bells are ringing, and there is joy throughout our land.

Even our windmills turn with happiness. All is touched with joy.

As always, there are festivals, fairs and flower displays. And, this year, a great sailing ship regatta.

There's even a Royal Tour, which includes the ancient castles of Holland.

There has never been a better time to visit Holland. KLM and the Netherlands National

Tourist Office invite you to come celebrate our Royal Year.

Free: 240-page guide to Holland, plus "Travelers' Hotel Deals" describing 90 special hotel arrangements, and a Holland Tourist Map. Write to: KLM Royal Dutch Airlines, AMS/MC, P.O. Box 7700, Schiphol Oost, Holland.

Then call KLM or your travel agent. KLM's wide-body 747s and DC-10s connect Holland with five continents.

Royal Year 1991

S Ashworth

Royal Year 1991:

The Royal Navy in the Cold War Years, 1966-1990 Edward Hampshire, 2024-07-30 During the period covered by this new book the Royal Navy faced some of its greatest challenges both at sea confronting the increasingly capable and impressive Soviet Navy and on shore when it faced policy crises that threatened the survival of much of the fleet During this remarkable period the Navy had rarely been so focussed on a single theater of war the Eastern Atlantic but also rarely so politically vulnerable The author sets out to analyze shadowing operations and confrontations at sea with Soviet ships and submarines the Navy's role in the enormous NATO and Warsaw Pact naval exercises that acted out potential war scenarios individual operations from the Falklands and the 1990-91 Gulf War to the Beira and Armilla patrols the development of advanced naval technologies to counter Soviet capabilities policy making controversies as the three services fought for resources including the controversial 1981 Nott defense review and what life was like in the Cold War navy for ratings and officers The book the first to cover this subject in depth for more than thirty years will make use of the full range of archival sources that have been publicly available over the last two decades but of which little use has been made by historians This work is destined to become a definitive naval history of the period and also provide a fascinating and gripping narrative of a navy under threat from many directions but which survived and eventually prospered winning a remarkable victory in the far South Atlantic more than 7 000 miles from its expected battleground in the North Atlantic Elegantly written for a wide audience it will be a very significant volume for professional and enthusiast alike

The Royal Navy Since 1815 Eric Grove, 2017-03-11 This book fills an important gap in the literature on the history of the modern Royal Navy Eric Grove provides the only up to date single authored short history of the service over the last two hundred years synthesizing the new work and latest research on the subject which has radically transformed our understanding of the story of British naval development Grove offers a concise and authoritative account of Royal Navy policy structure technical development and operations from the end of the Napoleonic Wars to the close of the eventful twentieth century Ideal for both specialist and general readers this essential introduction explains how the Royal Navy maintained its pre eminent position in the nineteenth century and how it coped with the more difficult problems of the twentieth in times of peace and war
