Rubber Bullets Power And Conscience In Modern Israel:

Rubber Bullets Yaron Ezrahi, 1998 Among commentators on Israeli affairs Yaron Ezrahi is distinguished by his analytical brilliance his twin passions for Jewish traditions and the tradition of liberal democracy and his ability to see behind current events to their causes some of them three generations in the making some three millennia Here he offers an uncommonly insightful analysis of the ways that history politics and the national character of Israel come to bear on current affairs there Ezrahi regards surprising and divisive events such as the assassination of Prime Minister Yitzhak Rabin and Benjamin Netanyahu s defeat of Shimon Peres in the subsequent ministerial election as signs of an ongoing fundamental conflict in Israeli society He explores ways in which the conflict is felt in diverse aspects of Israeli life and culture from the social dimensions of military service and the development of the modern Hebrew language to Israelis attitudes toward nature and the status of women In chapters that blend probing analysis with stirring memoir Ezrahi tells the story of Israel s transformation from a defensive embattled society held together by a myth of national liberation to a prosperous liberal society that must make room for the many different stories of individual Israelis **Israel's Strategic Agenda** Efraim Inbar, 2013-09-13 Divided into two clear parts the first part of this book examines political and economic factors in the global strategic environment including the approach of US and EU foreign policies towards Israel global trends in the field of defence industries and the energy sector and their implications for the Middle East and Israel The second part focuses on Israel s strategic agenda as reflected in its military force design and doctrine the dilemmas the country has faced in the course of fighting its wars of attrition the relations between military and civil sectors in Israel the struggle against Israel on the part of non governmental organizations Israel s main security challenges and national grand strategy This book was previously published as a special issue of *Israel Affairs* **Rise of the Individual in 1950s Israel: a Challenge to Collectivism** Orit Rozin, 2012-02-03 A provocative history of Israeli society in the 1950s that demonstrates how a voluntarist collectivism gave way to an individualist ethos **Consumption and Market Society in Israel** Kalman Applbaum, Yoram S. Carmeli, 2020-05-26 Over the past two decades Israel has been remaking itself in line with the commercial models of Western market societies Nowhere is this trend more evident than in private consumption patterns Most Israelis crave parity with Western lifestyles private automobiles mobile phones spacious housing fashionably furnished accessibility to shopping malls and leisure travel abroad Alongside these new aspirations internationally branded commodities and franchises such as McDonald s Office Depot Benetton IKEA and Toys R Us increasingly feature in the Israeli landscape and advertising has emerged as a primary vehicle for persuasion competition and cultural expression This book is the first to explore fully the significance of these transformations The authors show how different groups kibbutzniks Israeli Arabs Ultra Orthodox Jews new immigrants and middle class Israelis alternately exhibit a suspicion towards and enthusiasm for the enhanced individual freedoms of a consumer market society Lifestyle consumerism is recognized as an alien import potentially disruptive of the

ethos of communality common destiny and national purpose At the same time because consumption helps unite diverse groups to the greater whole of the nation the globe and modernity it conveys a sense of normalcy and affluence in a time of major social transition and political turmoil Consumption and Market Society in Israel is not only innovative in its research but it is a timely contribution to a hotly debated topic

Government and Politics of the Middle East and North Africa Sean Yom, 2019-10-30 The latest edition of this renowned textbook explores the states and regimes of the Middle East and North Africa Presenting heavily revised fully updated chapters contributed by the world's leading experts it analyzes the historical trajectory political institutions economic development and foreign policies of the region's nearly two dozen countries The volume can be used in conjunction with its sister volume The Societies of the Middle East and North Africa for a comprehensive overview of the region Chapters are organized and structured identically giving insightful windows into the nuances of each country's domestic politics and foreign relations Data tables and extensive annotated bibliographies orient readers towards further research Whether used in conjunction with its sister volume or on its own this book provides the most comprehensive and detailed overview of the region's varied politics Five new experts cover the critical country cases of Turkey Lebanon Jordan Saudi Arabia and Iran All chapters cover the latest events including trends that have remarkably changed in just a few years like the gradual end of the Syrian civil war As such this textbook is invaluable to students of Middle Eastern politics The ninth edition brings substantial changes All chapters also have a uniform streamlined structure that explores the historical context social and economic environment political institutions regime dynamics and foreign policy of each country Fact boxes and political maps are now far more extensive and photographs and images also help illustrate key points Annotated bibliographies are vastly expanded providing nothing short of the best list of research references for each country

Israel's Materialist Militarism Yagil Levy, 2007-01-01 Israel's Materialist Militarism explains the fluctuations in Israel's military policies during the 1990s 2000s from the Oslo Accords to the al Aqsa Intifada and the Second Lebanon War A conceptual framework is offered that relies on materialist militarism the relations of exchange between the state and social groups by which the groups exchange their military sacrifice for social rewards that in turn nurtures militarism The dynamic balancing of the sacrifice reward equation explains the dynamics of war versus de escalation

The Handbook of Israel's Political System Itzhak Galnoor, Dana Blander, 2018-04-30 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel's Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on

Israel's democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel *Public Policy in Israel* David Nachmias, Gila Menahem, 2016-02-17 An examination of the current Israeli government covering public policies such as health housing and transport The volume covers the institutional as well as the political and the bureaucratic framework within which public policies have been made and implemented *Disappearing Palestine* Jonathan Cook, 2013-04-04 Palestine is fast disappearing Over many decades Israel has developed and refined policies to disperse imprison and impoverish the Palestinian people in a relentless effort to destroy them as a nation It has industrialized Palestinian despair through ever more sophisticated systems of curfews checkpoints walls permits and land grabs It has transformed the West Bank and Gaza into laboratories for testing the infrastructure of confinement creating a lucrative defence industry by pioneering the technologies needed for crowd control surveillance collective punishment and urban warfare In this insightful and authoritative new book leading journalist Jonathan Cook examines the many different guises in which these experiments on the Palestinians are being carried out Accessible and comprehensive this is a powerful analysis of one of the most enduring and entrenched conflicts in contemporary world politics *Democratic Citizenship and War* Yoav Peled, Noah Lewin-Epstein, Guy Mundlak, Jean Cohen, 2014-06-03 This edited volume explores the theoretical and practical implications of war and terror situations for citizenship in democratic states Citizenship is a key concept in Western political thought for defining the individual's relations with society The specific nature of these rights duties and contributions as well the relations between them are determined by the citizenship discourses that prevail in each society In wartime including low intensity wars democratic societies face different challenges than the ones facing them during peacetime in areas such as human rights the status of minorities the state's obligations to its citizens and the meaning of social solidarity War situations can affect not only the scope of citizenship as an institution but also the relations between the prevailing discourses of citizenship and between different groups of citizens Since 9/11 and the declaration of the war on terror many democracies have been grappling with issues rising out of the interface between citizenship and war This volume examines the effects of war on various aspects of citizenship practice including immigration and naturalization the welfare state individual liberties gender relations multiculturalism social solidarity and state civil society relations This book will be of great interest to students of military studies political science IR and security studies in general *Security and Suspicion* Juliana Ochs, 2011-06-06 In Israel gates fences and walls encircle public spaces while guards scrutinize inspect and interrogate With a population constantly aware of the possibility of suicide bombings Israel is defined by its culture of security *Security and Suspicion* is a closely drawn ethnographic study of the way Israeli Jews experience security in their everyday lives Observing security concerns through an anthropological lens Juliana Ochs investigates the relationship between perceptions of danger and the political strategies of the state Ochs argues that everyday security practices create exceptional states of civilian

alertness that perpetuate rather than mitigate national fear and ongoing violence In Israeli cities customers entering gated urban caf s open their handbags for armed security guards and parents circumnavigate feared neighborhoods to deliver their children safely to school Suspicious objects appear to be everywhere as Israelis internalize the state s vigilance for signs of potential suicide bombers Fear and suspicion not only permeate political rhetoric writes Ochs but also condition how people see the way they move and the way they relate to Palestinians Ochs reveals that in Israel everyday practices of security in the home on commutes to work or in caf s and restaurants are as much a part of conflict as soldiers and military checkpoints Based on intensive fieldwork in Israel during the second intifada Security and Suspicion charts a new approach to issues of security while contributing to our appreciation of the subtle dynamics of the Israeli Palestinian conflict This book offers a way to understand why security propagates the very fears and suspicions it is supposed to reduce *Crossing the Green Line Between the West Bank and Israel* Avram S. Bornstein, 2002 Crossing the Green Line Between the West Bank and Israel makes eloquent use of particular Palestinian experiences as the framework for a critique of the way borders work in the modern world Women and the Politics of Military Confrontation Nahla Abdo-Zubi, Ronit Lentin, 2002 Extrait de la couverture As the crisis in Israel does not show any signs of abating this remarkable collection edited by an Israeli and a Palestinian scholar and with contributions by Palestinian and Israeli women offers a vivid and harrowing picture of the conflict and of its impact of daily life especially as it affects women s experiences that differ significantly from those of men The auto biographical narratives in this volume focus on some of the most disturbing effects of the Israeli Palestinian conflict a sense of dislocation that goes well beyond the geographical meaning of the word it involves social cultural national and gender dislocation including alienation from one s own home family community and society The accounts become even more poignant if seen against the backdrop of the roots of the conflict the real or imaginary construct of a state to save and shelter particularly European Jews from the horrors of Nazism in parallel to the other side of the coin Israel as a settler colonial state responsible for the displacement of the Palestinian nation **A History of Israel** Howard M. Sachar, 2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world **Politics and Violence in Israel/Palestine** Lev Luis Grinberg, 2009-09-10 This book

narrates the political developments in Israel Palestine since the ascent to power of Yitzhak Rabin in 1992 through to the present. It includes the developments of the peace process and conflict with Hezbollah and Hamas and how hopes for a settlement have been dashed by the ongoing violence. *How Israel Lost* Richard Ben Cramer, 2004-05-12. In this powerful polemic that deserves to be read *The New York Review of Books*, the major issues that have haunted Israel and Palestine for decades are insightfully explored and analyzed. With personal observation and sharp and challenging arguments, Pulitzer Prize winning author Richard Ben Cramer insists that Israel is losing her soul by maintaining her occupation of the lands conquered in the Six Day War. Israel has become a victim of that occupation no less than the Palestinians who must have a nation of their own. Cramer makes clear for the first time why the occupation endures and how it corrupts and corrodes the societies of both Arab and Jew. Cramer's portrait of those societies is both up to the minute and timeless, enlivened at every step by his trademark humor, humane understanding of the people caught in the conflict, and his astonishing gift for language, theirs and ours. The result is a book destined to produce both heat and light; it is both shocking and a delight to read. This is journalism so sharp that it will change the story it set out to tell. **Stratification in Israel** Moshe Semyonov, 2019-01-22. Until recently, issues surrounding ethnic-linked inequality, whether between Jews and Arabs or between Jewish ethnic groups, have dominated research on stratification in Israel to the exclusion of other dimensions. Rapidly growing inequality in Israeli society and its intergenerational persistence, however, have generated several new trends in research. The chapters included in this volume represent the range and depth of recent developments in the study of social stratification, mobility, and inequality. Although they address a variety of issues, they have in common a focus on the institutional mechanisms that govern the allocation of rewards. **Israeli Counter-Insurgency and the Intifadas** Sergio Catignani, 2008-01-24. This volume analyzes the conduct of the Israel Defence Forces (IDF) counter-insurgency operations during the two major Palestinian uprisings, 1987-1993 and 2000-2005, in the Territories of the West Bank and Gaza Strip. It employs primary and secondary resources to produce a comprehensive analysis on whether or not the IDF has been able to adapt its conventional conduct of warfare to the realities of the Israeli-Palestinian low-intensity conflict and achieve any sort of victory over the Palestinian insurgents. Sergio Catignani provides new insights into how conventional armies struggle with contemporary insurgency by looking in particular at the strategic, operational, tactical, and ethical dilemmas of the IDF over the last two decades. By examining the way in which the IDF and the Israeli security doctrine were formed and developed over time, he explores the extent to which Israeli security assumptions, civil-military relations, the organizational culture, command and control structure, and conduct of the IDF have affected its adaptation to the contemporary Israeli-Palestinian low-intensity conflict. *Israeli Counter-Insurgency and the Intifadas* will be of much interest to students of low-intensity conflict and counter-insurgency, the Israeli army, the Middle Eastern conflict, and strategic studies in general. *Queer Theory and the Jewish Question* Daniel Boyarin, Daniel Itzkovitz, Ann Pellegrini, 2003-12-10. The essays in this volume boldly map the historically resonant

intersections between Jewishness and queerness between homophobia and anti-Semitism and between queer theory and theorizations of Jewishness With important essays by such well known figures in queer and gender studies as Judith Butler Daniel Boyarin Marjorie Garber Michael Moon and Eve Sedgwick this book is not so much interested in revealing outing queer Jews as it is in exploring the complex social arrangements and processes through which modern Jewish and homosexual identities emerged as traces of each other during the last two hundred years *Dateline Israel* Susan Tumarkin Goodman, 2007-01-01 The contributors to this book explore the role of art and artists in contemporary Israel discuss the roots of Israeli photography and video and their international context and examine the aesthetic and political underpinnings of lens based art made in Israel today

Rubber Bullets Power And Conscience In Modern Israel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rubber Bullets Power And Conscience In Modern Israel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rubber Bullets Power And Conscience In Modern Israel free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rubber Bullets Power And Conscience In Modern Israel free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rubber Bullets Power And Conscience In Modern Israel. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rubber Bullets Power And Conscience In Modern Israel any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rubber Bullets Power And Conscience In Modern Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
